AT THE DOOR: 15 November 2012

“My day is soon and there are many things that have to fall in place first but it is soon, My second coming, oh how excited I AM! What I hold so dear to My heart is that you will be next to Me as part of My Bride!

I have just become more and more troubled because My people are rebelling against Me, they are blinded, their hearts veiled with pride and they would not open. I knock, I am knocking so hard that I am practically breaking down the door but some are partying so hard in there that they do not even hear Me. My Kingdom is standing at the door wanting to become your kingdom, I, ME wanting to become yours, but you do not open! I am Love, I just want to love you and be loved, that’s all!

Please open because destruction and judgment will come and if I am not inside, if you do not have My Blood on the doors of your heart through drinking from My covenant cup, through repenting and applying My Blood, then judgment and destruction will come upon you.

So here I am standing at your door knocking out of love, I want you to be safe and safety is only in Me! Open to Me, please, because the time is so close. I will stop knocking on your door and knock on the Jews' door and then it will be too late. Not too late because I will reject you - I will never reject you, it will only be too late for you to receive what I wanted to give you in the first place. Those who have already truly responded to My call can receive it because I am their first love and they are My first fruit.

Go, drop off the messages at the doors, hopefully they will open. You will find Me there, if they open to you - to the message that comes from Me then they open to Me and I can come in and find rest!

and actively practice it, it will turn you into a discerner. You will be able to discern My so, so still, small almost whispering voice in your spirit. You listen by discerning, you discern by being sharp, you become sharp by spending time in My Word. The position for listening is waiting and what enables you to hear is emptiness.

This is IMPORTANT... whatever is IN you, you will hear! It is the same as whatever you look at you will see. So what is inside of you or more even so - what you are inside of - the flesh or the spirit, you will hear. When you spend time with Me in My Word, the seed falls and when you become silent, waiting, listening to hear, what you will hear is that seed coming up. What does this mean, it means that you will hear My voice speaking to you because My Word is inside of you. When there are more seeds of the flesh in you, you will become silent and wait and what you will hear is continual fleshly thoughts in your mind distracting you. If you feed the flesh it will become bigger and prominent and it will most definitely be the one ruling over your body, but if you feed your spirit it will rule and you will hear My still small voice in your spirit mind.

You feed the flesh by giving into its lusts, living a soulish life guided by the mind, will and emotions...

James 1:14-15... "But each one is tempted when he is drawn away by his own desires and enticed. Then, when desire has conceived, it gives birth to sin, and sin when it is matured brings forth death"... And you feed your spirit and allow it to rule by observing and acting upon My Word.

James 1:21... "Therefore lay aside all filthiness and overflow of wickedness that you may receive with meekness the implanted Word that is (His Word taking root in your heart) which is able to save your soul."

Again I say, what is inside of you will grow, what is inside of you, you will hear! Now you also understand a little more about how mixed seed works... My point is that you should spend more time in My Word, observe what I say and be obedient because the fruit thereof will be an emptying of flesh circumcised heart that is more tuned in to hearing My voice because you have become a discerner able

to discern between soul and spirit. The problem is not that I do not speak, it is that you cannot discern and therefore you do not hear.”

I saw a vision where Yeshua and I stood on a piece of land. There was rubbish lying on the ground covering the soil. He opened His mouth and His voice became seed, He spoke and the seed fell on the soil. He asked me if I think the seed will come up and I said no. He asked me why I think it will not grow and I said because it was not planted. He smiled at me because I understood. The next moment He took a sword and like a shovel He used it to make a hole in the ground. The second He did that all the rubbish was removed. Again He spoke and this time the seed fell into the hole, He held the sword down and water came out of it and He poured it over the seed.

He explained: “My voice comes and falls on the soil of your heart but there is so much fleshly rubbish, and I speak but you do not hear and the seed does not take root because you are not able to discern between soul and spirit. You should spend time in My Word so that you can become a discerner able to cut away the things of the flesh right through to your spirit where the seed can fall and take root.

In the beginning your fleshly lusts came between us, it is where the fleshly nature of man was born. Disobedience always comes out of the flesh and obedience comes out of your spirit. They did not listen therefore they did not obey, the more you obey My Word the more you listen and therefore the more you will hear! The point of hearing My voice is so that you can be obedient to what I want you to do. The same way as the seed is to become a fruitful tree... let obedience to My Word be your focus and all will be added unto you, the more you obey the more you will start to hear My voice clearly!

The less there is the more there can be, the more there is the less there can be... Never say that you cannot hear My voice as if I do not want to speak to you. Desire to hear My voice more clearly but be patient and listen because I speak in many different ways, different to each one. So don't act as if the one is better than the other because even if you do not hear Me speaking to you in this way, you are hearing Me speaking to you like this now. Want and seek after Me so that you yourself can start hearing My voice the way that I have chosen to speak to YOU!

Wisdom...

LOVE: 29 November 2012

Come, I want to talk to you about love...To walk in love means to lay down yourself, love is prideless, love is kind, love is forgiving, love is humble and love is giving. Love is pure, love is everything, love is what everything is about but it is neglected and not taken care of, love is abused and misused. Love is expensive but has become so cheap. Love has not been nurtured and it has been broken because it was not kept pure. Love is not a feeling or an emotion, it's above that. Love is living, love is passion, and love is above the understanding of the natural mind. Love is Who I Am... Love is what

made the earth round, love is what forms each body, love is what makes it rain. Love is what saved you, love listens when you pray, love wipes away sin when repented. Love was nailed to a cross to die, love was full in love but when they hit, pierced, nailed and crucified love, love was poured out on humanity.

All that Love asks is to be loved... It is My love that makes the earth function as it should. Sin is hatred against love. Love can never run out, it is unconditional.

There are 2 trains that work as one law... My love for you and your love for Me. My love is loaded with forgiveness, mercy and grace and I shipped it off to you but when you sin against Me, it is hatred against love and the 2 train's crash and the crash is called judgment. It's a law, a love law to be respected and honored in obedience!

Therefore when I say love is what makes the earth function as it should, you should not be surprised if earth got caught in the train crash of judgment because love for Me is little. It is just My Bride who truly loves Me and love will save her, she will escape judgment because she will be with Me!

CREATION: 1 December 2012

I lay down on my face beside my bed... I was listening to 'I surrender' and that was what I did, I humbled and surrendered myself before the King of the universe! While I was laying there I could feel my spirit going out of my body, I went through the roof and just kept on going higher and higher. Yeshua and I then stood on one of the planets and looked at the earth, it was so beautiful! He said: "Of all that I created, this one is My favorite." He was pointing to the earth and He smiled. "They have not even seen all of it yet, the universe is much bigger than you think and I hold it in the palm of My hand!" I saw many, many stars and planets, we also went past the sun and it was so bright, it looked like fire! Yeshua took me to the moon, we had so much fun, He took my hands and we jumped on the moon and we laughed because it was so pleasurable! I guess He could hear the thoughts of my heart I was thinking 'Yeshua, all of this is bigger than my mind can comprehend, why are YOU, Whose mouth all of this came out of, Who created everything, Who was and is the beginning of everything, why can I be jumping with YOU on the moon?? That is what was in my heart and He said: "I want to spoil you, I enjoy spending time with you showing you all of these things even more than you do!"

We were still jumping and again we went higher and higher, we just kept on going higher. He showed me the helix nebula- how can you even describe it?? It was truly indescribable and it looked like an eye! We kept on going higher and I was not able to see the earth anymore. "Today I have taken you farther than they have ever seen! This is MY creation and I AM the Creator, everything did not just emerge out of dust, it was planned, everything was planned. All of My creation was conceived in My heart and birthed out of My mouth, only with a word out of My mouth everything came into being!

Man does not have an idea, not a clue! What you can see of Me is minute, far above what you can think or imagine and not even the words - huge, amazing, awesome, by far - those words do not even come close! There are no words in your language that have the capacity to carry Me for Who I truly Am! I AM indescribable and uncontainable! I AM, I AM!

Man is so small in My creation, you are next to nothing and not at the upside of nothing you are at the downside of nothing, which is how small you are! But you're My everything, man is My greatest desire, man was made perfectly in My image. If you would just have an idea how I feel about each one I have formed. Just as My creation came out of My heart, so you have also come out of My heart, no one is an accident in this universe. You are My greatest desire! You were planned and formed, crafted and created, in My perfect will you exist...

I told you the other day that My love makes the earth go round... You know, it's My love that holds all the laws in place, the law of gravity, the law of lift, every single law is held in place by love! It's My love, it's My love, it's My love... it's My love that makes an egg hatch, that carries the birds on the wind, it's My love that changes the tides and forms the waves, it's My love that makes the day light and the night dark, it's My love that holds everything together... IT'S ALL MY LOVE!

If man could only see what life would be like without My love, there would be nothing!

The earth is like a woman but she is carrying ungodliness and gives birth to sin... I made earth to be a fruitful woman, to carry a people who love Me by choice! Instead she became a harlot, having her way with false gods. From the beginning there would be an end, the end of this age is at hand and then behold, I will make a new earth and this time she will be more beautiful than ever, pure and like a virgin never to be defiled by sin again. She will be My Bride! BEHOLD I WILL MAKE EVERYTHING NEW!

I made everything out of love... remember the two streams of love - Mine for you and yours for Me... My love for you is pure grace and your love for Me is true obedience, obedience is how you love Me! There where our love comes together My kingdom is established. I made earth for My kingdom to be established.

Why do you think that the love for a spouse is the most passionate love, because it's by choice! Out of everyone you choose each other and just each other... that is what I want and that is why I created man... I love My angels and heavenly worshippers but they love Me anyway. I want a Bride that chooses Me, that separates herself

from the world in obedience because she loves Me! Your will is the most powerful and dangerous thing you have, I gave it to you for Me but sadly it doesn't come back to Me. Let Me explain - from the beginning COVENANT was My heart, according to My laws it works like a circle... everything goes from Me to you and if you live in a covenant relationship with Me then it comes back to Me but man's pride broke this cycle. Pride is sin against love because love is selfless. I died for pride, but man doesn't . I asked you to take up your cross and that means you have to die to self but most do not lay down their lives. Where is the love for Me? Accepting Me is not loving Me, being a Christian is not loving Me, going to church and praying is not loving Me, you only love Me by obeying Me! If you love Me you will obey Me! Here are the keys of My kingdom - love, faith, humility, obedience, faithfulness, repentance, holiness, purity are a few of My Kingdom's keys and they will unlock what is inside of My heart, the fullness of who I am!

I am calling you for a set apart life, who will hear? Who will listen? Who will obey? Set yourself apart for Me! Separate yourself from everything that is not Me, be holy for I AM holy! I did not put you on earth to be lukewarm, I did not even put you on earth to be a Christian, you see there are a lot of 'Christians' walking around these days, they pray and go to church and they do good works and say all the right things, hallelujah, amen... But they are lukewarm. You are here to become My spotless Bride, that is your purpose and that is your calling for I am coming for My Bride, not for a lukewarm church, for I will vomit them out of My mouth!

FLESH vs. SPIRIT: 6 December 2012

Let Me tell you a little bit about walking in the flesh vs. walking in the spirit. It is gravely dangerous to walk in the flesh, more than you think. The sad thing is that most of My people do not even know when they are operating in the spirit and when they are operating in the flesh.

Let Me tell you a few ways to discern. What made the flesh conceive? The seed of self/ pride. The seed is in your DNA and you feed it in your thoughts, you can see the fruit thereof in your attitude, behavior, words and desires. Flesh always comes out of self, why do you think it is called flesh? Because it is physical... the flesh always operates through worldly things, the flesh is focused on physical carnal things that can bring satisfaction here and now. What are you keeping yourself busy with??? You are missing it! You have become distracted by the things of this world. You are feeding the flesh and giving into its lusts. This is what I have been trying to tell you, and this message you need to take to My people - Stop keeping yourself busy with things that only has value for the here and now, for they will perish. Occupy yourself in every aspect of your life, your thoughts, time, words, every little detail in your life with things that will build your spirit house and not your flesh house, because your spirit house is eternal and your flesh house will perish.

You are building a kingdom through the thoughts which you choose to think, the words you choose to speak, the things you choose to do and spend your time on, focus your attention on and

you will reap what you have sown.

I have one Kingdom, I have one way, there is one way only and I will save My house. Do you live and operate in My house - the Kingdom of the Spirit or are you a lost son? Will you come home? I tell you but you do not hear Me, live Kingdom on earth, My Kingdom and not the kingdom of the world. Who will hear, who will listen, who will obey, who will answer My call? Who will come home??

I am speaking to all of My people that have become so mixed with the flesh, the carnal things of the world. You hypocrites! You do not obey Me, you cannot have the title but do not do the job, you will be fired by My judgment. I become troubled because you are blinded by deception!

Now how do you build your spirit house? Spirit is My Kingdom, that is what it means to walk in the spirit, it's to live a Kingdom life! Let Me explain to you... It always starts with a seed, you need My seed and you have My seed in your spirit but sin seed in your soul. You have to get the sin seed out of your soul and My seed in there. How do you get My seed in your soul... you have to lay aside all filthiness and overflow of wickedness so that you may receive the implanted word with meekness which is able to save your soul.

It starts with your DNA, because the seed is in your DNA, and it forms your nature. You have to allow Me to cleanse your DNA because there are written things on your DNA and the written things are the seed. When you have My Word written on your DNA then you carry My seed and then you will have My nature, attitudes, behaviour, words, desires, thoughts that are in My will. Your DNA is cleansed through repentance of the specific sin seed, its nothing but My Blood. You first need to become empty so that you can be re-programmed. It's a process of total transformation and it's quite painful, and there are very few that allow Me to do this in them because they do not willingly choose to do what it takes. It's just My Bride. Very, very few of My people truly walk on the narrow road where you are Mine alone, where you walk in the spirit and have My DNA.

Many think that I reject you if you are not perfect, you think that you are not good enough for Me if you are not 'Bride'. Let Me tell you, I LOVE you with a love that is greater than you can understand

but My people have fallen into the comfort of grace. Its nice there and it makes you perfect and it covers a multitude of sin. I tell you My people, you are heavily deceived, you do not understand and because of your lack of understanding you will perish if you do not listen to what I say! I will never leave you nor forsake you but My judgment and destruction will be released upon this earth and if you are mixed with the ungodly it will also come upon you... Prepare yourself!

Let Me explain My grace to you, MY GRACE IS MY BLOOD! Blood appears as you cut, in other words, you have to cut, that means that you have to choose to turn from your wicked ways and that is what repentance is, to change. When you repent, there is My Blood that covers a multitude of sin, when you repent then, through My grace in My Blood you are forgiven.

You know how many times when a poor man comes to you and asks you for money, you let him do something for you so that he has a sense of respect and does not just take it for granted? I mean it can become very easy to be a beggar, you stand around the whole day, doing nothing but looking sorry for yourself and you get money for it. My grace and My forgiveness is not earned, you cannot DO anything to deserve it, BUT... I just ask you to do one little thing for Me, just one, and it is not done out of law or works, it is done out of love and obedience and the one thing I ask you is to REPENT, it is all that I ask.

Many people are living under false grace. Just like the beggar, My people are starting to take My grace for granted, they have no reverent respect, a holy fear, a sense of desperate need for Me anymore. My crucifixion has more meaning to it than you think, My crucifixion is about the way I want you to live. That is one of the reasons why I came in the flesh, to show you how you are supposed to live your life. You are supposed to die to self, not to live anymore because you have been bought with a price, you are not your own, so why are you living for yourself?? You have to lay aside yourself, but now My people carry the title but they are not doing the job because it costs you a price that is too expensive for you to pay, it costs you your life, yourself. It also cost Me Myself, I gave My life to My Father for His will to be done

through Me and you are called to do the same. Again I tell you that you should not say that this is out of works and out of the law, because it is out of love and obedience. You say: "We are not under the law anymore," but actually you are operating under the law of sin and death because you do not repent. You are reaping what you have sinned (sown) because of a lack of repentance. I did everything for you, you just have to come in line, but now you are screaming from the outer court, and you claim it. You claim things that are already yours but you do not receive it because you do not repent.

Why am I telling you all these things? It's because: Healing, deliverance, freedom, joy, provision, blessing and ALL of My promises are yours and it is for free, BUT its IN ME, IN MY KINGDOM. My people do not receive what I have promised because they do not repent, repent is what makes you transition from flesh to spirit! You are not able to receive because what I want to give you is inside but you are living outside. Don't waste your life living on the outside. My grace is not less, My grace is bigger than you can fathom, but again I tell you, it is not just grace but also obedience.

This is My voice saying to you: All who are on the left side of false grace and all those on the right side of works and law, come inside, into the middle, not left or right, not false grace nor law, but in the center of My heart, IN ME. You come in here through repentance and you walk here in obedience and let Me tell you this narrow road in the center, this journey's destination is abundant life in the fullness of My presence!

So come out of the flesh, out of works, out of the law, out of passiveness, out of false grace and come into Me where you walk in the spirit and live in My Kingdom! You see, its all about ME! I AM the truth, I Am the way and I AM Life... the only truth, only way and the only one Who can give you life! Most of My people are either 'too busy' with works or they are passive and ignorant in false grace and that is why you are missing out on the things of the spirit that all of you are so hungry for. COME INTO ME THROUGH REPENTANCE! This is what it means to walk in the spirit - to obey My Kingdom principles...

2 KINGDOMS: 9 December 2012

I was sitting in our garden on a rock in the sun, listening to worship music. I saw Yeshua walking around in the garden and I could see how much He loves His creation as He looked at the flowers and the birds and everything so beautiful in the summer sun! A ladder appeared out of heaven and Yeshua took me up. There was a whole Kingdom in the air, it looked like another world, like something you would see in a movie. He said: "It's My kingdom that is in the Spirit." There were houses up there and there were 12 gates in this Kingdom. He was explaining to me the difference between the flesh and the spirit and in which one you operate. He said: "You are called to a higher life! In what realm do you operate, the realm of the flesh or the realm of the spirit?"

The realm of the spirit is My Kingdom, and you operate in the spirit through obedience, repentance, faith, humility, purity,

I had a dream and there was a mountain and we had to reach the top and the whole dream was just how we made our way up there... after writing down the dream Yeshua started to speak...

people to lay down their lives and make their way up My mountain because you have to overcome to reach the top. OVERCOMING is the key... you have to rise above the things of the world and live in My kingdom.

On My Mountain there is an open heaven for you to receive from Me and from there you are able to rule in unity with Me over everything in your life. You start this journey with so much fleshly baggage but when you reach the top it is just you and Me, you see there is no place for all the stuff you carry with you because if you want to reach the top you have to lay them down. My Son has walked up this mountain before you, He made the way straight, you can just follow His footsteps! The path is so narrow and you are unable to walk it with baggage, you need nothing with you but Me! Can I guide you and lead you because I know the way? I know about a secret river that I will take you to when you are tired if you journey with Me. Everything you need for this journey is inside the river! I will carry you up there through My love and My grace will sustain you, you just have to give yourself.”

He showed me this mountain and said that there are these fences set up that is different in each one's journey... “You cannot reach the top without moving through the fences. Some try to reach the top by themselves, but they do not know the way even though they think they do. They come before these fences and cannot break through because they do not obey and they try to break through out of their own effort. HERE I AM! I am waiting for you to come to Me, I am the only way through the fences, I am the only One who can open the gates. I have the keys in My hand, they are the keys of My Kingdom. There are specific keys for each gate...

I looked at the mountain and I saw the fences and they were boundaries, obstacles, things that prevent us from moving higher that we have to overcome and break through, by using YHVH's Kingdom keys because there is no other way. The higher you go the more mature and strong you have to be spiritually because the higher you go the more difficult it becomes. “Many of My people decide ignorantly that they are going to stay at the foot of My mountain because it is easy to stay there and they are satisfied with just being a Christian, if they only knew how much more is stored up

I want to pour Myself, the goodness of Who I Am out on My people but there is a process of purification and sanctification that enables you to receive it, without it you are unable...

CHRISTMAS: 16 December 2012

The time is full, the time is near, the time is up... I have been warning and warning and now it is time to listen and prepare yourself, for a terrible hour will come upon this earth. Tell My people that I AM at the door. Tell them to repent and to covenant with Me - covenant is a commitment to separate yourself unto Me, to give yourself only to Me. To be My Beloved like I am your Beloved... then you only drink from My cup and not from the cup that the world drinks from.

Let Me tell you something I despise - Christmas! My people have become so mixed, Christmas is not from Me and it is not in My will. I do not want you to put up ornaments, I do not want you to hang things on a tree, I hanged on a tree! I do not want you to buy each other gifts. Why do you celebrate My birth by giving each other gifts, where did I tell you to do that? Why do you let the little children sit on santa's lap, why do you deceive them with father Christmas?!! Why, you hypocrites?? Come out of her, My people. There is only One Father who sits on the throne in His glory, He is the beginning and the end, I AM!

All that I want you to do is have communion and repent, do not become mixed with the worldly kingdom, it's not My calendar and they do not do things My way. Do not put up ornaments, they are an abomination in My eyes. If you want to celebrate Me, My birth, Who I Am, that I was born in the flesh, through Mary's womb, take a piece of bread and drink from the fruit of the vine, but do not do as the world does, for they are deceived. Rather come and sit on My lap and tell Me how thankful you are.

Why do you offer santa clause cookies and milk, where is My offering were I want you to lay down your life for Me out of love? I want a living sacrifice, a holy people! Teach your children to pray, to be thankful, bring your children to Me, teach them out of My book, teach them about My kingdom principles, do not teach them about the tooth fairy, father Christmas and the Easter bunny! Why do you deceive them, repent and turn from your wicked ways, let the little once come to Me!!

REPENTANCE THROUGH MY BLOOD: 19 December 2012

I was singing in my heavenly language while listening to 'Nothing but the Blood' and it filled me with so much joy that I could not contain and it bubbled out of my mouth. In my heart I declared to Him my willingness to go wherever He sends me and to speak whatever He commands me, I am not my own YHVH, for I was bought with a price. This was the way my heart was beating in surrender. I went into the Throne Room and stood before YHVH's throne, there was a book on the steps before His throne and the book was opened, Yeshua started to write in this book and His Blood flowed out of the pen, while overwriting what was written in the book, the words that were written in black transformed into the words that He wrote in red. I understood that He was teaching me about our books of life. That book is our written DNA but the sinful nature is written on it in black and because we have the seed of sin in our DNA we live out of ungodliness. He wants to overwrite our DNA so that we can have His nature. He said that He wanted to speak to us about His blood and repentance, so I

opened my journal and started to write what He said...

“My blood, I want to speak to you about Repentance and My Blood. Take this message to My people because this message is crucial!” I saw a cross and Yeshua said: “Look” ... I saw Him hanging there with the crown of thorns on His head, His Blood came out of His head where the thorns were in and out of the nails in His wrists and ankles. He must have been in terrible pain and anguish. I was nailed, I was pierced, I was persecuted and rejected, I was hated and murdered because of My love, if I did not chose to be crucified to give My life they wouldn’t even have been able to touch Me let alone crucify Me, but I did choose because I love My people more than words can describe. At My cross I changed everything, you do not even understand... let Me explain to you what happened when I chose to die for your sin. Man lived under the law of sin and death, this means, you disobey and sin against Me, this brings curses and infirmity, sickness and death - sowing and reaping. Because man chose, you put this law in place, but I put another law in place, also because I chose - the law of the spirit of Life. You see there was I AM - the God of Abraham, Isaac and Jacob, the Creator, the beginning and the end, I AM and there was man and you were created in My image, we were one, man lived in My Shekinah glory, in My presence but when man disobeyed, you were cut off from My Holy presence, dead in the spirit but alive in the flesh.

But I sent My only Beloved Son to die, He became the Lamb who was slain, the perfect sacrifice for sin, He became your Atonement, your Advocate, your Redemption, your Savior! He became your reconciliation; He became the way back into My heart, into My glory, into My presence, into My holy place. He became the door where there was no door, the way where there was no way.

There are 2 houses with a door to enter through from the one to the other...Believing in Me, confessing Me, living for Me opens this door, but remember that you are not in the spirit house, you are in the flesh house. Even though the door is open, even though you believe in Me, confess Me and live for Me you are still in the wrong house. Why do My people live in the one house on this side of the door and they think that beyond that door is for when you die, it’s not, it’s for now, so enter through. You know now there is a door, there is a way to life,

there is Me! But still you are missing one important part! There is only one way through that door, there is only one way to move from the flesh house to the spirit house and that is through My Blood, through Repentance! That is the only way through... It's more than just salvation!

Do you remember the Exodus, do you remember what I asked the people to do? I asked them to put blood on the door posts... the door is the place of covenant, I am asking you to do the same, apply My Blood! How do you apply My blood? Through repentance. My people, repentance is much, much, much more than saying your sorry... repentance is a heart attitude, repentance is the willingness to make a change out of love out of the realization that you have operated out of ungodliness, repentance is humbling yourself from the sin that comes out of self/pride. Repentance is reconciliation. Repentance is like a metamorphosis, repentance is transitioning, it is the change of heart and mind. Repentance is breaking down the altar where you have offered to the kingdom of darkness, repentance is the bridge from rebellion to righteousness. Repenting is one of the most powerful things that you can do, because it moves Me, it fills Me. You know I hunger too, I hunger for repentance, humility, faith, obedience, love and you have to feed Me, you either feed Me or you feed demons, is is your choice. Repentance is breaking down the flesh house/kingdom and building your spirit house. Repentance sweeps out the clutter in your soul. Repentance erases the written sin in your life's book. Repentance breaks the law of sin and death.

That house of man, your sinful nature has painted it black, but I am the manufacturer of a miraculous product, it's only one step and you have a house that is as white as snow... The product is called repentance, it consists of My Blood but the application is called repentance, it's so easy, it's really a miracle, nothing can compare to it, and there is nothing that can have the same result and I give it away for free too. I paid for it, but many people think it is not necessary because they think that when they purchase this house which you call accepting Me, then the house is automatically white as snow just because you want it that way, but it's not. You see there are 2 houses on this land, I live in the one and this house is

called spirit, but you live in the other one called soul. You see I am a King, royalty and I don't live in rubbish, so when I move into this spirit house, I furnish it with all My things, I completely remodel it, because when I moved in, it was dark because the curtains were closed, but I opened them and now there is light.

The problem is that you live in your soul house and I live in your spirit house and we are family but we often visit each other, with little communication, because you are busy and occupied, on Sundays you go to church and you work, and you do good things but you don't have much time for just Me! Because you are so busy with your religious duties, work and so forth, your soul house becomes dilapidated and in need of attention. Now you see I am a Rich Man, I own the best and because I am so rich there is actually too much of My stuff in the spirit house and I would like to give you of it so that you can put it in your soul house because at the moment we have one yard and My spirit house looks like a palace but your soul house looks like a dump. I will help you to remodel, but I need your cooperation because your attention is required. I cannot go about doing things without your willingness and without your conscious choice of submission, without your surrender and obedience.

So are you willing? Because you cannot live in this double-mindedness, you cannot live out of your soul, we have to do some work in your soul house so that we can make these 2 houses one big house and then My things can be your things and your things My things. You see, many of My people think they are saved and quit because we live on the same yard, but actually you are quite double-minded because you are living out of your soul house. You are not safe if this is a picture of your life, but there is a way to change this - **THROUGH APPLYING MY BLOOD THROUGH REPENTANCE!**

How do you repent? You acknowledge, say you are sorry and change from your wicked ways, change your heart, your behavior, your mind, your attitude and replace it with My character, My Word, My thoughts, My will... ME!

Thank you, go out and deliver the message to My people...

YHVH

WORSHIP IN SPIRIT AND IN TRUTH: 24 December 2012

My people, you need to flow with My Spirit, move with My Spirit, mingle with My Spirit, dance with My Spirit, let her fragrance flow, let her do what she wants because church is restricting My flow, My Spirit, you are quenching My Spirit and blocking My flow because of your stiff spirits. You are conformed to the bench. You just sit there,

I am coming to you and asking you to dance but you would rather stay sitting because you do not want to make a fool of yourself so you stay in your comfort zone. Your pride blocks My flow, I want you to dance, dance, dance, move a little, flow with Me... just love Me and forget about yourself, about the people around you and come into Me, press into Me with your worship. Move into the Holy of Holies, enter My throne room because of your worship in Spirit and in Truth.

Let My Spirit flow and move and manifest and stir up the worship in your spirits, shake off the spirit of religion, the stiff spirit. Be delivered from it and receive My seven fold Spirit in abundance. Let the gates of pride that are shut up so tightly open and let your worship in Spirit and in Truth rush through, come through the gates from the outside in dancing, and shouting and jumping in joy because I AM worthy of worship! I AM worthy!! Receive, receive!

Music is My heartbeat. Worship through music is a Kingdom key, a way to enter. Music comes from Me, so let it sing back to Me, let the beat, beat back to Me, the song sing right to Me. Let it only worship ME, because music is worship, when it is not My music it is not My worship... so who are you worshipping?

Let My people worship Me in Spirit and in Truth!

Abba I AM...

EXPECTATION: 28 December 2012

“Expectation... Sarah, let Me tell you about expecting. Expectation is expecting something that was conceived to be birth, a seed sown to grow and bare fruit. Expectation is a process of believing and waiting, a still assurance and blessed hope, a patient process of maturing in time. You cannot see what you are expecting but you can feel the hope, faith and excitement growing inside of you while you feed it and keep it alive through feasting and meditating upon what I have said. You can only see the result thereof when it comes into fulfillment. Expect Sarah, expect by waiting, feeding, feasting and meditating upon what I have said because it will keep hope alive and it will keep the fire of faith burning... Expect... Expect Me to be faithful!

GOING INTO THE YEAR 2013:

31 December 2012

It was 11:15 pm and I was sitting on my bed with my journal and in the background I could hear my parents watching 'Skouspel' in our living room. Outside you could hear people playing music and partying but inside it was just me and Beloved...

'This year is a year of change.' He said. I saw a shell opening up and it had a pink pearl inside and I saw a rose and Yeshua said: "I will pour My love on earth like never before, I see the need for love amongst the people and I want to pour it out but will you receive it?"

I saw an explosion of light over the whole earth and it was revival! "This year will be full of miracles and wonders, healings and manifestations of My glory. The same way that My Spirit will intensify, deception among people will also intensify. Therefore My people you have to be very, very discerning. Gird yourself with the belt of truth... My warriors need to prepare themselves and take up My whole armour because it is time for war. I tell you the time is coming closer! Prepare yourselves for there is a coming tribulation. I am knocking on the door, it is the last hour and the last trumpet will blow soon!

My people, My people!!! In this time the world celebrates the so called New Year according to their calendar and as they party and celebrate, tears are rolling down My face, if only they could see. I am so troubled. The world is drinking from the cup of the harlot and I know what they will reap from their partaking thereof. I keep on warning but they keep on ignoring and continuing in their ways. As they count down with their lips 10, 9, 8, 7, 6..... you have to cry out with your lips for repentance, cry out that the nations of people in this world will humble themselves and pray that I will heal their land and that they will turn from their wicked ways! Rather than going outside to look at the fireworks, stay inside here with Me in My presence. I tell you, their ungodliness and lack of holiness will explode in their faces and they will be so sorry for what they have spent their time on. My people are so, so very misled and deceived. Do you know how many of MY PEOPLE are partying away during this minute, so drunk in their worldliness. I turn away My face (it was when the countdown started) but you know I am love and love cannot help but

to look again, and again try to get My people to awaken and rise...

My people, going into what you call the New Year, I want you to prepare for war... for there will be a war and a wedding feast. My servants come because there is work to be done, come My warriors for there is a battle to overcome, come My beloved and love Me, come and worship Me in Spirit and in Truth, stand up and get ready for I am coming. Those who have ears, let them hear what I AM says!

I AM knocking, let Me come in for I want to save you. Rush, rush, repent, repent for I want to redeem you and rescue you, re-establish and reunite you unto Me... UNITY!! My people need to come into unity with My Kingdom, I AM One Spirit and One Truth. Why is there so much division amongst My body? You cannot function as you should if you do not operate as one. Abide in Me, I want unity amongst My people, when you are in unity with Me you will work together in unity and in love...

This will be a year where there will be confusion amongst man because there are mixed messages, what is true and what is false. I see many of My people running around with their hands in their hair not knowing what to believe... about My coming, about the end times, about the rapture about many things of My Kingdom. My people, do not be confused, listen to Me, look to Me and you will find the truth!

There are many things going on in secret societies, evil schemes and plans that all come out of the spirit of anti-Christ. The time is coming where that evil is coming into motion and it will come against My people who worship Me and who live for Me and who carry My Name because they want to get Me out of 'their' people, 'their' schools, out of 'their' churches, out of cities, out of 'their' countries and out of their lives. There are many people who hate Me and work for satan to keep people from Me, because if they can keep them in deception, worldliness, greed and trapped in the worldly system then it is the norm. Eventually they reject My Name and take the name of the beast because My Name is nowhere to be found amongst them. It' is because of a spirit of pride. I am speaking of America [- they are corrupt and many things will happen in America, it will just intensify and get worse until there is

nothing left. They can carry on to try and make plans to fix the mess that they are in, but the mess is in their hearts and what is going on in the country is just an expression thereof. What they need to do is repent and come to Me but they won't. I have separated the remnant of My Bride that is in America and let Me tell you, they are only a few, but she is Mine and I WILL keep her safe, but for the rest: They have brought it upon themselves, a Godless, self-centered, arrogant people, I tell you. Do not think for one second that I do not love them more than you can understand... I have called America for many great things, if only America would respond to My call, but no, they have chosen to follow themselves, and because they chose self they chose satan and we all know pride comes from satan. The principalities of darkness over America are heavy, pray and repent for them, stand in the gap for the nation of America, it is My people;s responsibility to pray.

Russia... I saw something standing up, it is a spirit and I saw Yeshua bringing it to it's knees, almost as if He breaking it's legs. It's eerie and dark. I heard people speaking in Russian and it's corruption. They are contaminated because they serve false gods... I saw a thick heavy covering like a shell - it is hard and corrupted and there is some kind of conspiracy but they cover themselves. BUT, I have started a fire and the fire is burning, there are people that love Me and that hunger for Me but there are also many that do not love Me and they have a hatred inside of their hearts, a harshness, and hardness. They need My love, compassion, kindness, gentleness... also pray for them for an anointing of My love that will break the harshness in their hearts. Holy Spirit is at work and will be empowered by your prayers. Pray for their cold love...

China... I saw the dragon and people walking under it, they are blinded and cannot see. Then Yeshua stood before it, and He takes off that material of the red dragon hanging over them and they lift up their faces and see Him and fall on their knees before Him. There is a battle in the spirit over China, against the kingdom of darkness and My Kingdom. There are many occult practices, idol worship and serving of false gods, they make sacrifices to evil spirits and the kingdom of darkness feeds on it, many of it is out of tradition and a lack of knowledge, and they do not know what they are doing.

My people, this year I AM crying out for obedience, a radical obedience out of love that is willing to sacrifice everything to be like Me! Become the mirror image of Who I Am. I AM calling for everyone who will listen to allow Me to transform you, but you have to obey...

DISCERNMENT: 7 January 2013

Yeshua showed me how discernment looks in the spirit. It was a silver stream flowing out of Holy Spirit into His bride. "My church is not My bride and My bride is not My church for there is deception in the church but My bride carries My discernment in her spirit. Do you know what discernment is rooted in, it's rooted in Me - the Spirit of truth! I AM the truth and discernment is like a branch coming out of the river of Who I AM - Truth. Without it you will perish. My church, you have been misled and deceived by a spirit of deception that comes out of Baal, the queen of heaven. My Bride is so close to Me because she worships Me in Spirit and in truth therefore she is filled with My truth inside of her. The truth is inside of the discernment and it is solid and cannot be mixed... My people, you only have to ask, just ask Me for more discernment, for it is at hand, reach out and receive. My church needs to wake up and see that they have been deceived and mixed in their ways. Come out of her My people, abide in the truth of Who I AM! Because the Spirit of truth will lead you and discernment will establish you and keep you in My truth. So My church, will you allow Me to overthrow your deception or will you cling to it in religion and legalism? Let what you believe as the truth and the way be MY truth and MY way!"

Then I saw a church with the tower on the side... "just look at it, that is not My house. The people that are inside are My people but they do not dwell in My house, you are in the wrong place. My people, for My church is My people but she is not My lover. Come to My house, there where truth lives, the truth of repentance, the truth about Who I Am, the truth about My Kingdom, the truth about My death on the cross and what it did for you, there is My home! The people in that church, they are under a veil of 'good people', their intentions are pure but they are misled and because they are so misled they discard My true Truth! When will you start listening to Me and stop listening to what they tell you up there about Me??" Then I saw Yeshua taking His Sword and He cuts off the tower on the side of the church. "My Sword is My truth and I will strike My church with it even with your words... but will they listen, will they come out of there and will they come into My house? For those who are willing

and obedient to do so, you can exit out the door called baptism!
Baptize yourself unto death of the former things and follow Me!”

Then I saw the church starting to shake and tremble and I heard YHWH saying with a loud voice from heaven that sounds like thunder. It is the voice of the Trinity - Abba, Yeshua and Holy Spirit, the 3 of them as One... Abba’s voice was like thunder, Yeshua’s voice like music and Holy Spirit like wind all mingled together in a voice that cried: IT’S TIME TO GET OUT OF HER, MY PEOPLE, IT’S TIME TO STOP WASTING TIME WITH GOOD WORKS AND PLEASING WORDS, AND IT IS TIME TO REPENT AND BE OBEDIENT FOR I AM COMING, PREPARE YOURSELF, FOR I AM COMING... I WILL GATHER MY BRIDE UNTO ME SOON!”

I saw the Bride standing ready, prepared, fixed, focused, dressed and in love waiting for her Bridegroom, her first love. She had a Sword in her hand and again I heard a voice saying: “PREPARE FOR WAR”... She drew up her Sword into the air and was snatched away into heaven where I saw her entering through golden gates where Messiah stood and waited for her. He had a red mantle around Him and a gold crown on His head, the Prince of Peace! He welcomed her and there were people she met - saints of the Bible and family. I could see that she knew all of them and everyone was kind to one another but they did not give much attention to one another. All of them only wanted to be with Messiah and they were burning with love and passion for Him. It was all about Him and it was nice to see the way everyone was in unity! Then He took her hand and walked with her to Abba where He sits on His throne in His glory. It was the greatest day in all of creation because His heart's desire was fulfilled by the love of His Bride! Yeshua presented her before Abba and They were One.

The Bride and I AM became one in a way that was new and unexplainable. He took her to the marriage supper! It was so beautiful and perfect, it was what heaven had been waiting for and preparing for, for so long and the time have come! Everyone was dressed beautifully, and the food was truly something out of this world! I saw lamb and vegetables and things that I had never seen before, but it was not like our food, it was almost as if it was blessings and the feast was from the gifts and blessings from YHWH!

TIMES & SEASONS: 20 January 2013

Yeshua gave me a new watch, He said that the one that I received (new watch I received the day before in the natural) was prophetic for the one I received in the spirit. "It is My times and seasons, I will reveal to you things about the times and seasons. You have to release it and let it come out of your mouth so that the times and seasons of this earth can be aligned to the times and seasons of My Kingdom.

I have a Kingdom clock and the world has a clock... Do you know what I see when I look at your time on your clock? I see ignorance and people who live independently from Me. I see people wasting their time on the things of this world, building their own fleshly house. I see people that make plans for their future and retirement but they do not consult Me and ask Me what My plan is for their future.

You live by your own clock on your own borrowed time, you are called to live according to My clock, in line with My times and seasons...

You know that when you look at My clock you will see that the time is running out, the clock will strike 12 very soon, its just one more tick... Therefore the season is different from what it has ever been before and therefore My heart is crying out for the people to prepare themselves because when it strikes 12 and you are not in line with My time, you will miss it because you will not be at the right place, the place where My bride waits for Me, her Bridegroom... You will be fast asleep... awake and rise!! Come in line with My times and seasons, live according to My clock because then you will be ready.

Let Me tell you about the seasons, My seasons. It is the coming of the season for the red rose to be harvested... She is My Bride, she has opened up and she is flourishing. I just want to tell you My people because listening you do not hear and hearing you do not understand the urgency. I will gather My Bride unto Me like putting all the flowers into a vase, and her beauty will give glory to Me, because of her humility she is worthy... I am urging you to be radical, it is the season to LET GO!! Let go of the former things, let go of the foolish things of this world, let go and loose the ungodly attitudes in your hearts, clean up your soul and move forward because it is time to enter the

For you to come in line with the coming season of the harvesting of the red rose, My delight, you have to humble yourself before Me, turn from your wicked ways and repent, be radically obedient and move closer to Me because in this time you cannot be luke warm!!"

WAR HORSE: 21 January 2013

Last night we watched the movie 'War Horse' and this morning, when Yeshua woke me, I went to sit in the garden and He started to speak...

This morning I want to teach you about warfare... I want to teach you about your war horse... Let Me tell you about the 4 legs of the war horse, it is surrender, submission, authority and boldness. Warfare is needed because you are in a battle against the principalities, the rulers of the darkness of this age. Your warfare is not to defeat the enemy for I have already done that. Your warfare is to stay standing without giving a foothold to the enemy, that means legal ground for him to tread upon. Your warfare is against the ungodliness that roams this earth, keep it out of your land.

Let Me tell you how to warfare effectively... Many of My people often get caught off guard, they live ignorantly of the enemy and the battle against him, to keep him and his seed out (sin seed). Don't be ignorant of it because ignorance can keep you in the darkness, unaware of what is truly going on in the spirit. If you want to be My bride you have to know your way with warfare because My bride is a spirit bride and walking in the spirit means that warfare is a part of your everyday life.

That doesn't mean you focus on the enemy or give him ground, it just means that you are sober and watchful like I commanded you because you know that the enemy walks around like a roaring lion seeking whom he may devour. Too many of the manifestations and works of the wicked one has become part of the worlds 'natural'... For example sickness, sickness is not from Me, it is evil out of hell, sickness has roots, roots that obviously do not come from Me. Most roots of sickness come from hell! Why do you live with hell in you and then apply medicine to it?? Stop living in the natural kingdom, because in the natural kingdom the medicine works for your body, but it only delays you from actually truly dealing with it because you become better. I AM THE HEALER! But being the Healer you do not always get treated with reverent fear and submission under the hands of the physician. They expect Me to do things the way that they want it to be many times- quickly and instantly... My people, healed by My stripes doesn't always mean healed by a miracle because of the gift and anointing of Holy Spirit. Many more

times the healing that you need is process, and process means cooperation. Even though I can heal instantly I do not always do so because being healed instantly means that you have to go and sin no more because the curse of sickness comes from the seed of sin, you have to turn from your wicked ways... I look at the heart, I always look at the heart, the 2 things that I look for are: 1) Will glory be given to Me? and 2) Do you have a humble repentant heart? The reason why I do not just go around healing everyone instantly all the time is because I am protecting you. Healing requires a REPENTANT HEART, willing and obedient to turn from wicked ways. I just want My people to know that I want to heal them inside out, but sometimes repentance is required for it to be fulfilled.

You know I fulfilled everything, but you have to take My keys that unlock it and it will be done for you...

Warfare is something that you have to do everyday, for everyday you have to stand and everyday you have to take up My armor to do so. Use My weapons and listen to My leading, do not fight against the kingdom of darkness in your own effort for you will fall, it's only through My authority...

So ride your war horse My people... Surrender and submit unto Me, resist the devil with boldness and authority and he will flee from you... Use the powerful Sword in your mouth daily, don't go a day without confessing and speaking Scripture because it builds the walls around your city and keeps the enemy out of your camp...

JOSHUA GENERATION: 31 January 2013

The way to the Promised land, the journey to receiving what was promised. It's a tough one... You carry the promises in your spirit, it is sowed in your spirit, conceived in your spirit but then it has to be birthed in the natural and for that to take place your soul has to come in submission to My will. It has to cut through the things that block in your soul. You can just go and look in My Book and see how many of My people missed out on what I wanted to give them because of a lack of the submission of the soul under My will. Take for example Moses, he missed it, why did he miss it? Because he was disobedient.

I am calling the Joshua's to stand up and take up their authority, to finish the disobedience of the previous generation and repent of it and then to enter the land of promise. I am calling the Joshua's, I have already picked them out, it is those who will be obedient according to all I have commanded, no matter how impossible the natural circumstances may look... Don't miss it, for if you do not stand up in authority and possess the land you will not be able to receive what I wanted to bless you with, for what I want to give you is My best, My goodness...

You know what I want to give you and the promises that you carry will not just fall in your lap, look at Joshua, what did he and his group have to do to stay in the land? They had to fight. Don't you know that you are in a battle? Don't you know that sometimes the battle is against the rebellion of your own soul that doesn't want to obey and submit under what I want to do? Don't you know that the high things in your heart, that you are so ignorantly unaware of is what keeps you deaf to My voice, and you wonder why I don't answer you. It's because you are not able to hear because you hear other voices, voices that distract you from hearing Mine, for when you hear My voice I will tell you what to do and you will enter.

That is the tactic of the enemy, to use the things in your soul to delay what I want to give you and to keep you out of your destiny plan. But ignorant to his tactics, you start to wonder in unbelief whether a promised land really exists, a land of milk and honey, whether what I said really is true. Because you don't see it. But

the truth is that you are blinded by the rebellion in your soul. If you do not walk in faith you will never be able to make the journey. If you do not lay down the high things in you, you will not be able to hear. If you do not humble yourself you will not be able to receive, if you do not submit your soul under My will and that always means sacrifice and cutting off on your behalf you will not be able to possess the land, the destiny.

You know that I Am I Am and you know that I can miraculously intervene in everything and let it come to pass. But I don't want to, because then you never choose, I choose for you, and then you never humble yourself, you never cut off and you never lay down. That is the reason why I give you a promise and not just let it come to pass instantly, because I want you to search your heart and deal with the things in your soul that you are so unaware of, because I want those things out of you.

The wilderness is the best place there is and that is why I created it. It is a perfect environment to form you into the right shape to enter through the gate into the Promised Land because you know how small that gate is because I have showed you before. Only the humble can enter in. My people look at themselves and think about themselves as humble people but the truth is that when you look through the eyes of the world, you may qualify as being humble. But when you look through My eyes you will see that you are far from that. Humility is dependent on the amount that you cut off of yourself, because the more you cut off of yourself the more you make room for Me. If you would just ask Me, I will show you the things that you have to cut off.

For I tell you there is no price for salvation. It is free, but hear Me when I say if you want to live in My Kingdom there is a price, the same price I paid, I gave My life and you have to give your life. For I tell you if you want life you have to lose life and die to gain life. For if you live I cannot live in and through you but if you die I can live in and through you.

How do you die, you ask? Death takes place on a cross. So what is the cross? The cross is your weaknesses, obstacles and challenges, your flesh, your pride. You have to take it up, in other words you have to look at your soul and see the self in your heart, mind, will,

emotions, desires, character, acts, behavior and then acknowledge it, acknowledge that it is rooted in self and then repent of it, receive forgiveness for it, then change from your wicked ways because that is how you die to it. Then allow Holy Spirit through My resurrection power to bring new life in you, new thoughts, new desires, new behavior, new everything that is rooted not in self but in love because when it is rooted in love you will walk in obedience. For if you love Me, you obey Me. In this way you are not in the flesh anymore where you are unable to receive the things in the spirit but you are in the spirit because and only because of a humble repentant heart...

This death is what I Am crying out for because I know what waits on the other side. Beware of the enemy that lies to you by telling you it's too difficult, and nothing is going to be left of me when I keep on dying to myself. I don't have to repent, I just have to believe it and receive it, I don't have to do anything. Don't be passive while you are waiting for Me to do something in your life. I Am waiting for you to stand up in obedience. Do not be deceived by the deceptions of the enemy for I tell you My people, I have eyes and My eyes look to and fro across this earth. There is nothing that My eyes do not see, and what I see is that most of My people are not entering into My fullness. Not entering and walking in My plans for their life because the enemy keeps them busy in the flesh and inactive in the spirit.

For I tell you the walk to the Promised Land is a walk in the spirit and not in the flesh. It is only through steps of obedience that cry out: I am willing to lay down out of love for You, I am willing to cut off, willing to sacrifice and willing to give my life! For freely I have received and therefore freely I give my life, for I am not My own because I have been bought with a price.

That is what the Joshua's cries out and they are the ones I tell you that will enter and receive My abundance and blessing. They will walk in My destiny plan for them. Again I tell you do not miss it, don't be like Moses that did not obey. For I am calling Joshua to stand up and fight the rebellion, pride, stubbornness and resistance to My will in your soul because I tell you its your choice. If you want to walk in My will for your life, humble yourself and choose to obey.

I put a choice in front of you today but again I tell you don't miss it, I am warning you - DO NOT MISS IT!

The things of the flesh and of this world WILL keep you away if you do not choose to commit yourself to Me alone. You must have My mind because if you have My mind you will look and see that you CANNOT afford not to walk in the spirit and not to be totally focused only Me in this hour. For I tell you that the things of the world will pass away. Do not gather treasures for yourselves on this earth, do not build a worldly kingdom because then you operate out of the harlot, the spirit of the world.

Stand up, this is Joshua's hour and it is coming quickly, stand up in obedience and fight your giants so that you can possess My land and walk in My destiny plan for your life...

COME JOSHUA, I AM IS WAITING FOR YOU, WATCHING YOUR
EVERY STEP TO SEE WHEN YOU TAKE UP YOUR AUTHORITY

SHABBAT SHALOM: 8 February 2013

It is a Friday night and the sun just started to go down, its Shabbat! We took a kitka bread and grape juice, my dad poured the grape juice in a glass until it overflows symbolizing the abundant blessings of YHVH that will be poured out on this house. We became silent before Yeshua so that we may enter His rest... I closed My eyes but I could see!

I saw on the left side Moses standing and next to him all the saints of the Bible right through to Yeshua, He was the last One on the end of the line! We stood before Yeshua, He looked so beautiful with His talit around Him, He smiled and it was almost as if I could see- this is My day written all over His face as He looked so happy. In big letters SHABBAT was written above Him, still smiling He stretched out His hand and said SHABBAT SHALOM, He held in His hand the word SHALOM written in gold, He gave it to us... My dad stood before us (me and my mom) and the SHALOM firstly went right through my dad into us! I saw heaven opening up and blessing pouring out on us, it was so many blessings! Yeshua said: "Can you see that I fulfilled the law, I AM standing at the end of the law, but if you want to be in line with ME you will HONOR Me through keeping My Shabbat, be at peace My people you are not in law when you observe it nor do you have to be a Jew, you do not keep the Shabbat because you are a Jew, Who do you think told the Jews to observe it? I did, so you are only honoring Me (He laughed and continued...) oh you of little faith! When you keep My holy day you are in line with Me and are able to receive ALL THE ABUNDANT BLESSINGS that My Holy Shabbat carries!"

After He said that He started to speak blessing, blessing upon blessing upon blessing and He will be releasing it until the sun sets Saturday night... "Sarah, My love those blessings are released every Shabbat but only those who honor My holy day are able to receive it..."

SHABBAT SHALOM MY HOUSE"

... My dad prayed the Priestly Blessing over us and he wrote YHVH (God's Name) on our foreheads so that we may be blessed and then we blew the ram's horn - Honored be Your Name Yahushua our

And YHVH spoke to Moses, saying: "Speak to Aaron and his sons, saying, 'This is the way you shall bless the children of Israel. Say to them: "YHVH bless you and keep you; YHVH make His face shine upon you, And be gracious to you; YHVH lift up His countenance upon you, and give you shalom." ' "So they shall put My name on the children of Israel, and I will bless them."

Trust is a beautiful thing. It is one of the cords of a soul tie. Let Me tell you about soul ties, it has many different cords in one tie. To mention a few godly cords- love, trust, loyalty, faithfulness, patience, passion, respect, honor. These cords form a godly soul tie but there are also ungodly cords that form ungodly ties. Ungodly ties are

formed when the Godly cords are broken and it becomes bondage. Manipulation, control, self-centeredness, selfishness, blaming, accusation, unforgiveness, being unfair are a few ungodly cords.

Soul ties bind, and through cords there is a flow, that flow is impartation. Let Me explain... When you have a relationship, any kind of relationship your soul becomes tied with the other persons soul and it is a good thing, because My people are called to love each other as they love Me. Through that tie there are cords, through which communication flows. When you 'communicate' disappointment, rejection, unforgiveness, accusation, abuse, hatred, anger, being short tempered, irritation, selfishness and these kinds of ungodliness, the person's soul who you communicate it to becomes bound by the ungodliness where you were suppose to be bound in LOVE. The enemy uses it to cause division, disagreement and strife amongst you. It is like impartation, you are constantly imparting into those around you.

It is just like an umbilical cord... You are suppose to be fed, nourished, built up to grow through the soul ties in your life. This is My question to you: What are you feeding the people around you out of your own ungodliness? Be very careful what you communicate through your cords. Because you communicate it through your thoughts, behavior, actions and words.

This is the purpose of the soul tie, the godly soul tie is purposed for love, it is suppose to be a cord of LOVE!

1 Corinthians 13... To suffer long, be kind, to not envy, to not parade itself, and not be puffed up... To not behave rudely, to not seek your own, to not be provoked, nor think any evil, nor rejoice in iniquity but rejoice in truth. But to bear all things, believe all things, hope all things and endure all things so that your love may never fail.

My people fail in their love cords and therefore they hurt. My people should be aware of ungodly soul ties, because a soul tie can be Godly but have ungodly cords. Cut them, untie them and loose them from your soul so that your soul, especially your emotions may not be effected by ungodliness but hidden and kept safe in love!

Man was made for friendship, companionship, relationship, but man has sailed that ship in the wrong direction and now you are emotionally shipwrecked.

Let Me tell you where many ungodly cords are formed- unmet needs. Many people lack in the essential principal called 'The First Love Covenant'! I AM supposed to be your first love & I AM supposed to meet your needs according to My riches FIRST, you need to desire Me first, love Me first, seek Me first, I have to be your best Friend, you have to firstly be in a love relationship with Me! Things fall apart because of ungodly order, I designed everything to be in a specific order, My order!

The world's order is twisted... People make idols of their lovers because they love them more than they love Me & parents make idols of their children to fulfill their dreams and desires where you are supposed to seek Me and lead them into MY plans and desires for them, with their eyes on Me!

Come in line with My order! I will start teaching you about My order, it will be a series of wisdom and insight into My will for you to share with My body so that she can start functioning in My Kingdom ways again.

GOD'S ORDER SERIES - PART 1: THE YOUNG UNMARRIED MAN AND WOMAN

10 March 2013

Like I promised, here is the beginning of the series of messages I will give you to share with My people about My order and Godly structure concerning the home.

Firstly, I will begin with the leader, he is the man. Yes, I made the man to lead, to be the head, to be strong & to protect, to cover, shield, work, provide for, to be a king, a prophet, a priest over his given and his entrusted. I speak with a word that is like a hammer, sons of the earth, what are you doing?? Sons of the earth, where have you gone off to, sons of the earth what are you looking at, sons of the dust why are you not standing, why are your spirits sleeping and why are you not being obedient?

Why are My men so passive? Stand up, I am calling for Mighty Men for warriors to STAND UP and to TAKE UP their positions.

The young men have to learn, the husbands, the fathers, the old men, let all the men of this age stand up and give heed to My cry...

To the unmarried man- keep your eyes from lusting, keep your heart pure and your eyes from that which defiles. Be holy like I am Holy, become the mirror image of who I am. Let Me be your first love, let Me be the crown upon your head. Allow Me to mould you into My image so that you can be an honorable man, worthy of a pure bride. The young men of this age are not worthy of the woman because they do not take in their position as leader and protector. The young men of this hour are not strong and courageous. Sons, you are called to be strong and courageous. Many sons have become drunkards, chasing after the lusts of the flesh, looking at

women who are appealing and something for the eyes. I did not make the eyes of man to lust. I made the eyes of man's heart to gaze upon Me in keeping himself from everything but Me until you see her in My eyes. When it pleases Me, you will see the one I picked out, the one I prepared for you, you will find her in My eyes and hidden in My heart. Your eyes have to see the beauty behind the body, into her soul and then when I give her to you, your spirits may be knitted together as one. A woman is a gift from Me, to be treasured, kept, looked after, honored and loved with My love. They are delicate flowers, to be treated the way I treat My Bride. You neglect woman and use them to meet your needs. Allow Me to make you worthy, because your bride is My jewel. How are you treating My jewels? Are you looking after them the way I desire you to? Never neglect, misuse or abuse what I give you, because she is My own, and you will be responsible and accountable for how you have treated the one I trusted you with. Young men, become worthy of her. When you are worthy of her, you will be willing to lay down your life for your bride, you will be willing to fight for her, to protect her with your life, you will be her shield because I am your Shield. You are worthy of a bride only by being in My likeness. Young men, keep your eyes on Me until you see her in Mine.

To the young woman... Keep your purity, let your desire be Mine and I will give you the desire of your heart. Be holy, veiled, and set apart. Do not stir up love until it pleases Me. Keep your soul & keep your body... Keep your soul veiled by holiness and purity & let your body testify to it. Cover yourself so that you may not let a man trip in his heart because of the nakedness of the flesh, cover yourself so that your beauty may be kept pure. The woman is made with a great need for love, its beautiful but My daughters fail in allowing Me to meet that need for love. Your need can only be fulfilled when you allow Me to meet it first, because the love of man is imperfect. But when you have My love in your heart and you receive the love of man, the love of man is made perfect inside of you and that 'perfectness' is turned into respect which is what the man needs. This is the cycle of the covenant. Conform to it by staying in My shadow where you can grow as a beautiful flower in the soil of My love.

I look at the hearts of women and I see brokenness! You bring it upon

yourself because you do not keep yourself pure. Seek Me, let Me be your desire so that I can give you the desire of your heart. Let Me be your first love! Honour Me through holiness & purity.

Look after your beauty - soul, body & spirit and do not neglect it. Your body is a temple, a temple is a holy place so do not defile your temple by impurities.

This is My desire for the young men & women - submit under My desired will, which is a covenant where I AM your first love. Will the unmarried come to Me and keep yourself in Me until love pleases? Will you make a covenant of purity with Me and keep yourself soul body & spirit?

Remember My people, the body, soul & spirit are joined as one when you are intimate but every time you have a relationship with someone your soul is tied. Keep your soul from being bound to a lover until it pleases Me. In this way you will be whole & free to love the one I give you without any hurt or brokenness in you because when you are broken and hurt then your love will hurt because it will not be whole. Keep your love whole!

The second letter will be for the husbands and wives and My desires for marriage. I will take you step by step through the young men becoming a man worthy of his bride, the man becoming a leader husband worthy of respect and whole to love, and that leader husband to become a father blessed and entrusted with My gifts of life!

And the young women becoming a bride in purity and holiness, her leader's helper, a wife, and the wife becoming a mother, a womb to carry My gifts and to bring them up according to My ways and statutes.

I will reveal My will in all of these aspects. It is time for My people to start living the Kingdom life! A last thing I want to tell you is you have a choice today, if you have defiled yourself and have not kept yourself pure or in My will in all that I have revealed, you are not left condemned or hopeless, you are just left with a choice. Repent and turn from your wicked ways, turn back to My will and start living the Kingdom life now, today. Because these things I am revealing to you are My Kingdom principles, My ways...

To be continued... Shalom My little ones

CONTENTMENT: 16 March 2013

Contentment is something My people lack greatly...

Contentment is a form of peace, to be stable, satisfied, happy, at ease... Contentment brings forth stability, if you are not content there are lies throwing you off balance because the truth is what makes you content. Living in the truth brings forth contentment.

In contentment there is no envy, no conflict, no bitterness or resentment. Contentment is like a platform, or like a island in the sea. The enemy constantly wants to throw out your peace levels making you like the waters of the sea - unstable. You just have to climb onto that platform and get to that island of contentment and live there, because there you are at peace in Me despite of anything else!

Cut off the lies that want to steal your peace because they come from the enemy and the purpose is to make you unstable. Contentment is a form of maturity in Me... My people have to get to the point where it doesn't matter what life's circumstances are,

it doesn't matter where you are, what you do, what the people around you do, who you are with or anything else that determines your contentment levels. You can only truly be content inside of Me because I AM the only thing that is stable. Everything else is movable, uncertain and not permanent. Stop trying to get your contentment from anything in your life other than Me, because true contentment lives in your spirit and comes from My Spirit.

My people, will you ask Me and allow Me to show you what is throwing out the contentment level inside of you? So that you might be restored?

Let Me tell you a hiddenness (He whispered)... The seed that contentment grows out of is LOVE... It is because of the lack thereof that My people are looking to fill the need for it. Let Me just show you the right direction because you are looking to all kinds of other things because you feel unfulfilled - you are looking for love! I AM THEE, so come to Me all you who are thirsty and I will water the seeds of love inside of you so that you may grow and prosper in contentment. There is a reason why I said: And the greatest of these is love! You are unaware of your hunger and need for love, I put it inside of you to draw you to Me!

If you are discontent in a certain area of your life it means there is a lack of Me in that area because you have cast up an idol, a high thing to try and make the hole level and fill the space... By no means will you succeed or become at ease, at peace or content. It's nothing but Me and no one but Me!

I long that My people will bring their balance to Me because your balance is out and therefore you are so unstable in yourself.

Examine your heart, if you are constantly irritated, short tempered or snappy it means you are discontent,. If you where content you would have been constant, consistent and stable in the Godly character you are living in - 1 Corinthians 13:4-8

Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; does not behave rudely, does not seek its own, is not provoked, thinks no evil; does not rejoice in iniquity, but rejoices in the truth; bears all things, believes all things, hopes all things, endures all things. Love never fails.

This is the fruit of contentment in ME – LOVE

WALKING WITH GOD 1: ENOCH...

17 March 2013

Yeshua came to get me, we walked up golden stairs and He held my hand. I was in a purple dress and had long brown hair with a crown of purple flowers and pearls in my hair. Yeshua looked at me, smiled and ran His fingers through my hair. He touched my cheek and stood closer, He put His head next to mine and whispered in my ear: Come away with Me... I have been waiting for you, because there are many things I want to show you, many things I want to reveal to you. We came to the top of the stairs and there we met Abraham and I also saw Enoch, although I could not see him in detail.

You have learned a few things from Abraham, but now I want you to walk with Enoch because there are many things to learn from him. Enoch, Yeshua and I started walking in the garden, there were beautiful purple flowers everywhere, it was such a delight! There was

a sweet, sweet fragrance hanging in the air, Yeshua said that it was the presence of Sweet Beautiful Holy Spirit that was also present as we walked together. I was constantly aware of Abba watching over us from His throne although I could not see Him... There was dew in the garden and it came from Abba. There were pieces of gold falling down towards us, it was as if we walked under YHVH's throne. He is a consuming fire and His throne remained one solid piece of gold, but because of the fire, gold dripped from His throne in the form of crowns, scepters, keys, rings and boxes.

Zechariah 13:9

I will bring the one -third through the fire, Will refine them as silver is refined, And test them as gold is tested. They will call on My name, And I will answer them. I will say, 'This is My people'; And each one will say, 'The Lord is my God.'

Malachi 3:2-3

"But who can endure the day of His coming? And who can stand when He appears? For He is like a refiner's fire And like launderers' soap. He will sit as a refiner and a purifier of silver; He will purify the sons of Levi, And purge them as gold and silver, That they may offer to the Lord an offering in righteousness.

I AM coming for a remnant that has gone through My refining fire... If you have not embraced My refining fire that burns out all the idols in you, you have not allowed Me to purify you and therefore your heart is divided. If you have not allowed Me to burn you, sanctify and purify you, how will you be able to receive the fire of revival that you so desperately pray for? Going through the fire is not easy, it hurts and it is difficult but it is essential, if you resist My fire you will remain luke warm in other words double minded, you will have mixed seed inside of you and idols, high things that you exalt above Me. Embrace My fire, because My bride has a heart of gold and you do not get pure gold without putting it through the fire."

Then we went to swim in one of the pools. The water was like crystal. Indescribable, almost crispy, there was a lot of salt in the water and we floated on it. I was constantly aware of His nailed feet and I knew He wanted to speak to me about His feet. I just enjoyed Him, waited in expectation to hear what He was going

to share. I knew He could hear every one of my thoughts and He smiled at me. We were floating on our backs looking up at the sky. I became aware of Holy Spirit and how her beautiful sweet presence manifested this time. She was writing in the clouds to me, the most beautiful letters. It had rainbows inside. It were letters that Yeshua said come out of the Rock of Ages. "I never change you know, tell My people that many of them make a mistake when it comes to the shift between the old covenant and new covenant, I AM talking about what you call the old testament and new testament. My testament is of a covenant. It is not just a testament. Do you know what the testament is, I AM the testament that entitles you to My inheritance. Be very careful that you do not change Who I AM in all your sermons and teachings. I changed a lot of things, but I did not change, I AM the Rock of Ages.

Let Me explain to you how My law was birthed... My law was conceived to keep My people so that they may not turn from Me. The seed of the law is love, that love became principles and those principles became the law, designed to keep you inside of My will were you are safe. I did not come to abolish the law, because the law is conceived out of Who I AM, I came to save from the judgment of the law, I came to save you from death that the judgment brings. I turned the law from it's fruit being death to it's fruit being spirit and life. You see, I do not change although I did change many things... Just a warning for My people to remember. You are called for a life in the abundance and fullness of My presence... My law is like My house, so if you are looking for Me, you will find Me in My principles, it is My Kingdom. I AM the same God from the old covenant and the new covenant but many things did change."

Then He said: "Look at My feet, what do you see? I answered: "Yeshua they are clean and they have holes inside of them testifying to what you have done for us, when I look at your feet, I see obedience, I see that you went everywhere where our Father wanted You to go with those feet, Your feet are perfect, there are no feet like Your feet, Messiah!"

You bless Me with your wisdom. You are right, obedience is the lesson that I want you to learn from My feet... Look at the nails, can you see that every time you are obedient you will be pierced in your

flesh, every time you do what I ask you to, it cuts off more of self. Will you do that, will you walk around barefoot, vulnerable in your obedience to Me, no self-shoes because you walk on holy ground, will you walk with pierced, nailed feet because of obedience? Will you walk around with bleeding feet? The Blood is My blood purifying you and sanctifying you from all the worldliness, ungodliness, fleshliness, sin and iniquity of this world. With these feet of Mine I have laid out the steps for you to follow but you can only walk in them with feet like Mine... Are you willing? Because this path is not easy, it was not easy for anyone, it is not suppose to be easy, you are suppose to be humble and sometimes it is only difficulty that brings you to your knees, so I allow it.”

Then Enoch started to speak. He was quite a little man and he had a deep voice... Listen to what Beloved says because the people do not know how to walk with Him daily. Here are the key for you to go and give to the people... The room that has to be entered is intimacy with Him, the door is walking with Him, but the key is obeying Him. You see, our King is not very complicated, is He? If you want to be in an intimate relationship with Him and be in His presence, you have to walk with Him daily in obedience.

Let Me tell you about walking... How do you walk? You move your legs and put one foot in front of the other. Those steps are steps of obedience. Walking with God begins with being mindful of Him, you spend time with Him and stay mindful of the knowledge of Him everywhere you walk that day. When you become mindful of Him, you put your focus on Him and when you put your focus on Him, He becomes your destination because you automatically walk in His direction. In other words your daily life, behavior, attitude, mood, words, actions, your everything will begin to testify to Who you are walking to and Who you are walking for. It is steps of obedience as you start to conform to the knowledge of Him taking a step closer everyday as you learn more and grow in the knowledge of Who He is. The heart of a walk with YHVV is love and the two legs that you carry the heart with is humility and obedience!

I listened to what He told you about His law, He is so faithful in teaching you. It is very true, walking with Him means walking His way, there is no other way of walking His way than conforming to His

WAYS. Walking with Him means you are in a love relationship with Him, it means you go where He goes, say what He says, do what He does, you move only when He moves.

Most people's problems are either that they run out ahead of Him, taking things in their own hands, thinking they know the way and then they move and make choices without Him saying so or they continue to look and go back to where they came from because they keep staring at the unknown ahead, or their load is too heavy so they get worn out easily. This is a walk of faith, you only walk with Beloved by keeping your eyes fixed on Him, there is NO other way. People should stop moping and grumbling, even though you do not always do it out loud, you only have to think it in your heart, Yeshua hears it. Stop the self pity, because you pity yourself that you are not yet on "that one's" level. It is not about that, stop looking around because you would be ashamed of yourself if you realize how much Beloved despises of it. Just keep your eyes on Him!

Walk with Him daily, because a walk with Him leads to life, Yeshua will take you places where He will show you things, hidden mysteries, He will give you a hope and a future, He will lead you and guide you and make your way prosperous as you take every step with Him...

WALKING WITH GOD 2: THE ROCK OF AGES 18 March 2013

I want to continue teaching you about walking with Me... When you walk with Me, it means that the Rock of Ages is the foundation under your feet. Do you remember the time we walked on the sea of Galilee and the Rock appeared under your feet? I want to tell you about the Rock of Ages, it is I AM!" I saw the Rock and there were engravings on it, it looked so ancient, I stood a little closer because I heard something coming out of the Rock, then I heard the Rock had a heartbeat but it was the voice of God coming out of it. The heart of the Rock of Ages is Truth. Then I saw that the Rock had dust and dirt on it. It troubled Yeshua, because don't you know how valuable this Rock is! The wind of Holy Spirit came and blew off all the dirt and dust, Yeshua said: "This is what will happen in this last hour, the wind is revival, there will be revival and My people will return to the Rock of Ages because this is the Rock upon which My church is built. My people have a wrong perception of what church is, it is not a building, it is not an institution, it is not a religious gathering place. The church is suppose to be those who worship Me in Spirit and in Truth, there is only one church because there is only one Bride, because there is only One Spirit. Look around you, what do you see, because what I see is division, I see many different churches, denominations, many different beliefs, many different teachings. This should show you that you are operating under the wrong spirit and that is the spirit of the antichrist, the false spirit.

I am coming for My church, My church is One body, My church worships Me in Spirit and in Truth, My church lives on the Rock of Ages, the truth of My words, My church has been baptized unto death, My church keeps My holy days, My church has a pure humble

heart that stays in and keeps My love law through covenant. There are no different teachings and no different beliefs because I AM One Spirit and One Truth!

The Rock of Ages is Who I AM, I have never changed, My ways are always the same. This Rock of Truth is what My house, that is My Kingdom, is built upon. In these last days I will shake everything. My church will continue to prosper and she will continue to stand and will not be moved because of My principles and My ways. I AM is her foundation and I never change! If you do not live in the Rock of Ages according to My principles, My ways and My laws you will fall because then you have lived in satan's kingdom. Make no mistake, everything that is not My Kingdom comes from satan, if you are not following Me in Spirit and in Truth you are following satan.

Just look around you, look at the fruit of your churches, you will know whether it is My Spirit or the spirit of the antichrist, by looking at the fruit. I AM peace, I AM gentle, I AM Truth, I AM! If there is ungodly fruit you are not operating under My Spirit.

I will tear the church, that is not My church, operating under My Spirit, apart because I AM the Rock of Ages. I will shake you until you fall, because when you fall you can return to Me because I AM love and that is what I want. I want the churches to become My church, I want My people to return to the Rock of ages that live on My heartbeat, the truth! The churches have been deceived by not living upon the truth that I AM anymore! Return to the Truth of the ages!

Run with the message, many will not listen, but let those who have ears hear what the Rock of Ages is crying...

NAMES OF GOD: 24 March 2013

“You are sealed on your head with the authority to go in My name.” I was standing in heaven and the name that was written on My head was I AM, but there were 3 names. I AM was the only one I could understand. My name Sarah, I AM Who I AM!” He showed me His new name in His hand but it is not yet revealed. “My name is power, because I AM is behind it. My name is not a few letters, the letters of My name is irrelevant, whether you call Me Jesus or whether you call Me Yeshua, whether you call Me YHWH or whether you call Me God, the power is not in the letters but it is in I AM, hidden behind them. Call on My Name and you shall be heard, because I AM and I AM sees the heart, I know when you call Me. You know when mommy calls you by your sisters name, you still know she is talking to you because she is looking at you. Sometimes it is the same with Me. I have many different Names, there are some I prefer, because there are a few names that I share with others and that I do not like because there is only One and that is I AM. For example god and Jesus. I will still hear when you call Me that and I will answer you, but I do not prefer those names because I AM.

I love My children, I love My people, I love you all with a great, great love, My ones, I AM so excited over you, My heart is burning with love for My people because you were chosen and created inside of My perfect will where you exist. Keep yourself holy, be holy for I AM holy, stay pure and keep your garments clean in this time because defilement is increasing, wickedness is increasing and the

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

I sat on my bed and Yeshua came to get me and instantly we stood in Israel outside of a house. He stood next to me and said He has been waiting for this moment all day. I knew where we were going because He told me that morning... The upper room! The next moment we were inside, there was a table and the 12 disciples

sat around the table. It was a feast, Yeshua walked with me and showed me where I was to sit. I wanted to sit closer to Him, but decided to behave myself in front of all the disciples. Peter caught my eye, he was quite something and John as well. They had this great, great love for Yeshua and you could see it. Judas Iscariot was also there. We all sat there and we ate with our hands. There was lamb's meat, bread and wine. Yeshua continually looked at me to check if I was happy and if I had everything I wanted. I was talking to Peter because he sat next to me, we were talking about fire, about revival, about people's need for YHVH. Sarah, give people the truth and show them Yeshua's love because that is what will save and that is what will draw the people to Him. You can never ever lead a person to Adonai, it is only the work of Ruach, Ruach Hakodesh is the only One who can lead a person to the Savior. You can never try to approach a person without being in the anointing of the Spirit of Elohim. You can only be available for Him to use the words of your testimony. The Spirit is like a collector, the Spirit gathers the people unto YHVH!

The lamb was out of this world, literally! I truly didn't know lamb could taste like that. It was perfect. I heard Yeshua's voice in my right ear saying: "Just like Me" but He was still sitting at the table, smiling at me although I heard Him in my right ear. I decided that I could not take it anymore and I stood up. There was a woman in the kitchen, she prepared all the food and she looked after us so beautifully. She brought me some oil, it was exactly what I wanted to ask from her, but she knew without me even asking. I walked right up to Yeshua. His face, the way He looked at me and the disciples left me undone. There are no words to describe the love that flows out of Him. I stood in front of Him and bowed down at His feet. He had brown leather sandals on His feet and I took them off. Everything was so very, very real. At this point I saw Him as a man, I could see Him very, very clearly and in detail. I had long brown hair, I started to anoint His feet, taking my hair and anointing His feet with the oil. Everyone looked at us, there are no words to describe that moment. I then stood up and went to sit on His lap and finally I sat where I wanted to. On the table was bread and wine. Yeshua held up the cup and the bread in His hand, He blessed it and said: "This is My

new covenant that I make with you... He continued to speak, but at the same time He spoke and we ate the bread, I saw the lamb, the perfect lamb without blemish being slaughtered and the blood put on the doorposts. The blood dripped off the sides of the doors and the people stayed inside. He passed over and the plague did not come against them. I was the perfect Lamb who was sacrificed for your atonement. It was My honour... Because of My Blood you have life, because of My Blood you are saved from judgment and from death. It is because of Me, only because of Me! I was still sitting on His lap, I finished eating the piece of bread and drinking the wine and I turned around looking at Yeshua, straight into His eyes and I kissed Him on His cheek and played with His hair, we all started to laugh, Yeshua has the most beautiful laugh, it is so pure, listening to Him laughing is like listening to the most beautiful music. There was so much joy inside of the room because of Who He is and because of what He has done. It was as if I was there 2000 years ago but Yeshua had already completed it. He whispered into my ear something in Hebrew, I understood He said Blessed Pesach, all of us actually spoke Hebrew, even when Peter was talking to me, but I could understand it and also talked back in Hebrew.

There were so many more things I felt in the spirit He wanted to say, but He withheld it, because He said He just wanted me to be with Him, enjoy Him and share this time with Him. I will tell you at a later stage, soon... There are many things I will tell you, soon I will also give you the next letter about My order. I am very passionate about My order, it is crucial. Without My structure, many things fall apart. I enjoyed this time with you more that you will ever know. Tell My people, you do not always see Me or feel Me but I am there, always. I am continually looking at you and waiting for you to spend time with Me. Please My people spend more time with Me that you may know Me more, I long for you, I am waiting for you to run into My arms. It was very interesting, while I was sitting around the table and I looked at the disciples I saw for example Peter standing on a Rock (Matthew 16:18) and when I looked at John I saw him laying against Yeshua's chest, (John 13:25) and when I looked at Judas I saw 30 pieces of silver (Matthew 15:26).

Matthew 26:17-20, 26-29 NKJV

Now on the first day of the Feast of Unleavened Bread the disciples came to Jesus, saying to Him, "Where do You want us to prepare for You to eat the Passover?" And He said, "Go into the city to a certain man, and say to him, 'The Teacher says, "My time is at hand; I will keep the Passover at your house with My disciples." So the disciples did as Jesus had directed them; and they prepared the Passover. When evening had come, He sat down with the twelve. And as they were eating, Jesus took bread, blessed and broke it, and gave it to the disciples and said, "Take, eat; this is My body." Then He took the cup, and gave thanks, and gave it to them, saying, "Drink from it, all of you. For this is My blood of the new covenant, which is shed for many for the remission of sins. But I say to you, I will not drink of this fruit of the vine from now on until that day when I drink it new with you in My Father's kingdom."

1 Corinthians 5:7-8 NKJV

Therefore purge out the old leaven, that you may be a new lump, since you truly are unleavened. For indeed Christ, our Passover, was sacrificed for us. Therefore let us keep the feast, not with old leaven, nor with the leaven of malice and wickedness, but with the unleavened bread of sincerity and truth.

1 Peter 1:18-19 NKJV

knowing that you were not redeemed with corruptible things, like silver or gold, from your aimless conduct received by tradition from your fathers, but with the precious blood of Christ, as of a lamb without blemish and without spot.

BLESSED PESACH IN THE NAME OF OUR LAMB, THROUGH HIS BLOOD WE ARE REDEEMED

SIGNS OF THE TIMES: 14 April 2013

Sunday night while sitting on my bed, Holy Spirit led me to do something prophetic, it was something that I had to let go of and put on His altar... Immediately when I gave it over to Him I felt a release, like something snapped off of me, I was flooded with peace and I couldn't help but cry because of the beauty of surrender...

I saw I had white eagles wings, my spirit flew out of me, I kept on flying higher until Yeshua caught me in His hand. Then I went into a room, (a previous time we came before the door, but it wasn't time to enter yet)...

The inside of the room had golden walls. We stood before many, many very big, what looked like flat screens. Images were playing on it, like a film. I recognized it and it was the book of Daniel and Revelations...

There was a table in the middle of the room and Yeshua said: "Come My love, I want to show you something specific." There were scrolls on the table, I heard the words and He spoke very loudly: "Signs of the Times!"

One of those screens appeared before me and I saw a full moon, the moon turned blood red, then it turned normal again, red again and normal again (Blood moons). He put His finger on Israel, pointing to Israel... "Sarah, look at the signs of the times, I AM shouting through the signs, I AM sounding every possible alarm. Who will awaken and see- I AM COMING!

He stretched out His hand and took me higher, almost like we were in a new dimension... There were things moving, difficult to explain, they looked almost like wrapped up packages, then I realized they look more like really, really big bullets, that were fired in the earth's direction...

I asked Yeshua what it was and He said that it is His judgment and destruction against the earth, He said I should look inside of it... I did and in the one I saw a really big tsunami, in another I saw heavy floods, in another – earthquakes, I saw power outages, really bad storms... they were all going in the earth's direction, the one after the other and they were almost moving faster, hitting the earth like bombs.

Then I saw a really big table, it had different sections. In the middle of the table the words – One New World Order – was written. At that point I saw mother Mary and many Catholics, I also saw the pope.

Then I saw what the Anti-Christ looks like in the spirit, a 'handsome', young man, looked like the devil when he manifests as a man, very friendly and welcoming, kind, he draws people to him, I looked at him standing there and he had this peace surrounding him, but it was as false as it could be, but the people did not see it, he deceived them. The Anti-Christ was sitting at the head of the table... One by one the world leaders came to sit at the table until it was full. I saw money literally melting together.

I also saw the rebuilding of Solomon's temple, and heard the words: "Soon." I saw people walking around everywhere with the mark of the beast on their foreheads or right hand, people who didn't have it had to hide.

I saw a long snake slither around the earth and the next moment it stood up and I saw its fangs. Yeshua said that the snake's one fang was deception and the other fang was the anti-Christ. "Satan will be in control of the earth soon.

There will be a nuclear war, nation will turn against nation."

I watched on a screen again and I saw 2 women standing in a field, the one woman gets taken and the other one gets left behind... Just after it happened the other woman realized exactly what happened (the rapture) and she started to scream at the top of her lungs and she pulled out the hair on her head.

I saw empty baby prams, beds, chairs, cars and Yeshua said: "It will happen at the sounding of the trumpet, the shout of the Archangel." While the trumpet sounded and I heard the shout, the bride immediately heard and her spirit replied, she was raptured away to where her Bridegroom awaits her.

"Sarah at this very moment My oil is flowing out of My Spirit into everyone that holds out their vessels, to everyone who is willing to receive extra oil.

Please, please My people, let Sarah teach you about the extra oil, it is the salvation of the soul. Please, without the extra oil you are not prepared."

I see golden oil streaming out of His heart, many people do realize their extra vessels are empty there is not a drop of His oil inside but it is filled with self.

I see people that are desperate and they do receive and become filled but I see a lot of people sleeping, it is a deep sleep.

I see a bright light going on in the room where they are sleeping, the room is light- He is revealing His truth through the mouth of those who are willing to stand up and speak, that what He puts in their mouth, that way He is shining His light in their darkness because He wants to awaken them.

But they remain in darkness because their eye lids stay closed. "You will have no one to blame, not even your spiritual leader. Again I tell you, the red cord is still hanging out, you are in a short delay of pure grace, embrace My grace and use every second you have watching and praying that you are not deceived.

KEEP your garments, cleansed and wash yourself. Wash your mind in the water of My Word... purify your heart and your hands, for those who have pure hearts and pure hands will see Me. Time is running out very ,very quickly, tell them Sarah what you see!!" He was very concerned, desperate and serious!

I saw a really big clock, the hand of the clock was a trumpet, the center of the clock from where the hand comes was a cup (filled with the sin and rebellion of the people), the fuller the cup gets, the faster the time goes by, the faster the trumpet ticks. The cup was so full to overflowing that the clock was almost full. Yeshua says at 12'0 clock the trumpet will sound...

When the trumpet sounds the clock will fall on the earth, “My judgment and destruction will come upon the earth like never before. Sodom and Gomorrah was nothing compared to what is coming.

I AM furious with anger against this self-centered world that has forgotten the most important thing... LIFE IS ABOUT ME! Life comes from Me, I AM Life and I blew it into your nostrils, death is also in My hand, I came so that everyone can have Life but if you do not give your life back to Me you are dead, because I can no longer save you.

I saw Yeshua standing ready, before Him there were a row of end time angels. They were created for this purpose and have done nothing up to now. They are the angels who will carry His wrath to the earth. They were positioned and they held their commands. Everyone was standing and looking at the clock. Listening to when Abba’s heart says: The time has come, My grace, I have held out as a free gift long enough, I will not allow another generation.

On the one side of Yeshua the end time angels were positioned and at His other side His end time messengers and end time prophets were positioned.

Some of them had doves wings and some of them had eagles wings (dove- messenger, eagle- prophet).

All of them had piercing turquoise eyes. Everyone of them had a golden bucket with engravings around it, the engravings was their commands from YHVH. They also had a golden pen and the ink was golden oil.

They are very specific people (chosen). I saw almost like yellow around them and Yeshua said that they carry His glory.

I saw something that was very, very beautiful. Every single one of those people were born with a mark on their foreheads.

It is the kiss of God, I literally saw him walking around in a room where babies where waiting (spirit, not yet male or female). These babies had a specific seed, He kept them aside till the end, because they were for the last days. He walked around in the room and separated them from the others because He chose them, He bowed down and kissed them on their foreheads leaving His mark on their heads- THE NAME OF I AM!! His kiss was I AM, it cannot be wiped

away, His lips engraved it in silver and gold.

They carry His Name, they are the end time prophets and messengers who goes out before Him to prepare the way for His second coming.

While I looked at them I saw them with pure white garments but they literally dripped with blood.

Their robes dripped with His blood and Yeshua said: "They live in My Blood, they know the power in My Blood, they know that they are dead without it, that is why they are able to be so close with Me, because they apply My Blood, because they receive and USE the weapons I have freely given all!"

The door through which these people came in, into that place where they stood was Joel 2... Those people received messages from Yeshua, they were very focused, they had to be because those are the ones the enemy wants to kill, I could see it, the enemy hates them.

They received a message and released it, received it and released it, to some He even said the people will not hear because they are rebellious but tell them anyway. "Woe to those who do not give heed to the warnings and messages of My prophets and messengers, Woe to those who throw a stone in their direction."

I then saw the sun very close up, it became very irritated and looked like it was spitting. It was almost like there were explosions on the sun.

I was standing there listening to what Messiah told me, looking at everything I saw before me so that I could write everything down. The next moment there was a tremendous noise and something happened, it was almost as if the heavens was shaken like an earthquake, I cannot explain what happened but it was SO sudden.

I asked Yeshua, what just happened?? He spoke to me very clearly and directly and He looked Me straight in the eye and said: "My daughter, when the trumpet strikes 12 there will not be time to warn My messengers and prophets for the last time, there will not be a final call just before I gather you unto Me, My love, hear My words (He looked at me with tears streaming down His face) this is My final warning, this is My final cry, this is My final call for repentance and obedience (this is the season of YHVH's final

warnings that He is sending out through His end time prophets and messengers).

My love, I will not be able to tell you just before I come to get you because then you will already be with Me, that is how sudden it will be. That is why I AM telling you now, any second now My Father can decide, Sarah I tell you, I KNOW MY FATHERS HEART, I know so I AM telling you prepare yourself, it will be sudden. You will never go out with a message that says I say I am coming now because then you will already be with Me.

I tell you again, just to make sure that My people hear My words, THIS IS MY FINAL CALLS!”

Yeshua was crying the whole time, it was definitely the most I have seen Him cry. When I looked into His beautiful blue eyes I saw people drowning in the flood. Sarah, I know, I know every name, I created every face, I breathed into every single ones nostrils, I know who is not part of My bride, and know every single one of My people whom I love and who love Me and accept Me, but not all will be able to celebrate and enjoy our Marriage feast, because of religion.

Sarah, not everyone is My bride, not everyone is in a relationship with Me. It will be like the days of Noah, you can claim to know Me, but I know who knows Me. I do not want you to DO (religious good works) things in My Name, I want you to carry My Name. When I look at you and ask you:” Do you know Me?

“Your words and your works will not be My answer, but the condition and the attitudes of your heart will be My answer. What is your heart filled with, is it filled with self, or is it filled with Me? I AM Love, but when I give you conditions, there are reasons for it, when I ask you to do things it is because it is crucial, because it is what will enable you to receive what I burn to give you.

I will not give it to you because I pity you, or because you are sorry you didn’t listen. Because I love you I am telling you now so that you can repent and walk in obedience. Relationship!”

His tears fell into a bucket, there were so many buckets filled with His tears that there was a river. I stood inside the really wide river of the tears of my Messiah and all I could say was, I love You! His face became radiant and He smiled.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Sarah, My love... What a delight it is to have you here at My feet this morning, seeking My heart. Continue in this way, nations will hear of what happens in this room in this night watches... Teach My people to wait on Me. They do not understand what it means.

70

My people, the position for waiting is not always complete silence. I do not expect of you to sit without a thought in total silence, I did not make you that way, HOWEVER I do ask you to make time for ME to speak to you. The silence I desire, you do not fully understand. I do not want you to sit and think of nothing because the serpent will glory in it. He will bring all kinds of things to mind, you will fall and condemnation will follow.

What I however ask is that you SILENCE your soulish mind, waiting on Me is about silencing the voice of your soul and turning up the volume of the thoughts of the mind of Christ in your spirit, which is My voice. What I ask of you is to set your mind on things above, the things of the spirit and not carnal things.

I gave you a very, very powerful tool to help you with this difficult task because I know the soul of man, I know the thoughts of your heart, your soul finds it difficult to focus on Me while your spirit is gazing upon Me continually. My people My Word is your powerful weapon, it is sharper than any two edged sword, it cuts between your soul and spirit, it discerns between the thoughts and intents of your heart. You see My little ones, waiting on Me is about learning to discern between the soul and the spirit, between your thoughts and My thoughts. That is one of the reasons why I gave you My Book, I love My book, it is My written heart, you can hear My heart beat in it if you listen with your spirit.

My people, while you wait on Me, take My book and meditate on it, it will renew your mind and you will start to become stronger. Here is another Scripture for you that I know Sarah, My love, adores. I watch her every time she reads it and she smiles.

Apply this when you wait on Me... Lay aside all filthiness and overflow of wickedness (fleshly thoughts that overflows your soul) that you may receive with meekness (laying aside filthiness and wickedness means you are empty, this is what meekness and humility is, being empty of self but filled with My Ruach) My IMPLANTED WORD which is able to save your soul!! (My Word is planted in you and saves your soul as you start to allow it to take root, it will overgrow and eventually uproot all the wrong trees in you that I taught Sarah all about.

My little loves, I do not desire for you to struggle, I desire for you

to draw near to Me for I love to draw near to you. Waiting on Me is not a comfortable place for your soul, because it has to take second place like it was suppose to in the first place, but self wanted to exalt itself above Me in you, so now until I come again which is soon, you will battle against your soul for it to take in its rightful position. Give heed to your alignment My people, because if you struggle to spend time with Me because you feel blocked your alignment is out. Tell them what you see Sarah.” I see Abba’s throne, I stand before Him there is a bridge like a ramp from me unto His lap, I want to run to Him and sit with Him but I see that the bridge is totally out of alignment. He says this is what man looks like- 1) soul, 2) body 3) spirit.

“This is wrong alignment, you cannot come so close to Me with this alignment because you see, self exalts itself above Me. You are ruled by your soul, you live a soulish life guided by the mind, will, emotions and desires. I want your body and your soul to be submitted under your spirit, because I AM on the throne of your spirit, then your alignment is in order and you will hear My voice and you are able to be intimate with Me because your soul does not block. Sarah I know even before the thoughts comes to mind, I know that My people are going to ask, but how do I get my alignment in order? I will answer you with one of the words I hold closest to My heart, this is My word, I own it, complete change are hidden inside it, it bring’s death to life...My people, My word and My answer, My heart and My cry is..... REPENT!

I did and immediately my alignment came in order and I ran to Him.

Zephaniah 3:8-13 wait for Me! Those who wait on Me seek righteousness, humility, meekness, I WILL hide them in My day of judgment, those who wait, I will keep safe. Wait on Me and I will renew your strength, you will mount up with wings like eagles, you will run and not grow weary, you will walk and not faint. Waiting on Me is a principle and a principle is a bridge the you cross over into My Kingdom. Follow the principle and the result will be a Kingdom life!

Shalom My little ones

BREAKING THE SPIRIT OF RELIGION: 6 June 2013

I asked Yeshua what was on His heart... He answered me and He said: "Help My people."

I asked Him how and He started to speak to me about the religious spirit and how it is operating among His people.

“The message I send you out with is for this last hour. It is the message about the transition from religion to relationship, from being lukewarm to being on fire and living in My Kingdom, from calling Me your Master to knowing Me as your Husband (typifying a love relationship as that of a Bride and a Bridegroom). This message is the heartbeat of the Bridegroom. I AM not coming for those who are in religion because those who are in religion claim to love Me, but their love for Me is lukewarm. It does not move them to live in My Kingdom, to obey My principles, to lay down their lives and pick up their crosses and die to self. It only moves them to accept

My free gift of life, it moves them to claim everything I want to give them but they do not walk in a relationship with Me where they give of themselves. My people, relationship is not a one way road, it is a dance of love, I lead and you move with Me, you follow, taking steps of obedience on the rhythm of My heartbeat. If you listen to the heart of the Bridegroom, it will move you to dance with Me. My heart beats relationship, My heart beats for more of you, My heart does not beat for you to only 'serve' Me as a Master. I want love slaves, who stay with Me by choice, who LOVE Me! My heart beats for your everything because I gave you My everything!

In the religious spirit you hear a lot of things about Me and you have a lot of knowledge, your lips are swift but the reality is that your heart is far from Me and you are in the grip of the religious spirit. My people live double lives under the veil of Christianity. My people think they are 'Christians' but it means nothing to Me if you are not in a relationship with Me. I love My people unto My own death but most do not love unto their own death, death to self. Love is self-sacrificing so if you love Me you will obey Me.

The religious spirit is a wrong focus, it moves around Me, but it's focus is not on ME! This spirit has a voice of condemnation. This spirit keeps you out of the Holy of Holies. It wants to keep you in the inner court (soul dimension).

The spirit of religion is connected with the spirit of perfectionism, spirit of fear, and a false self control. This spirit is one of satan's biggest tactics to hook My people and keep them out of My presence.

This spirit makes its home there where there are wrong belief systems and misconceptions about My Word and also where there are wounds of rejection.

The spirit of religion is a strongman and a principality. It keeps your focus on what you are not, it never gives you rest because you are never spotless enough to go into My presence. There is no peace and no love and no grace in the religious spirit. It is critical towards its victims and those around it. This spirit drives you to focus on doing things so that I can love you instead of sitting at My feet, being in My presence and seeing that you cannot DO anything to make Me love you more. You cannot DO anything to deserve

to come into My presence. It is not because of who you are but because of who I AM and not because of what you do but because of what I did!

The religious spirit manifests in 2 different ways. The one may replace My grace with works and fall into law without even knowing it. While the other misuses My grace completely. This is rooted in a wrong belief system that twists my grace into lawlessness.

You either become a judge, judging yourself, being hard on yourself (and or others), driving yourself to perform, all hidden under good intentions or you fall to the other side, becoming lawless, passive and inactive in the spirit.

Both kills the intimacy of a relationship with Me because the one looks to himself and tries to perfect himself by “the works of their hands” not relying on My grace to transform them and the other sits back and does nothing but sleep in false grace, being passive and ignorant.

This ignorance claims that I have died for all the sins that you have committed and all the sins you will commit in the future.

You see, this spirit is a wrong belief system because it is not the full truth, there is more to a relationship with Me. The enemy takes the truth and twists it so that you may be deceived. Do you see that either way the enemy keeps you outside of My fullness. This half truth becomes your ticket to retirement, you sit back and become inactive in the spirit in the state of claiming to know Me, but actually only knowing many things about Me.

The religious spirit many times tries to reject the truth about curses and about spiritual warfare. The religious spirit keeps you in a lukewarm state and is against repentance, the spirit of religion does not want you to truly repent.

My truth can only be words to you if it is not made alive IN you by Holy Spirit! You see the religious spirit rejects the flow of My Spirit. It kills My spirit in You, it makes you insensitive and deaf, blind in the spirit. You believe in Me, but you may struggle to hear My voice, experience My presence and be changed in My love, you may struggle when you worship Me, to enter into My presence, because the spirit of religion blocks your way in, it sucks the Zoe life out of you. When you look through My eyes you will be shocked

to see how many 'Christians' have dead religion in their heart but on the outside they look 'spiritual', they attend all the events, are always there to help etc. You can be good but not be in an INTIMATE relationship with Me. The reality is that without intimacy with Me, you are in religion.

My people I do not want you to be a 'soul Christian'. I want you to live out of your spirit where you can hear My voice and walk in obedience. The religious spirit makes you unable to do this, it keeps you a 'soul Christian' instead of a spirit Bride! It limits you... there is so much more waiting for you, My people, it's time to break free from the religious spirit.

I became the cure for that too. Let Me tell you how to break through this. All around the world and especially in South Africa people are in its claws! Go and tell My people, because it is keeping My Bride unprepared and in a lukewarm state of deception. It is time for My people to break free from the spirit of religion. I AM not coming for a dead church, be careful that you are not busy with dead works because where the spirit of religion is involved there are fruits of dead religion. Ask Me to shine My light in your heart, ask Me to show you whether you have a spirit of religion. Please take this message to My people because many struggle but they do not think that they have a spirit of religion.

I AM calling My people higher, will you come away with Me for real? Please don't be satisfied with what you have, you need more... deep is calling out to deep, I AM calling out to you, will you break free and REALLY come to Me? My arms are wide open...

DELIVERANCE PRAYER/ PETITION

Father God, You are the Judge of the universe, You are I AM, the God of Abraham, Isaac and Jacob. Through Your Son, the perfect Lamb as my Advocate, I _____ boldly come before Your throne under the covering of the precious and powerful blood of Yeshua.

It is on grounds of this Blood Covenant that I present my petition before You in the Heavenly Courtroom, I bring my case before You and petition for Your deliverance.

I repent of having succumbed to my Accuser - Satan's tactics to hook and deceive me and keep me away from Your presence by allowing the religious spirit, spirit of perfectionism and the spirit of fear a place

in the gates of my city.

I repent of operating out of false self control and I repent of wrong belief systems towards Your grace (Ask Him to reveal to you the wrong beliefs).

I repent of misusing and misunderstanding Your Grace in any way.

My petition is that You will sever any cords with the religious spirit in my life. (Ask Him to show you the door through which the spirit of religion had legal ground to enter and bring it before Yeshua, invite Him in and ask Him to heal the hurts, resolve the issues or meet the needs to which this spirit has hooked itself. Declare that part of your heart sealed of by the Blood of the Lamb. It's in ABBA's hands, the enemy has no legal right anymore. It is very important to deal with this part of the deliverance. Lock that door through which the enemy has entered with the love lock by speaking Scriptures of Christ's love into the revealed area [open door - unmet needs, unresolved issues, unhealed hurts]).

Father I ask You to cut, crash, smash and destroy the cords of the religious spirit in my life.

Cut its cords of fear – I declare that I have not received a spirit of bondage to fear but I have received a Spirit of adoption by which I cry out to Abba Father! I have not received a spirit of fear, but of power of love and of a sound mind.

I repent Father for allowing this fear inside of me. I believe that Your perfect love is casting out the spirit of fear and the spirit of perfectionism right now, in the Name of I AM, the God of Abraham, Isaac and Jacob through Your Blood.

I pray that You will shine the light of Your truth in my life and that it will expose all the works of the wicked one.

Crash, smash and destroy the cords of perfectionism, rooted in the spirit of religion in Your Name.

I petition that Your Spirit will bind the spirit of religion, the spirit of perfectionism and the spirit of fear and cast it into Your fire.

Spirit of religion, spirit of fear, spirit of perfectionism, I speak to you through the Blood of the Lamb, I cut your cords by the truth of YHVH's Word.

I rebuke and renounce you, you have no place in my life. Fear, perfectionism and spiritual deaf and dumbness that have operated

in my life, I bring it before You and ask You to nail it to Your cross, so that it can become one in Your death. Be thrown into the fire of God. You belong under the feet of the King of Kings.

Father I bring every lie, every false truth, every deception and every wrong belief system that is linked to the spirit of religion into Your Light and I bind them to the truth of Your Word.

I loose those wrong belief systems in Your Name. (Continue to do this as Holy Spirit renews your mind in a process of taking your thoughts captive in obedience). I bring all the wrong thought patterns of fear to You and ask that You cut those branches with the Sword of Your Spirit, with Your living and powerful Word. I pray that my mind will abide in the mind of Christ that my thoughts may be renewed and rooted in truth. I pray that the wrong beliefs about Your grace will be torn down and replaced with the truth about Your undeserved grace leading me in a covenant relationship with You through Your 7 Spirits (Isaiah 11:2, Revelations 4:5). Abba, I petition before You in the Supreme Heavenly Courtroom, for a divorce with the spirit of religion, no longer do I want to partake in its deception, keeping me from Your presence, keeping me lukewarm, keeping me from entering Your Holy of Holies, keeping me from an INTIMATE love relationship with You .

YHVH, Most High God, I believe that You have now delivered me from the spirit of religion and I believe that You cut the cords of fear and perfectionism, a false grace belief system, ignorance and lawlessness, judgment and criticism.

Now I ask You, Holy Spirit, to come and occupy its space. I ask You for a fresh infilling with the fullness of the seven Spirits of YHVH – the Spirit of YHVH, the Spirit of Wisdom and understanding, council and might, knowledge and the fear of YHVH to strengthen the cords of love and truth, that flows forth from Your Spirit into my spirit. Guard, keep and protect me from this spirit of religion in my life. I thank You that the door into the Holy of Holies is wide open for me to enter in, because of the Blood of the Lamb I can enter. I thank You for Your truth about Your grace and repentance that is the way for me to enter into Your Holy of Holies.

Please restore me, refresh, revive and renew me. I want to grow in my walk with You. Holy Spirit I allow You to freely move in me,

change me and transform me into Your desired will.

I now take Your hand, as I am no longer bound by religion but I am free to be in a LOVE RELATIONSHIP with You, where I rest in You and in your perfect salvation, redemption and deliverance, forgiveness and grace and as it creates a spirit of repentance in me, walking with You in love, with feet that walk in humility and obedience and a heart that is quick to go on my knees, repent and turn from my wicked ways.

Father I bring my spiritual senses before you, my spiritual eyes, ears, smell, taste and touch. I ask you to sanctify my spiritual senses through the blood of the Lamb so that the spirit of religion may not block or prevent me from hearing your voice or clog up my spiritual senses from experiencing You in the spirit. I put my spiritual senses in Your hands and I ask you to seal it off with Your Blood.

I ask You, Holy Spirit, to be in control of my senses and train me so that I can operate in the spirit and not in the flesh. Father, You have revealed that the spirit of religion sucked the Zoe life, the spirit life out of me and that it was like a block between my soul and spirit, keeping me to where I only live a soul life where I take the things of Your kingdom and try to understand it in my natural mind. I repent thereof, I repent of natural reasoning and I ask You to help me to understand, through Holy Spirit, the Spirit of understanding, the things of Your Kingdom.

Take me deeper, take me deeper, take me into You Holy of Holies where I can live a life out of my spirit where I can come before You spirit to Spirit and not approach You out of my carnality or try to understand the things of the spirit with my natural mind.

I declare Father that no longer do I want religion to operate in me, no longer do I want it to stand between us, no longer do I want it to deceive me to being satisfied with what I have now, but I want Holy Spirit to give me a greater hunger and need for you, more than what I have now. I am not satisfied; I need and want more of You in me. I ask you to restore my spiritual senses and to restore our cords of love.

Father I acknowledge that You have created us, you have created man to be in an intimate LOVE relationship with You.

I want to be in a covenant relationship with You where I not only

receive what You have given me - Your free gift of life, but I also give myself to You and I give of myself.

I want to lay myself down at Your feet, willing to take up my cross in obedience because I acknowledge that obedience is how I walk in a love relationship with You. I acknowledge that obedience is the key to a love relationship with You because You said that if we love You, we will obey You.

I give You my willingness to obey, to be a love slave, to give my obedience by choice, because I love You.

Take me in now, into Your presence. Into Your Holy place, this time not trying to enter like Martha but like Mary. I just want to sit at Your feet and in Your presence worshiping you in spirit and in truth. Seal me off, please with Your Blood and I ask for Your angels to protect me. Hide me in the shadow of Your presence.

Abba Father I take this key of Mary today that unlocks an intimate love relationship with You.

LIKE IN THE DAYS OF NOAH (SERPENT'S CODE IN OUR DNA): 7 June 2013

Come with Me, I want to show you something.”

I saw a picture of a woman, Yeshua said that she is the harlot bride. On the one side I saw this woman and she was pregnant and on the other side a saw a Bride dressed in white. “Look, it is the harlot and the Bride. I AM preparing My bride and satan is preparing his harlot bride in her fornication.”

The harlot was programmed because of what was in her blood. Her blood was like a scroll and abominations were written on it. “Go and tell My people that the last days will be like the days of Noah, satan is defiling My people’s DNA with the seed of his kingdom, the seed of self and pride and it is turning you into the harlot of revelations. I tell you, the last days will be like the days of Noah.

I will start speaking to you in detail about how I want My Bride to prepare herself by cleansing her DNA through repentance and through petitioning in My heavenly courtroom.”

I saw satan walking around among Christians together with his demons, it reminded me of the Scripture in Abba’s Book that says the devil walks around like a roaring lion, seeking whom he may devour. They used people whose DNA was defiled by his seed of pride and who were deceived and in their deception were ignorant

of it. He used them to carry his seed and he laughed and said: "They think they are saved, but I have been breeding them into my harlot, they think they are Christians but they are in Babylon, I deceive them so that they may not repent and cleanse their DNA. They are my fools, they think that they are not bound by my curses, they are bewitched because they cuddle with my seed." He kept on laughing and laughing but he did not know I heard him because I was invisible because of the Blood of the Lamb that covered me... I asked Yeshua why, why is the serpent using His people and making a harlot out of her? He answered me and said: "Because My people are deceived, ignorant and unaware of the reality and state of their unsundered soul. Most of My people, except for My bride, only walk in the 'easy, comfortable' part of the truth, they do not embrace the full truth. I tell you, it is so, I did die for all of your sin, all the sin you have committed and all the sin you will commit BUT just like everyone is not saved until they confess with their mouth and believe in their heart, the same way My work of salvation is only complete in you through repentance.

I want you to warn My people, satan is after your blood, he wants you to carry his code in your DNA so that you can be programmed by hell so that you can be the harlot and give birth to the abominations.

I want My people to bring their books (life's book, your DNA wherein everything about you is written) and I want you to enter My heavenly courtroom and petition, repent so that your DNA can be cleansed and so that you can divorce the serpent's code. My judgment is coming, repent or you will receive the judgment of the harlot.

I asked Yeshua to confirm the message to me and He said: "Open your Book (Bible)." I opened and read the first thing I saw... "Behold, I send My messenger before Your face, who will prepare Your way before You. The voice of the one crying in the wilderness: 'Prepare the way of the Lord; make His paths straight. John came baptizing in the wilderness and preaching a baptism of repentance for the remission of sins.'"

Go before Me with this message so that My people can prepare the way for Me because I AM coming."

A WARNING FOR SOUTH AFRICA: 16 June 2013

Yeshua showed me many things about the New Jerusalem, tribulation, rapture, Armageddon and then He said: “Before these things come to pass, you will face dark times as the beginning of sorrows. In South Africa you will see My fire (revival) and I will let the fire go from South Africa to the rest of the world but violence will break out, many more will be killed. There will be bloodshed. Pray that you do escape these things. There will be many victims, but I want My people to war against it in the spirit through forgiving and petitioning and standing in the gap. I want you to look past the people, I want you to look to Me, otherwise you will not be able to forgive.

You fight the battle of racism in this country. DO NOT built that altar, it will kill you, do not give racism a place in your gates. My people,

repent of the sin of racism in your bloodline. The things in this country will worsen, poverty will increase. Many will loose what they have, many will not be able to provide for their basic needs because everything will be too expensive. You will have to pay a large amount of money for water, electricity and petrol. Do not spend your money on things that are unnecessary now, save your money but get out of the Babylonian system because I tell you, you will loose what you have if you are in the wrong kingdom. Money will loose it's value, life supply will become more important because it will be the only way for you to survive.

I tell you these things, because My bride will go through the beginning of sorrows before I gather you, before the great tribulation. I also tell you because of those who will be left behind, they will face these things and will have to go through it before I come again.

DO NOT FEAR, MY PEOPLE! I do not send out this message so that you must fear. However, I send out this message so that you will prepare your heart as My bride, so that you can come out of Babylon, so that it will not effect you so that you can escape these things like Noah escaped the flood, Like Lot and his family escaped the judgment against Sodom and Gomorrah and like Ragab escaped from Jericho. My people, I always save a remnant, I separate a remnant because they are faithful.

Guard you hearts against racism, unforgiveness, hatred and anger because you will face violence, bloodshed, murder, and corruption. If you give a place for the serpent you will likewise perish.

It is now time for My people to learn from Stephen, I give you the key of Stephen, it is for now and for those who will be left behind (Acts 7:54-60). I AM the Judge, let Me Judge for there is nothing My eyes do not see, do not give revenge a place because I will judge those who sin against Me. Put on love and forgive.

Pray for your government, because when I look, My heart becomes angered. Pray that you will escape My judgment that will come upon this nation.

Repent of sexual sin and perversity (homosexuality), racism, rebellion, disobedience, hypocrisy... My people, open your eyes - water spirits are corrupting this country because it was given legal

Ezekiel 6

[illegible]

DNA STRUCTURE: 5 July 2013

Yeshua stood next to me dressed in white light, He stretched out His pierced hand and said: "Come with Me"... It was as if we where an eagle, flying over South-Africa. He showed me different things in the country. I saw fires in many places, Yeshua smiled and said: "It's My fire, My Spirit is fanning the flame in the hearts of those who choose to walk the road less travelled, in those who choose to let go of the passions of the flesh, I am busy in this country you call home. There are many things to come as you know..."

I saw a big statue of Nelson Mandela with a rainbow around it, Yeshua looked at it and turned His face... "Look at the way people make an idol out of man, repent thereof. Then He said: "The nations' pride will come to a fall." I saw the statue slowly diminishing on the inside until there was nothing left on the inside of the statue, but it was still standing. I saw people crying, lots of people stood in groups and cried.

"Tell those who so humbly and faithfully stand in the gap for this nation, who pray and plead for this nation, that they will soon start to see the fruit of their supplication." While He said that I saw many people praying and repenting for the things in this country.

"Remember I said in My Book, I put before you light and darkness, blessing and curse, and you have the choice, which one do you choose? You are between 2 Kingdoms, at the same time I am busy, the wicked one is also busy... I AM shining My glorious light through the words of My prophets and messengers and those who give ear will receive blessing, the blessing of knowing the truth and having it make you free.

But your adversary on the other hand is still busy with his age old religious trick and sadly many of My people are still bound in the religious trap. Deception is rapidly increasing and therefore many are veiled and lukewarm. Each one will receive according to his own work and beliefs. If you believe a deception, you will be given into deception. If the attitudes of your heart which is pride, racism, stubbornness, ignorance, rebellion, witchcraft ect are unrepented you will be given into the hand of the spirits out of which those sins were born if you do not turn. You are in grace time. So many of My people truly do not understand the principle of applying My blood

and because they do not apply it, they think they are saved but they are heading towards a coming judgment and destruction and they are outside the ark of My protection.

I want to speak to you about what I am busy with so that My people can catch up with My heartbeat, so that they can dance on the rhythm of My ways, My truths, My desires...

I am busy gathering My Bride into the ark where she will be safe, it is only those who have cleansed their DNA, those who have pure blood that can enter. Tell My people to give attention to what I will tell you now, it is very important, it is a matter of purity and harlotry, salvation and deception, love-warmness and fire... Give ear!"

The next moment it was as if I was inside of a body and I saw conception taking place, the sperm cell and the egg cell colliding, merging and 'becoming' a baby. I saw the seed in much detail, there were white vessels that looked like trees inside the seed and at the same time, while I was looking at that I also saw that the seed is like a book and there are many, many words inside that very tiny seed.

Yeshua started to speak to me about the DNA once again... "Do you see, look at it, it's beautiful... out of these tiny seeds a human grows and inside of these little seeds I put everything for a baby to grow, it's perfect (it was very, very special to see Yeshua so excited about how perfect and amazing and AWESOME He has made the human body, soul and spirit). Look inside the seed, do you see the written things, it's a code, it's a DNA code, it's far above what any human can understand. That code depends on who that baby will be. That code will form it's character, personality, likes and dislikes, it forms the body and it forms the soul, but not the spirit. The spirit is born of Spirit, My Spirit. In your spirit you inherit My DNA when you are saved but this DNA, this seed and inheritance is not saved yet. Inside that seed are blessings and curses, sin and righteousness as an inheritance from your fathers.

This DNA is very, very important. Inside of the DNA code there are key essentials so that your body and soul can function the way I purposed it to. These seed in the DNA are love proteins and when you are born the seed will sprout if it is exposed to the right elements. The mother and father are to nurture, comfort, affirm, accept and love this gift from Me and the result will be gender

identity and spiritual identity, a healthy and whole soul and body. But now the baby is exposed to trauma even at birth with the way this precious child comes into this world. The children are vulnerable to whatever the parents expose them to, even in the womb and it has a great effect on them. It is the parent's work to build the child's identity through teaching them to find their identity in Me but they are exposed to the trauma of rejection...

This DNA speaks all the time. It speaks of every word written inside of it. You can hear it and I can hear it too and you hear it in your mind every day. Your inherited DNA effects your soul and body in a great great way. Let Me explain to you how it effects you in a physical and mental way.

Your soul area is your mind, will, emotions, desires. The seed in your DNA grows like trees throughout your soul. For example, if you inherited a seed of rejection that seed will carry the hurts and pain of the generations before you. That seed is in you and when you experience any kind of trauma, trauma at birth, as a child or any kind of trauma, the seed sprouts and a stronghold forms inside your soul. A stronghold forms to suppress the pain. The stronghold is always rooted in pride, and fear keeps it in place, these trees are rebellion against Me. This tree bears ungodly fruit is your soul like perfectionism, judgment, fear, pride.....

Because I love you so dearly and because many of you struggle so much to understand why 'this Father of love' would create imperfect, disabled little babies, I will show you why this happens.

This seed of rejection for example can effect your body in many ways, sometimes the sickness manifests in a later stage because of trauma and other times, because of open doors in the mother and father, and because of generational curses, spirits latch on to the DNA and the baby can be born with a defect, a disease or be disabled. It is part of the curse that came upon man at the fall. There are many things I want to teach you about the DNA. My people have a lack of knowledge!

I also want to teach you about the DNA structure as there is an order in it. There are 2 orders: The one comes from hell and the other out of Who I AM! Out of hell comes the order of Baal and man plays harlot with it and I will call My order the order of I AM! This is

the structure in your DNA.

Inside the order of Baal is the structure, the nature and the seed of lucifer. Curse is a result of it, most sicknesses is a result of it, spiritual death is a result of it, poverty is a result of it and destruction is a result of it. I have spoken to you a lot about the pure Bride and about what it means to be the pure Bride, the pure Bride has My DNA, she has My structure, My order, My nature and My seed in her. Blessing is a result of it, life is a result of it, prosperity is a result of it, holiness and righteousness is a result of it. My Bride has I AM flowing through her veins while the harlot bride, that has not cleansed her DNA has hell operating through her, mixed seed. My people are playing harlot because they have the order and the structure of Baal in them, that is why they are double minded, that is why they are still sick even though by My stripes you were healed. They are still sinful, unholy and unrighteous, but they call themselves Christians. I tell you the word Christian is reserved for those who are lukewarm. You are either My Bride, holy, pure and righteous, building your spirit house upon the Rock of Ages, living in My Kingdom, or you are a 'Christian', lukewarm, so called saved but deceived. So called good but led astray without even knowing it. This 'Christian' is part of the harlot, she is in fact worse than the sinner because she is the same as the sinner in heart, but she thinks she is good.

My people, if you want to go into the ark like Noah, you have to cleanse your DNA through applying My blood through repentance, through petitioning in My heavenly courtroom. Remember, your spirit can be holy and righteous and you can think you are on the right road because of it. But if you do not take the next step through cleansing your DNA and working on your soul dimension you are divided in yourself, in your spirit on fire and in your soul, cold and therefore you are mixed, mixed and lukewarm. My Bride is not mixed, she is single minded and in unity with Me, one in soul and spirit.

I want My people to break down the altar of the order and structure of Baal in your blood (DNA) that your forefathers have built up. Like Gideon had to break down the altar of Baal.

Judges 6:25-26 Tear down the altar of Baal that your father has,

and cut down the wooden image that is beside it; and build an altar, to the LORD your God on top of this rock laid in proper order [proper arrangement].

I was petitioning and repenting for my DNA and while I did that I saw a vision of the inside of my body, I saw the many blood vessels and Yeshua took me inside of my blood where He showed me how my DNA looks in the spirit. I saw the structure of the DNA and I saw 2 doors inside of my DNA (blood). There was a black door and a golden door. The golden door was closed and the black door was open, out of the black door the DNA structure flowed, on the black door was written- 'Order of Baal/Curse' and on the golden door was written 'I AM (which is filled with the FULLNESS of Abba's character, attributes, nature, in the name of I AM is the fullness of who He is)/ Blessing.

There were things written on the black structure that flowed out of the black door. I recognized it as pride and rebellion against I AM (everything YHVH stands for), the nature of satan. So I started to pray for I AM's light to shine in my DNA and as I started to repent of generational sin as Holy Spirit revealed it to me, He went really deep and I carried on for hours. While I was busy repenting I saw the structure going back into the black door, like it is being reversed. I literally saw Yeshua inside of my blood, He closed the black door (shattered the order of Baal and curses) and the door and the structure disappeared. It was as if the black door was a gateway of hell and Yeshua said: "Each and every human has these 2 doors in their blood, hell operates through the black door through pride, rebellion and curses, it is his nature flowing out of it, while I AM and blessing flows through the way, the truth and the life. My people you are in a DNA war, awaken and see that the battle you are in is a blood battle, the enemy is out to defile your blood. Break down the order of Baal inside of you through repentance and petitioning. Your DNA is who you are, it is the core of you, I want who you are to be a vein, a vessel for I AM, for who I AM to flow through you and be an altar of worship, singing holy, holy, holy, holy, holy, holy!"

While He said that the golden door flung open and a white structure flowed out, with golden and silver writings on it, I AM's character and nature was inside of it - humility, holiness, love,

gentleness ect. “This is the message for this hour, teach My people how to sanctify their DNA because this is what My Bride looks like.

I saw what flows out of that door is His seed [love and righteousness], if it is the black door it is satan’s seed [pride and rebellion]. Father's seed births purity, holiness and results in a set apart virgin Bride where satan’s seed births pride and harlotry. It is mixed seed and idolatry and this makes you a harlot bride that can give birth to Nephilim babies.

Yeshua showed me that the written things on our DNA become what our mind meditates upon. Your mind literally records whatever is inside the DNA. For example, when there is generational racism seed in your DNA, you have a judgmental, prideful, racist stronghold in your mind (of course you don’t acknowledge it as that) because you inherit the seed from your fathers. It hides in you and when trauma occurs it explodes like a bomb in your soul.

It is the same with homosexuality: If there is a seed of rejection, to which a spirit latches that attacks and breaks down your identity physically because there is no love inside of that seed, you can very easily become homosexual. The homosexuality is the stronghold that the structure of your soul puts up to defend itself, but it comes out of a seed of rejection out of the pits of hell.

We are in a spiritual battle that manifests in the natural and the war is already won, if we would just start to apply the Blood of the Lamb, we would start to taste victory and freedom. Our weapon is the BLOOD OF THE LAMB (which carries Yeshua’s DNA) because it is the fullness of I AM’s LOVE poured out for our salvation, redemption, deliverance, healing, freedom... REPENT, so that you can be called righteous like Noah was righteous in all his generations!

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

THE DAYS TO COME: 2 August 2013

It is 2 August 2013 Shabbat evening, my dad, mom and I were sitting in our living room celebrating the weekly feast, talking about how wonderful it is to enter Yeshua's rest and to complete the weeks work by honoring YHVH as our provider and our Creator. I understand now that His feasts are harvest times and as we honor them we will also receive a harvest of blessing in our lives... all this was going through my mind as I was staring at the menorah's lights flickering in front of me on the table. How great You are, how great You are, how great You are was all that I could say to my Beloved Yeshua...

Ani vi dodi vi dodi li... I am my Beloveds and my beloved is mine!

The next moment I became aware of Yeshua's presence, His glory is a consuming fire. He stretched out His hand and I knew that He wanted to show me something! We came and stood in front of a door, APPOINTED TIMES was written on the door in Hebrew and under it 'My feasts'... Yeshua opened the door to me and in the middle of the room there was a really large menorah.

It was almost as if it was branches of a tree but only the first four of the 'branches' was burning and Yeshua was about to light the fifth branch, but before He did, He gave me a golden trumpet with the word Jubilee written on it. He told Me that I need to sound the trumpet before Him, before He lights the fifth light to prepare the

people for what is to come. He also had a trumpet in His hands, it was the trumpet of God and blowing this trumpet will light the fifth light of the menorah.

"Sarah, in this season you are listening to many trumpets sounding, it is the messages and warnings of My prophets for example about the DNA, about repentance and restoration, it is the cry of eagles, calling the people to rise up and come up higher. It is crucial for the people to listen to what I say through these messages and to follow in this march around the city wall so that you can enter the land of promise, so that you can be part of My remnant bride.

Sarah, the trumpet you sound is the same frequency than My trumpet, it carries the same voice but the trumpet I have given you is to teach the people how to hear My trumpet. When they give ear to the sounding of the awakening blast of the horn, they will be able to hear My trumpet on My day.

You are in a preparation time of repentance and restoration before the fulfillment of the feasts... a preparation time for the coming harvest and the times and seasons to come. Announce the beginning of Elul to the people, you have been in this season for a while, but I want you to tell the people that you are in the season of Elul, the preparation time before the feast of the trumpets. For who knows the day and the hour, therefore I tell you, prepare yourselves for the day of YHVH is come.

[ELUL- The month of Elul is a time of repentance in preparation for the High Holidays of Rosh Hashanah and Yom Kippur. Tradition teaches that the month of Elul is a particularly propitious time for repentance. This mood of repentance builds through the month of Elul to the period of Selichot, to Rosh Hashanah, and finally to Yom Kippur.]

The name of the month (spelled Alef-Lamed-Vav-Lamed) is said to be an acronym of "Ani l'dodi v'dodi li," "I am my Beloved's and my Beloved is mine," a quote from Song of Songs 6:3. The word "Elul" means "search," which is appropriate, because this is a time of year when we search our hearts.]

8th August 2013

"Look, what do you see?"

I saw a 'bag' with golden arrows inside of it, the arrows had

engravings on it, I experienced that those arrows are the signs of the times. I am aware of Yeshua's presence. He was standing with a book in His hand, He gave me the book and I opened it, it looked really ancient. It must have been the Bible because I recognized many of the things inside the book, but there were many things inside this Book that is not inside our Bible. Things were much more clear in this Book and it had much more depth. He specifically showed me a place in the Book that talks about the rapture. Inside of the Book there were golden glasses, I put it on and I saw things in the Book that you couldn't just see with the natural eye. On the page at the top I saw something written in another language, I knew it had something to do with the rapture but couldn't quite explain what I saw. The meaning of that word was deep, it's like every letter had a picture and the pictures put together give you the meaning of the word.

I saw a white dove, a flower with a really intense fragrance, I saw a bride in white washing herself in the blood of the Lamb. I saw a sword and I saw a trumpet. There was something very hidden in what I saw. On this page I saw a date, also this date was not according to our calendar and the numbers were not the same as our numbers. There is only One who knows this time, but I saw one of the numbers becoming clear to me and I saw it's a seven. I heard the words: "No one knows the day or the hour, but I need My people to be able to discern the signs of the times so that you may know the times that you are in."

I saw a clock again, there were two clocks. Above the one clock I saw the word Babylon and above the other clock I saw a word written in another language, but inside the word the end time Bible prophecies for example Revelations and Daniel were written. Babylon's clock fell off and I heard the words: "Teach the people how to live according to My times and seasons, it is crucial to live according to My Kingdom calendar because the times lead to the blow of My trumpet and Babylon cannot hear it, 666 cannot hear it only 777 can hear it. I am sounding alarms through the signs of the times for the purpose that you should be awake and watchful, waiting with lamps filled with oil, preparing, washing your garments to be pure and spotless."

Then I saw the heavens, the sun, moon, stars, planets and many things were going on which I cannot explain. I also saw the Nephilim aliens like UFO's carrying the seed to their banks where they program and breed the hybrid race. "Look at the heavens and you will see the signs of the times, I said let there be lights in the firmament of heaven to divide the day from the night and gave them to you for signs and seasons and for days and years. I created My appointed times, My feast days even before I created man, I decided and laid out My feasts before the creation of man, that is why the heavens display My appointed times. I did not create My feasts for one specific nation and people, they are My feasts, My holy days and I want all of My people to honor them. Heaven is a witness to the times. My people you have to live according to MY times and seasons because they are harvest times, if you live according to Babylon's time and calendar you cannot be part of the harvest.

Sarah, what I am saying through the coming blood moons is that I AM coming, I will sound the trumpet soon, you are going into the heat of the time and I want you to warn the people about the ark that My faithful remnant, who is pure and righteous will enter and be safe. It will not be many, it will really only be a remnant. These are the ones who will rule with Me."

I saw a flame of fire and I saw churches being set on fire. It's 2 types of fire like Yeshua has taught me. Some of the churches, houses, buildings are fired by falseness and deception while other stadiums, houses, buildings and churches are being fired by YHVH's fire. Inside of YHVH's fire I saw a few things, without these things it's false. I saw a rainbow (7 Spirit's of YHVH), I saw a ring (covenant relationship) I saw scrolls on which was written the instructions and Kingdom principles of YHVH. I saw a cup and bread (covenant meal- repentance), I saw music notes (worship in Spirit and in truth), I saw a Sword (practicing the true word of Father). I saw true, true repentance, people returning to YHVH's ancient paths, calling Him on His name, people living according to His seasons, I see restoration of identity and people walking after the truth! I also see that this is not necessarily easy. I see how some people has to forsake their mother and father, and leave people they love behind because they do not believe the truth, but while they are doing it, they receive an

eternal reward and their eternal dwelling places are adorned with precious stones.

Inside of the false fire I see money, and a show that almost looked like a circus, I saw passivity and lawlessness, false prophecies, false healings and miracles in the name of Jesus, I hear people preaching, I see many of their faces on television that are watched by many people. These people are leading even the elect astray. I see grace preachers, prosperity preachers, I see how the Bible is taken completely out of context, twisted to suit whatever you want to believe. I see people walking around really, really confused, they do not know what to believe, they do not know what is true and false. I hear Yeshua saying that He wants His people to learn to understand their dreams because the only way of being able to discern, will be to hear from Him, He will expose falseness through dreams. "Pray for the church to receive discernment, pray that they will be baptized with the fullness of My seven Spirits because without it My people are not able to truly discern."

Again I saw the ark... "Sarah, I ask My people to be like Noah, to abide in Me to enter this ark that I AM building, you cannot enter this ark if you are not obedient to do what I ask. My people are not obeying My voice, they are listening to the voice of the world, the voice of religion and deception. I tell you My people do not be deceived.

When you honor My feasts you come in line with My times and seasons as your preparations for the feasts of all feasts- the marriage feast. My feasts are a blessing and if you want to live in My Kingdom, you will honor My feasts because you love Me, not because you will be judged if you do not honor them. It's only because you love Me that you will choose to be obedient. Sarah tell My people that there are certain things that didn't change even though I came in the flesh and fulfilled it. There is a difference between a law and a principle, you become a slave to law but you obey a principle because you choose to and because you receive a harvest from it. You won't die when you don't obey them, but you will not live a kingdom life either, you will not reap much because you have not sown much. If you want to receive an eternal harvest obey My Kingdom principles through obeying My feasts, through giving your tithe and all the

For I tell you, judgment is coming against South Africa. I am grieved by the government's rebellion against Me, they have build altars of idol worship and it will be burned by My jealousy. Jacob Zuma's judgment has already been decided. He has discarded My calling and has not lead this country in righteousness like David. I have postponed this judgment upon South Africa until the death of Madiba, and although there are many things in his life that are not in order, I was able to use him and he showed the world an example of forgiveness, peace and unity. I have called the people of South Africa to humble themselves and pray....

Those who are part of the people who have humbly interceded will receive a double portion for themselves and their families but over all I will take those petitions and the seed that you have sown will produce a harvest. I want to encourage the intercessors of this country, tell them not to stop, now is the time to intercede like never before because there is a season coming that many are unaware of.

28 August 2013

“Hear My words, I want you to warn the people not to fear”...

I saw the earth from space, I also saw NASA. NASA was almost startled because they saw something coming in the earth's direction. I heard a voice that says: “Look around.” I turned around and I saw a massive planet coming in the earth's direction. It was almost as if there were demons like nephillim attached to it. I saw a really large shadow coming over the earth and it caused darkness upon the earth, and I heard the words: “The prophesied perfect storm, it is My judgment and destruction that will seize the earth, prepare for the days of trouble.” I heard the blowing of a trumpet and I saw many, many angels in the sky. Then I saw Beloved Messiah, and the fear of YHVH came upon me because the righteous and just Judge is standing ready. I started to repent and heard people's prayers of repentance for the earth's rebellion, Yeshua heard and fire came out of His mouth upon people and they worshipped Him. At some point I saw Yeshua turning His face and His ears did not listen anymore. People ran and they tried to hide because they fear Him, they fear His judgment. His bride was standing with a Sword...

Then I saw Him stretching out His hand to His bride and He received her and she was gathered unto Him, I saw a date written in the air, it is almost as if the date is the trumpet, I saw the month was September and heard 3 years from now but the day was not clear to me because 2 days were written, but I didn't know which one it would be, only YHVH knows the exact day and the hour. I saw a book opened, and all the prophecies written inside and I saw them opening up like scrolls and covering the earth. I saw poverty and hunger in many places. I saw storms coming upon specific places like in cycles. I saw rough seas, almost as if the sea carried the memory of the earth's rebellion and was angered against the earth. The sun was really, really hot and the heat became scorching, and it looked like the sun was spitting.

I saw the spirit of Jezebel coming against the prophets and wanting to deceive them and get them out of their office through

money, lust, distractions and pride. Here is a warning for those who stand in the service of the King, do not be misled, do not be deceived and do not allow pride to come into your heart, the enemy is angered against the prophets because people are awakening and the enemy's time is running out. Pray for those who stand in the prophetic office because they will receive tremendous rejection. The judges are standing up, they are given the authority to speak YHVH's word to the people as judgment warnings, the words may seem harsh and the enemy will want to bring fear but it is the words of the coming Messiah, warning you to be alert and watchful, warning you to prepare yourself. Many will be deceived as prophesied ...

I saw a man, not clear at all, I couldn't see his face but I saw how he appears in the spirit, he is possessed by the devil, he is sitting in a chair, almost like a throne (position of authority) and he has his hand on the Bible and his feet in water, it is the anti-Christ.

"My warning to My people in this hour is do not fear, do not be anxious, do as I command you for I will deliver My people like I delivered My people from Egypt but My plagues will come upon the earth because of your pride. I want My people to keep on practicing their Swords, spend time in My Word, washing yourself in My Word, warring with My word, eating My Word so that you may know the truth."

I saw many, many people being murdered for YHVH's name. I saw a scarcity of food. I saw a board in America and the numbers are going bizarre, money is going up and the bank system crashed. I saw a bank in America with the dollar on it, everything started to shake and people were trying to hold things together but it was not possible.

The spirit is pregnant, prophecy is about to be fulfilled, the time is at hand. You are in the days of Joel.

"Listen to Me, My people, look what I have prepared for those who fear Me in diligent and radical obedience." I saw something that

almost looked like a blanket of Yeshua's blood. "Enter so that you can be under My protection because I have warned you many times, the door is closing, the time of grace is ending and there is not much time of repentance left. I have sent out My prophets and messengers before Me to call the people to repentance, give ear to My call NOW or you will be unprepared for the days to come, enter into My refining fire NOW and allow Me to burn you so that I may not find you lukewarm! Deep is calling out to deep, My Father has sent out the invitation to My wedding supper. My people do not know this, so many did not receive their invitation with gladness and joy to attend because their hearts are lukewarm. I am searching your heart, therefore if your heart is not sanctified your pride will deceive you.

My judgment will come upon the people who have volunteered to be leaders like Moses that did not wait upon Me to prepare them, upon those who speak with a prideful heart, I tell you they lead My people astray and I will judge them. I will judge those who condone sin in My name, I am angered against the shepherds who lead My people astray and they think that they are righteous and they think they speak the truth. My Bride takes no part in this for she knows My heart, she is willing to be rejected by those that arrogantly judge that she is in a sect as if they know the truth. Repent, stand in the gap on behalf of them and pray that they may awaken and that the veil of pride will be lifted."

I saw an ancient world map, the names of places are not as today, they are like they were in Bible times. There are scrolls at each continent, some of the scrolls were open and some of them were closed. On the right side I see YHVH's Kingdom clock that shows the times and the seasons. Behind this clock I see the world's clock, inside the world's clock I see people like in the days of Noah, drinking and marrying, mocking and rebelling. Then on the map Yeshua showed me a spiritual weather forecast that will manifest in the natural. The perfect storm was about to hit in a greater way, there was much activity in America, there where almost cycles of judgment. Another cycle was about to hit America! I saw a few tornadoes coming together, forming a large tornado in the spirit

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

I was sitting on my bed busy repenting, asking Yeshua to wash me and to help me to practice and live everything that He is graciously teaching I never only want to deliver the Word of YHVH, I want to live His Word every day, this is my desire- YHVH help me!!

As I was repenting I suddenly heard Yeshua's voice in my left ear, He anointed my ear and I heard Him speaking audibly but in another language. It was so awesome to hear Holy Spirit's voice almost translating inside of Yeshua's voice. Holy Spirit is the Spirit of understanding and therefore we are able to understand His words, Holy Spirit alone enables us to hear and understand YHVH that is

FAR above our OWN understanding! That is one of the reasons we HAVE to be baptized with the FULLNESS of the 7 fold Holy Spirit in Isaiah 11:2- "And the spirit of the LORD shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the LORD; And shall make him of quick understanding in the fear of the LORD. We can ONLY understand the things of the SPIRIT if we are baptized with the Spirit of understanding, if not we only have religious understanding that is conformed to the mind. I truly want to urge YHVH's people to be VERY CAREFUL to reject the things of the Spirit because it does not fit into your framework and understandings, if it seems foreign TEST it!! Test everything, but do not just reject it, if you reject a word of YHVH, you reject Him.

So Yeshua started speaking with authority and urgency... This is what He said:

"I am coming, tell the people I am coming to gather My prepared Bride in the rapture as recorded in My Word. This is what I send you out for, to warn and prepare the people for the rapture because it will be as I have clearly said in My Word! Look, what do you see?" I saw the same original Book [Bible] that I saw in the last letter. Again He said look and He opened the Word to me and I saw a place where HE HIMSELF speaks about the rapture but not using the word rapture. The whole 'Bible' was written in a language that looks the most like Hebrew, but it was YHVH's Kingdom language that is made up out of words that form pictures and parables. Many of the things are literal but many of it is prophetic pictures and through HOLY SPIRIT's understanding He can make His mysteries known to us. The word that I saw that we know as the rapture was made up out of a picture of a trumpet and it had different parts that explain exactly what will happen. "Listen to what I say, I AM the Word, the written Word that you know as the Bible is NOT in it's original form as I AM, it has changed through the ages, conformed to the natural mind's understanding. Repent on behalf of the people who have translated it, adding and leaving out what I HAVE SAID because now you may think that you understand My Words but you don't. The people understand it with their minds, it isn't Rhema, I want the people to understand it through My Spirit Kingdom language. If you do not

read My Word in Spirit you will be deceived.

Therefore I want you to tell the people, warn them, tell them that THE WORD says that the rapture will be soon. I will gather My Bride to meet Me in the air, suddenly, in the blink of the eye, when Babylon is fast asleep, My Bride watches, she waits, she listens for the sound of the trumpet. Tell the people that NO ONE KNOWS THE DAY OR THE HOUR BUT MY FATHER! I am the Only One that knows My Father's heart. Let Me explain to you the trinity so that My people may understand. Remember this, in your Bibles the word rapture and the word trinity are not found, does this mean it is not the truth? Certainly not... I AM YHVH, I AM Yeshua, I AM Ruach Hakodesh, We ARE One! I AM fire!!! YHVH' I Am is the blue flame of Our fire, It is the heat of I AM that consumes everything human, you cannot contain I AM, therefore Yeshua I AM is the red flame, I became the way for you not to be consumed by My holiness, like Moses at the burning bush. YHVH sent Me and your Bible says the Angel of YHVH, because I AM the Messenger of YHVH's holiness, showing you the fire of our Holiness without consuming you, see I AM grace, I AM love! Still I AM so intertwined with My Abba that you need Holy Spirit, the breath of My life, to breath over you, kindling My fire in you, keeping Me burning in You. Holy Spirit is the part of I AM that enables Us to communicate with you and enables you to grasp what I AM. I tell you My people, you cannot understand Me, you will die, you can never, never see I AM for you will lose your life. I AM that I AM, I AM the God of Abraham, Isaac and Jacob, My grace you cannot fathom!!

Therefore, I tell you that I AM the Only one that knows and makes known My Father's heart! YHVH is the intensity of I AM, the beginning and the end, Elohim! Abba YHVH knows the day of My second coming, He knows when My Bride will be raptured, I AM the one who will not make known to you the day or the hour BUT I am the one who reveals to you the signs, the times and the seasons. I will make known to you the season of the rapture, it will be in a short while. You are now still in a season of awakening, you are in a season where the vibrations of the trumpet will hit the atmosphere and the heavens before the sound hits you. Awake, I tell you! Keep on delivering My messages and warnings without hesitation because

the people NEED to awaken NOW! I tell you it is a short while! Blow your trumpet warning because you can see what is coming, sound it so that the people may know the sound of My trumpet when it is sounded”

Then Yeshua started speaking about something that He commissioned me to do regarding Israel that I will share when He allows...

“Judgment will come against Israel, it will be My trumpet to awaken THEM so that their hearts will return to their Messiah. You will see the tree starting to blossom and the eyes of My people starting to open. I ask (He asked more in a COMMANDING way) My gentile Bride to pray for My Beloved Israel. My Gentile Bride is watching, waiting in anticipation for her Sister- Israel to awaken and rise to join her at the marriage supper. **PRAY FOR THE PEACE OF JERUSALEM!**”

I saw Yeshua's Bride entering into the ark and at the same time I saw the Bride being raptured to meet Messiah in the air. While 'she' is ascending she is being transfigured into a spirit body. Everyone then received crowns ect according to their works out of humility and obedience in His Kingdom. Everyone was clothed/prepared to rule with YHVH in the millennium. I saw the New Jerusalem prepared as a Bride for her Husband!

144, 000

Then suddenly I heard 144,000! I was excited because I never understood the 144, 000 and prayed about it but haven't heard from Yeshua about it.

I then saw the 144, 000 on Mount Zion along with Yeshua, they were in white robes and they had the Torah in their hands. I also saw the blood of the Lamb on them... They were singing a new song, and the gentile Bride who was already raptured at this time listened to this beautiful song but they did not understand it. They were ALL Jewish people! Then I heard Yeshua saying: "They are the first fruits of the Jewish people, redeemed and raised up after the rapture, the rapture of the gentile Bride. Let Me explain it to you in this way... among 'Christian' believers there is a church and there is a Bride, the Bride is the first fruits of the church and ONLY the Bride will be raptured not the church, in the same way, the 144,000 is the first fruits of My Jewish bride who will join us at the marriage supper. Every other believer that will die in the tribulation will only be bridesmaids at the feast because they have not responded to My call IN TIME! That time is passing away quickly so run with the message...

SINGLE VISION: 25 October 2013

I have a new letter for My people... It is words of encouragement to build you up and establish you. My eyes are upon My people, I AM looking over you, I AM holding you in the palm of My hand, be encouraged. I see many of My people are tired even as it comes to the end of the year. My people are in danger of falling asleep spiritually, I need you to rest in Me but do not be spiritually passive because it opens a door for the enemy to steal from you. Many people do not want to know it but you are on a battlefield and on this battlefield My people need to learn how to use My weapons that I have given you, because the enemy is out to kill, steal and destroy until he is bound for a thousand years, therefore My army needs to rise in this time. Don't get tired, don't get discouraged even if your spirit feels heavy. The enemy wants to oppress my people with weariness. I AM calling Stephens who are able to gaze into heaven and not be moved by the waging war.

I say in My Word that the light of the body is the eyes, and I also say that My yoke is easy and My burden is light, but the enemy is oppressing My people with a spiritual heaviness and they lose the light. Therefore I want My people to learn to gaze into My eyes because you were made in My image and My eyes are also filled with light. I want you to see beyond the natural, I want you to be still and know that I AM, beyond what you feel and experience in the natural. As you gaze upon Me the clouds of discouragement will disappear and you will find that place of peace and joy inside of Me again.

I want to speak to you about something that the fallen man struggle with greatly and that is focus! You focus on what you look at with your eyes and what your mind conforms to. *The light of the body is your eyes and therefore if your eye is single, your whole*

body shall be full of light. I am not referring to the natural body but I am referring to the soul, let Me explain. Before the fall, man only had single vision, the natural and the spiritual were one in a way that man could see the things of My kingdom as the natural. After the fall, man lost their spiritual vision and they could only see in the natural. I want My people's single vision to be restored in a way that you see My Kingdom in your everyday life. My people have put a label on seeing in the spirit, seeing in the spirit is only a reflection of your gazing upon Me. I want you to gaze in this time, to focus, to tune in your eyes not to look at your circumstances, your giants, mistakes, problems, struggles, rejection, failure and all these things because the enemy will use it to draw you away from Me, it will wear you down, but I want you to look into My eyes and be strengthened, I want you to look past the natural and gaze intently into Heaven like Stephen and see My glory, see Me standing at the right hand of Abba," saying, 'Behold, I see the Heavens opened up and the Son of Man standing at the right hand of the Father. In this place you cannot be discouraged, you cannot get tired because the light in My eyes enables you to keep on running the race of faith to the end.

Stephen's eyes and spiritual perception were not according to what he saw in the natural. So much so, that he did not see or feel the pain of rejection and physical pain of the stones that would eventually kill him. His immediate reality was that he saw the Heavens open at that moment and he saw Me because he chose to look past the people, he asked Me not to charge them with their sin, he was able to overcome the things of the world, the things that he was facing in the natural because he gazed upon Me and therefore He saw Me.

The eyes of Stephen's mind and the eyes of his heart went into auto-focus by the power of My Spirit, he was stretching his eye sight to look upon My face and I gave him the supernatural power to endure the kind of death he experienced. Stephen had a "lifestyle of gazing" into My eyes and heart. He gave himself over to locking his eyesight on Me, and it caused everything else to become dim and disappear in his perception of reality. He was so overtaken by Holy Spirit that the unseen realm at that moment was more real to him

than the seen realm of the excruciating pain of being stoned to death.

Look steadfastly, fix your eyes and purpose your mind to gaze upon Me because it is only in this place that you are able to overcome all the things you are facing. My Bride, in these days that you are in, you are going to have to know how to live a lifestyle of gazing otherwise you will fall asleep into spiritual passivity because you are too busy trying to hold everything together. I need you to practice this principle. Lock your eyes on Me and I will lead your faith and your focus to walk in the way you should go and to war in the way you should war. The times will become unbearable for those who don't have their vision locked upon Me, but it shall not be unbearable for you if you stay steadfast and fix your eyes upon Me. This is the time to stay awake, this is the time to be alert, this is the time to gaze upon Me, this is the time to be focused. This is the time I will preserve you and keep you from all the realities you face. You will be able to overcome and joy will be resurrected within your spirit. You will escape the traps of the enemy if you continue to fix your gaze upon Me even now.

I do not want My people to be weighed down by the times that you are in, I don't want you to be heavy in your spirit because of the truths that you are learning about My Kingdom that is teaching you how to prepare as My Bride. I want you to awaken and stay awake but remember a walk with Me is about enjoying Me, feasting upon Me, worshiping Me, drinking from My presence and out of this walk with Me you have abundant joy! Don't lose your joy little ones, be like children, I don't want your walk with Me to be like work and the responsibility to turn into fear that drives you. I want you to play in My presence, play the strings of My heart and just enjoy Me. My principles are pure, My ways are right, the righteous will rejoice in them and their eyes will be enlightened by My glory.

Maybe all you see is a desert, a dry place, a weary land, maybe you see a red sea before you and you have no idea how to cross it. Maybe you are hungry in the desert and you don't know where you will find something to eat. Maybe you are a slave to your circumstances like the Egyptians and you know no way of escape. My people, you will perish in that place without vision. I want you

to see the redemptive revelation of Who I AM as your vision. For I AM not a God who is intimidated by anything you are facing. I AM a God of gardens in the desert, I AM a God who gives you a promise of a prosperous land when you are enslaved in Egypt, I AM able to turn your desert into a garden. Call upon My name and gaze intently upon Me and I will give you vision and redeem you from your realities.

My Bride is not a holier than thou, church going, perfect person who helps so many people and who spreads the gospel ect. My Bride is the one who chooses to fix her focus upon Me, who keeps her eyes on Me and therefore she overcomes all the realities of life. In that way she lives Kingdom on earth. I want you to practice gazing upon Me in every situation of your life, so that your single vision can be restored, so that My people may not have distracted focus and therefore a double mind and wrong direction. Gaze upon Me and your thoughts will be fixed on Me. Watch and pray in this time that your attention is not turned away from Me through life's realities. You have to make a living and you have many responsibilities in life but if it steals your focus from Me it becomes idols.

Behold, My Bride is fair, My love has dove's eyes. When a dove fixes it's gaze upon it's mate it is not distracted by any activities around it, it is like a love bird. Having dove's eyes mean that you become increasingly aware of My person and My presence that lift you above the earthly things that want to pull you down. The undistracted focus of single vision will enable you to be more sensitive to My presence and My whisper and you will be more tuned into My desire and purposes to obey it. When you have single vision you gaze into My eyes. Those of My people I can lead and they will follow because their eyes are on Mine and they can see what I AM looking at. I will instruct you and teach you in the way you should go, I will guide you with My eye, therefore gaze upon Me with dove's eyes. Do not be like the horse who has no understanding which must be harnessed with bit and bridle. A horse has side vision and gets distracted by what it sees. You have things on all sides of you demanding your attention and distracting your focus and if you do not have dove's eyes, you will fall right into that pit of busyness in your mind.

My Bride's intense desire is expressed towards Me singularly and she seeks to gaze upon Me alone. My Bride cannot be satisfied by temporary pleasures and fulfillment. My Bride is only satisfied in that place of My presence where she gazes upon Me with dove's eyes and were I respond to her first love heart that seeks My Kingdom first with 'Rise up My love, My fair one and come away with Me for I will guide you with My eye.' This is My desire for My Beloved Bride, the eyes of a dove...

RAINBOW: 19 November 2013

“There will always be a rainbow after the storm. I AM a covenant God, My judgment is because of My faithfulness, the purpose of the storm many times is that you should return to our covenant through repentance where you yourself walk in faithfulness. I AM the God of the rainbow, I will keep My covenant with My people, judgment may come but My heart is for My people to be saved for I did not come into the world to condemn the people but to give them life. I want you to abide in My covenant because of who I AM and judgment will come. My heart is that you may be fruitful and prosper in our love covenant. The storm is a result of the people’s rebellion against Me. I AM the righteous Judge because I AM faithful and just, I AM gracious, My judgments are out of love. My heart is that My people will return to Me. Do you hear My heartbeat, do you hear that the blow of the trumpet is not condemnation, it is a call to repentance? A call to humble yourself and pray, seek My face and turn from your wicked ways so that I may hear from heaven, forgive your sin and heal your land.

See that I AM, My judgment does not result in death when you turn from your wicked ways, My judgment results in a rainbow. The sign of My faithfulness to My covenant people. Because of man’s pride, you sometimes need a storm to see the rainbow, to see that I AM called the faithful One. I AM drawing My children with bands of love because I want you to know Me more, I want you to know who I AM in the storms that you are facing in these last days, I want you to know that I AM the covenant God, I AM the God of Abraham, Isaac and Jacob.

The purpose of My coming is not a perfect storm so that the people may face My judgment, I AM firstly coming to bring My covenant remnant into the ark of My protection and then I AM coming to reign and to rule. The judgment that will come upon the earth is a result of your own rebellion. You have a choice whether you are going to prepare yourself in this time or whether you are going to face My judgment. Remember what I told Noah, I told him that they should be fruitful and multiply, I saved them so that they can be fruitful. Not to condemn them, I saved you for the same purpose, that you may abide in Me and bear much fruit. There will

ORDER 17: February 2014

I woke up during the night hearing the sound of a trumpet. As the trumpet sounded, the frequency changed and intensified. I heard Yeshua speaking and His voice had the sound of a shofar. 'The change of frequency is a shift in the season. You are in a new season where I AM saying: Enter into My proper order. I am giving revelation to My listeners in this time who wait and listen in the night watches. The revelation will be released so that My people can enter into My order.' I then saw a threshold in the spirit with two doors and blood was dripping from both doors. There were writings in gold on both doors and it was as if Yeshua blew on it and the golden words came together and formed a path that led through the door.

'Listen, hear My words, it is a time for new life to spring forth from your DNA, your inner man... That new life is the result of the process of restoration in your inner man.' As Yeshua was speaking I saw a highway in the spirit, and people were building the highway because they walked in radical obedience. They listened to the voice of Yeshua and therefore they did what He asked. I felt a trembling in the spirit in South Africa and heard Yeshua saying: 'The frequency of the trumpet sound is increasing in this land, and the need for repentance becoming greater. Behold, let My listeners incline their ears. It is time for new wine and oil. You are in a new season where I will release the revelation about the door to prepare the way for you to enter in. A decree has gone out, I AM calling My people to come into the order of My covenant because if you are not in alignment with My order you are vulnerable to the order of baal operating in your life and it will not lead you into My destiny for you. When you enter into My order, new life will spring forth and you will experience change in every dimension of life. I see things operating in My people that are not according to My will and destiny because My people are not in alignment with the order of I AM. My order is the structure according to which you are able to walk in the fullness of what I have in store for you. If you are not in alignment with My order, you do not enter through the door in this season. In this time that you are in, I will put double doors before you and I will open both doors so that you can enter into proper order. It will lead to the awakening of the one new man, for I tell you, it is time. Come together into the structure

of My proper order, let the bones come together, bone to bone. I will make breath enter you and you will come alive. I AM restoring My covenant among My people who are willing to listen and obey in this season and abide in My ways. I AM cutting off dead leaves, I AM cutting off that which does not bear fruit so that through humility, new life can spring forth. You will feel the trembling in every dimension of life that is calling out to you to leave the things of your past and of the world and enter into My government. This season is crucial in the preparation of My bride because if you do not humble yourself in repentance before Me you will remain mixed with darkness and unable to receive what is inside the doors. My people, hear My words, I AM stretching out My hand to you, saying: Enter into My order because My order is like the structure of a tree, if it is not upright and firmly rooted in fertile soul, it cannot bear fruit. If you do not come into My proper you will be unable to bear the fruit of My promises. I have given many promises, and there are blessings in store for those who are in right standing with Me but I tell you, if you do not abide in My proper order, you will not walk in the promises. If your DNA is not in My proper order, you may have depression instead of joy, stability and contentment. You may have infirmities instead of good health. You may struggle and fall instead of walking in victory and being an overcomer. You may never walk in the fullness of My destiny for your life. Therefore I tell you, enter into the door that I open before you and listen to My words.'

My people need to enter into their destinies. These destinies are the plans that are written up in the scrolls of heaven, so that they can walk according to My blueprint. There are too many people who are in situations and positions where I didn't place them nor prepared them to prosper. The enemy is out to steal My people's destinies by using the holes in your soul's walls to keep his strongholds in place. By doing so, My people do not come into right standing with Me and walk in their promises. When you come into My order it is like entering into the door of your destiny because you are in alignment to receive what I have in store for you. There are children sitting in schools with end-time destinies upon their lives. There are young people in universities who sit with callings and purposes for My Kingdom but people are not operating inside of My

order and therefore they are not in the correct position to receive it. The enemy wants to put you in a position that seems fitting for your future but is inferior to your destiny according to Me. Who will escape the worldly order and come into the order of I AM? A price needs to be paid and you will have to make a choice to walk with Me. The time and the season is crucial, it is time to enter into My proper order to prepare you for the Promised Land. I AM opening the door for My people to enter in but those who are not willing to enter in will not be able to walk in the fullness of their destinies. Are you busy with what I have called and purposed you for? Or are you walking on a worldly road, continuing in circles but never entering into My fullness?’

A while ago Yeshua showed me books and scrolls in heaven that contain His destiny plans for individuals and nations. He showed Me how many of those books were not sealed and He said: ‘My destiny for you that is written in the scrolls of heaven are also recorded on your spiritual DNA and there is a seal placed on your destiny when your soul DNA and your spiritual DNA come together into the order of I AM. The seal ensures your destiny coming into fulfillment and fruition. A seal is placed on your destiny according to your choices. When you are obedient, My seal is placed on your destiny and you will walk in your calling. The enemy however also has plans to steal My destiny for your life and when you are not in My proper order and you make the wrong choices, he is able to put seals on his plans to kill, steal and destroy. He also uses the generational un-repented, un-surrendered memory of your DNA to keep his strongholds and structures in place in the order of Baal which is his order to attack your gates and keep you from entering in.’

I keep on hearing Holy Spirit saying that we need to build a wall of protection around our destinies so that the enemy doesn’t find gaps to steal, kill and destroy.

PRAYER

Abba Father, I come before Your throne of grace through the Blood of Your precious Son. I honour and glorify You as my High Priest and King. I declare that Your throne is founded upon righteousness and justice. In this day I want to bring My DNA and my destiny before

You. I want to humble myself before You and pray that You will shine Your light in my DNA because I am willing to repent of that which is hidden in darkness and which I may be unaware of. I put all generational programming, seals and curses from the seed of pride and the wound of rejection in Your hand. I ask You to come into it and bring salvation and deliverance, I ask that Your Holy Spirit will transform it with the blessing of Your seed. I pray that You will wash my DNA through the water of Your Word, Your Spirit and Your Blood. I pray for Your salvation in my DNA by changing the memory of generational sin, iniquity and transgression to a testimony and a living sacrifice that carries the memory of Your obedience, Your love, Your nature and character. I confess that only as My nature and character come into alignment with Your will and Your Word, am I truly able to walk in the destiny that You have in store for me. Shape me, change me, restore me, rebuild broken walls and fill the holes deep within my DNA. Shine Your light and remove the veil of pride, deception and denial that blinds me to Your truth for I do not want hidden sin to rule in my soul. I want to be a spotless bride.

I declare that Your destiny for my life is perfect, good and desirable. I long to walk in the plans that You have purposed for me and I ask You to come and work in my inner man to prepare me to walk in this destiny because I know it is not always just a matter of timing and waiting. It is a matter of purification and sanctification so refine me in Your fire. I acknowledge that I will not be able to walk in my calling without wholeness therefore I invite You to come and complete Your fulfillment within my DNA where there is still brokenness, pride, rejection, pain, rebellion, curses and death trapped because of unmet needs, unresolved issues and unhealed hurts. I want to come into Your order and enter into the door so that I will be able to walk in intimacy and obedience with You and also walk in the destiny and calling that You have for My life.

Abba, I ask You to help me walk in obedience and make choices regarding my life and destiny that are in alignment with Your perfect will and order so that I may not keep myself busy with things that You have not appointed. With the authority that You have given me, I bind the enemy who tries to distract me from my calling, that tries to steal my purpose and attempts to keep Me from Your perfect

destiny for my life. No weapon of satan and his agents fashioned against me shall prosper. Let my destiny come into fulfilment and I bind any counterfeit destiny that the enemy wants to bring into my life. I pray against any pollution and defilement of my destiny. I refuse to operate outside of this destiny in any way. I rebuke any fear, inferiority, worthlessness and pride that the enemy may use to either keep me from my destiny or defile it. Every power contending with my destiny, I bind you and I declare you are powerless! Let every root and plant in my life from the wicked be removed, so that there may be no structures of the wicked allowing him legal ground to attack my destiny. I refuse to live a life outside Your purpose; I refuse to live a life guided by my mind, will and emotions. I refuse to be in control of my own destiny. I pray that You will prevent any hindrances and give me the discernment to know what to do regarding my daily choices that directly affect my destiny especially my words and thoughts. Help me to walk in purity and righteousness before You. Please bless my DNA as I daily come before You in repentance and seal my destiny with the seal of Your Spirit, Your Word and Your blood. Reveal to me the areas of my life where I have made wrong choices that hinder Your purposes for my life so that I can repent and turn from my wicked ways. I declare a wall of protection around my destiny as I walk in obedience and submit to Your order so that Your Kingdom can come and Your will be done on earth as it is in heaven.

Amen

THE GARDEN GATE: 8 March 2014

A few days ago Yeshua woke me up at around 5 o'clock in the morning. I was wide awake and my spirit expectant about what Yeshua was busy doing. I heard Holy Spirit saying: 'Go out to the garden and watch the beautiful sunrise with Me.' It was still dark outside, the air was crisp and everything full of dew. I walked barefoot over the wet grass and sat on the deck overlooking the dam with the beautiful mountains as background. The sun started to peak from behind the clouds and it was gloriously beautiful! As I sat there on the deck Holy Spirit spoke to me about the hidden ministry of our gardens of intimacy with Him.

'Just like you are witnessing the dawn of a new day, My people are spiritually entering into a new day. Look, what do you see with your spiritual eyes?' I saw an open golden gate that led into a garden. I heard a song that came from the center of the garden. I knew it was Yeshua and He was singing: 'Enter in, enter in, enter in!' I ran into the garden and there were many trees, many of them weren't blossoming or bearing fruit. 'In this season I AM leading My people by My Spirit back to the garden of intimacy with Me where there is no separation between us and you walk in My order and My presence. This is the end-time Exodus- you will return to My garden. Every one of My children has a destiny, you are anointed, prepared and equipped by My Spirit to walk in that destiny but there is only one way that you can walk in your destiny. Only through investing in your hidden ministry are you able to walk in your destiny. Your hidden ministry is a garden, it is the place of intimacy with Me. I put Adam and Eve in the garden to Shama with Me; they were to keep the garden and remain in that place of dwelling in My presence, walking in obedience according to all that I have purposed and therefore being fruitful. This was displayed through the fruitful garden. This was the beginning. My purpose will never be withheld from Me and therefore as the end of the age is drawing near, I AM sending out People who carry the anointing of Moses but they are in fact a Joshua Generation because they are the ones who carry the anointing of possessors! They are not just desert wanderers, they are not just believers but they possess the destiny, they possess the promised land because they abide in the hidden ministry of the

garden. They live and walk in My garden, from a place of lovesick desire and intimacy with Me. The veil is lifting and the walls are being broken down by My grace. Even though you hear My words, I do not want to find you outside for the garden gate is open and I AM calling you to the hidden ministry. Just like I awakened Sarah to physically go into the garden I want to spiritually awaken My beloved people to come into My garden. Hear My words, and those who hear My song will enter through the garden gate and they will be called My covenant people just like Israel was delivered from Egypt and returned to the garden. They returned to a covenant relationship with Me. I AM creating a garden in the desert of this world. That garden is the covenant people called My Bride. The end-time Joshua Generation will listen and obey and through them all things will be restored. You will see great restoration among the listeners! You will see great restoration among those who enter in because they enter into the gate through repentance. They lay down their sinful nature and supplant the seed of sin through abiding in My Spirit, My Word and My Blood. They abide in I AM and therefore they are partakers of My nature. My nature is a tree of life that bears the fruit of abundant life and blessing. I tell you again, I AM calling a generation who is willing to be a garden in the desert.

The hidden ministry is your true destiny where you allow My Spirit, My Word and My Blood to transform your innermost being so that you love Me with all of your heart, all of your soul, all of your strength and all that is within you. It is much deeper than a confession, it is deeper than a belief, it is truly walking in and abiding in all of My purposes. This is the life of a true worshipper, a living sacrifice, a royal priesthood, a holy nation, My true covenant remnant, Israel. Like the words of the sons of Jacob: You are all one Man's son's. Just like Joseph and His brothers were restored, so will you see restoration in this time because I AM the God of unity and not of separation. I have removed the wall of separation so that all can enter in. I desire that all of My children will dwell in My house all the days of their lives. The dry bones need to come together, therefore arise and enter into My garden so that you can be a generation of possessors. I desire that you should possess all that I have purchased and established.

PRAYER

YHVH, You are the God of Abraham, Isaac and Jacob, great is Your name in all the earth. There is none like You. Bless Your name with all that my soul cries out for and with all that is within me for I humble myself before Your throne of grace and sing: holy, holy, holy are You, the Most High! Father, I ask that You will awaken my spirit so that I may be part of a generation for Your possession, a generation that will enter into Your purposes. I want to abide in the hidden ministry, I want to enter into the garden of intimacy with you like the Shulamite bride. Father, please take me into deeper levels of intimacy with You. Blow upon my garden so that its spices and fragrances may flow out. Come into my garden, My Beloved and eat its fruit. Come into Your garden and pluck up and root out that which does not bear fruit. Prune me so that I can be a fruitful garden and my hidden ministry prosperous before You. May the hidden ministry of my soul be pleasing before You. The hidden ministry of my thoughts, desires, emotions, will and all that is within me must be a pleasing fragrance before you day and night. May my soul be in alignment with Your Priesthood and Your Kingdom so that I may be part of the Joshua Generation and for all to see You are the great I AM. Holy Spirit, please convict me to come before You in repentance. Through Your blood convict me of everything that has become a wall between us – religion, compromise, double-mindedness, pride, fleshliness, carnality, denial, lukewarmness, fear, intellect and reasoning and I remove it in the precious Name of Yeshua. I do not want to come through Your garden gate with my carnal, unsundered mind because I know that I cannot enter into intimacy with you through my carnal mind. I can only enter through my spirit that is lovesick for You and enter in through repentance and worship. I want to enter into Your gates with singing for I live to worship You. Yeshua, please give me a lovesick heart that breaths to adore You, that breaths to pour all of my love over the One who is worthy of all love and worship. It is my great desire to be all that You have purposed and therefore I invite You to come and take over every area of my life. Possess me and therefore I can possess the nature and inheritance that is mine in You and through Your seed. I see that the garden gate is wide open because of Your Spirit and because of

Amen

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper appears to be a standard notebook page or a sheet of stationery.

During the last few days Yeshua has been speaking to me about the way we look at things. He wants to speak to us through the natural things but we have to open our spiritual eyes and tune in our minds to look deeper than the realm of the natural to hear what Father is saying. Do we look at things from a flesh perspective? Do we filter our perceptions through the mindset and belief systems formed by the 'god' of this world or are our minds tuned into the thoughts of YHWH?

I constantly find my mind drifting off to the Father asking Him: What are You busy doing in this season? What are You saying in this season? We don't have to just spend time with Abba in the morning or evening but we can be in constant dialogue with Him about the work of His Spirit, seeking His heart in all things. When we set our minds on things above Father will speak to us through natural things and Kingdom will come to earth. From what I have learnt on this journey it is clear that one of the most important principles to living a higher life and being a partaker of Yeshua's divine nature lies within our thoughts. Our thoughts can easily become a city of busyness where the enemy builds strongholds of double-mindedness, vanity, self-centeredness etc. We need to break down these strongholds because it is like a veil in our souls that prevents us from being sensitive to Holy Spirit.

Something that is lacking greatly in the body of Messiah today is sensitivity and it is because of all the veils in our souls like pride that thickens our spirit. It's like wax in the ears and like scales around us. We need to come to a place of spiritual sensitivity through daily listening and obeying. We cannot be in a position of only looking to people to tell us about the things of Father. There is a place for that but if we ourselves are not sensitive to the leading and guiding of Holy Spirit we may very well be deceived because many are crying Lord, Lord. The question is what is the Spirit of the Most High God saying to you and me and are we able to discern it? Many ask me: Sarah, how can I have this intimate relationship with Yeshua? Search your soul and look at what is going on in your soul dimension, who is possessing the thrones of your soul? Is there still trapped unforgiveness behind veils of anger, bitterness and offense? Is compromise hiding behind veils of pride? Is religion hiding behind the veils of knowledge in your life? The Spirit is calling us higher into His Priesthood, into a place where we declare to Him like David: Please search my heart. Intimacy, closeness, a friendship with Royalty, companionship with the Spirit and a place of lovesick desire for our Bridegroom resides from the place where you search your soul and allow Holy Spirit to strip the veils that keep us operating in the sinful nature and allowing Him to become the authority and rule upon the thrones of our souls, governing over every dimension

of our lives. We are not suppose to walk in the flesh and therefore we are also not suppose to war in the flesh. The strongholds of the enemy need to be broken, crashed, smashed, shattered and destroyed so that we can be a holy people, a royal priesthood, a living sacrifice, a generation that possess all that Yeshua purposes because He possesses every dimension in our lives.

When I look around I see that we are in a war zone and the enemy is going all out. What are we doing as we are supposed to be warrior brides. Are we conformed to a comfort zone, are we conformed to religion or are we listening for strategy from the Spirit and the Word so that walls can be broken down? YHVH is calling out the Joshua's, the possessors and we cannot remain in a comfort zone when He is calling us to face giants and march around walls which are in fact the enemy's strongholds. He will let the walls fall and He will give us of the land that He promised – to be partakers of His divine nature BUT we are going to have to listen and obey.

Sometime last week we were driving in the car and in front of me in another vehicle there was a person sitting with a blanket over his face. I couldn't stop looking at the person and wondered why he or she was sitting with a blanket over their face. Holy Spirit started speaking to me about the matter.

'Just like this man is sitting under the blanket, unaware of what is going on around him because he cannot see and is limited by the barrier that is like a veil over him, My people are also residing behind veils. When you are veiled you cannot see. It is a dangerous place because you cannot see what you cannot see. Different veils within the souls of My people are keeping them from entering into the fullness that I purpose. These veils are like walls that I call you to overcome. In Me every veil is torn and every wall is broken down but I need you to abide in My Priesthood so that the victory can be yours. The veils come in different forms. The veils can be religion, pride, deception, a lack of knowledge, legalism, self-centeredness'... When Holy Spirit was speaking I was reminded of a few days earlier when I was walking in a mall. It was heavy on my spirit to see what was going on in the mall in the spiritual realm. I just wanted to get everything done as soon as possible and get out of there. Lust was dripping from the walls and I continually heard

in the spirit- vanity, vanity, vanity, vanity. Many of the people's eyes were black and there was no light in them. They looked like zombies – the walking dead. Others faces were veiled by the vanity as they go to the world's water well to try and 'feel' something, try to feed the flesh just to be satisfied for a while. More than anything I could see the GREAT need for LOVE! Where there is no love, pride takes over and we live in a world that is possessed by pride and vanity because of a lack of love. We need to take Yeshua to the world and show them the love that He has for us so that all chains can be broken. I remember dreaming that night how I was walking in the mall and I could feel Holy Spirit with me. Someone whom I didn't know randomly walked up to me in the mall and asked me: Who are you in love with because I see that you are happy, surely you must be in love, who is he? she asked me. I was amazed that she was able to see it. I said to her: His name is YHVH and you can be happy too, you can be in love too. When I woke up Yeshua continued to speak to me.

'The veil is lifted through LOVE. When you abide in My love by obeying Me you love Me with all of your heart, soul, mind and strength and that love stirs up jealousy because love is jealous. My love is jealous for you and that jealousy is like a fire that burns you so that I can take in the place of first love in your life. Your jealousy for Me is in fact displayed through the way that you seek My heart, pursuing My purposes, seeking My face and entering into a place of wrestling with Me where you do not let go until I bless you. This love relationship doesn't just mean we are jealous for each other but when you truly walk in the relationship that I purposed it also stirs up jealousy within those who do not have what you do and only THEN the veil is lifted. Those who are veiled cannot see Me, they do not know Me but they can see you. Do you make them jealous or does your knowledge and spirituality overwhelm them to the point where your presence is condemning to them? No one will be saved by the presence of condemnation. All will be saved by the presence of love because love embraces and it breaks every yoke and drives out every demon and heals every sickness. Love is the power of I AM. Therefore I tell you, My people are veiled with different veils. Those who do not know, confess or believe in Me can be veiled by unbelief. But those who are in a relationship with Me and do seek

My heart can also be veiled. You can become veiled by knowledge and it is a condemning face to those who do not know My heart. They need to see unveiled faces that are a joyous complexion, they need to see love in you so that it can stir up jealousy in them. This is what I ask of you, look in the mirror of My Word and allow My Spirit and My Word to show you and teach you about the different veils of the sinful nature. A problem among My children is the fact of being unable to acknowledge the veils, to be unable to recognize and see it because of a lack of discernment and spiritual insensitivity. You are in the time of the lifting of the veil and many things will be revealed that have been hidden for a long time. Many will awaken and see I AM for it is harvest time.'

I was reminded of when we drove through Elgin Valley the previous morning. I was listening to worship music while staring out of the window and it was really early in the morning so the sun just came up and all the leaves of the trees were shining in the morning sun and there were workers in the orchards busy harvesting. All the trees were full of apples and excitedly I heard the Spirit saying again: 'Arise, for it is harvest time, the harvest is plentiful but the workers are few. The veil needs to be lifted.' We drove further over Sir Lowry's pass and as I looked over Cape Town it looked foggy in the spirit and the natural. There was a 'cloud' hanging over the whole area and here and there I could see Yeshua's Kingdom through the clouds in the spirit. There were many angels beyond the cloud. 'Again I AM confirming My Word to you. This cloud that you see in the natural is the veil in the spiritual that keeps My Kingdom from being established on the earth. Go out and blow the trumpet so that the veil can be lifted.' As Yeshua was saying this there were a few angels with golden trumpets and the one angel gave me a golden trumpet that Yeshua command him to and we blew the trumpet in the spirit. It was almost as if a mighty wind was released through the trumpet and it blew the cloud away. It was amazing to also see it in the natural because right in the middle of the clouds it opened up over the Somerset West/Helderberg area and rays of sun were shining through. 'I will build My church through My Blood, through My Spirit and through My Word and the gates of hell will not prevail against it.'

THE BLOOD MOONS: 1 April 2014

'Run with the message. The people need to hear so that eyes can open and the veil can continue to be lifted. The spirit is heavy and many things are shifting as you are entering into a new season in the signs of the times. I AM sending signals through every possible means so that My people can awaken. The coming blood moons are a sure sign to you about the times that you are in.' As Yeshua was speaking I saw a picture of a very old book being opened. In the book there were records of many signs. The book also contained the meaning of Daniel's dreams and prophecies as well as Revelations. There were codes written on the pages in red. As I was looking at it, some of it started to become clear although it was in another language that looked like Hebrew. As the letters transformed into letters that I could understand, I saw that it was writings about the coming blood moons. Inside of the letters I saw a door flinging open and Yeshua's face turned. Then I saw a very big angel blowing a golden trumpet and he had a scroll in his hand with a prophecy written on it. I heard the words: 'The time of the gentiles are drawing to a close and our High Priest is turning His face towards the Hebrew people.' There was darkness and in it I saw the blood

red moon. As I was looking at the blood moon I saw a 'throne' in the spirit. The pope was sitting on the throne but his face was like a demon and out of his mouth came blasphemy. He also had a type of scepter that had a cup on it and the cup was filled with blood and I could see the face of the harlot spirit in it. The pope had something in his hand that he was swinging, and there was an arrogance about him and he was marked. He had a type of crown on his head and under it there was a mark on his forehead. While I was looking at it Yeshua spoke to me: 'Do you remember that morning when you woke up and I showed you the face of the pope? Do you remember that I told you that the Catholic Church is the enemy's counterfeit for My Priesthood? I AM showing you this now because it is relevant to the blood moons. It is according to the moon that you keep My feasts. I put the moon in the heavens for times, seasons and signs. The blood moons are a true sign and a warning. My church who is called to be My bride has been deceived and have become mixed with the counterfeit priesthood. The blood moons are a warning for you to return to your Messiah's Shabbat because it is not just a principle but it is a covenant with My people. Shabbat is part of My Priesthood and only when you truly abide in MY Priesthood you are really in a covenant with Me, the covenant that I have established with you through My very own blood. The blood moons are a sign that you have come to a time where you need to return to My true covenant because behold you are at the door of great judgment. If you do not come in alignment with My Priesthood you are not sealed and you are not baptized with the fullness of My Seven Spirits who is preparing My bride for a war and a wedding feast. The wedding feast is the fulfillment of the age of My Priesthood, those who have not become priests through repentance will not attend as My true bride. My warnings are going out, I am displaying the signs in the heavens and look at the cycles of the earth and you will see that the Lion of Judah is roaring because I AM coming to rule and reign. I will overthrow every throne that I AM not seated upon. Hear My words- I AM calling My children home, I am calling the true Hebrew people- those who pass over and enter in to what I purpose. I AM calling My true covenant people to come home, to return to My ancient paths and be restored unto their first love. I AM calling

the true church, the church that I AM building Myself and the gates of hell will not prevail against it.

Listen carefully to what I say, you are at the door of Passover, the feast of the fulfillment of My Priesthood. It is the beginning of a great Exodus and again My people are coming before that door. Will you apply My blood and return to the Promised Land or will you remain veiled? It is the time of the end-time Exodus, it is time for My Priesthood to be restored within My tabernacle. Will you listen and obey? Will you abide in the feast, not because it's a law but because it is part of the principles of My Priesthood? My covenant people are being separated from the mixture of the counterfeit priesthood to return to My true way. The counterfeit priesthood has tried to deceive My people to keep them from abiding in the true days and feasts of My Priesthood, the true baptism of My Priesthood and have tried to destroy the principle of repentance and applying of My blood and therefore I AM calling you to return to MY true way. The counterfeit priesthood will continue to rise up until I open the seals and all will be established.

People get ready, you need to come to a place where you know how My Priesthood operates in My covenant. You need to understand the difference between love, grace and law, religion and legalism, because My people cross over the regulatory love restrictions. Return to My Priesthood so that you might not be deceived and misled. Many will read the Word without the Spirit and be led astray because in My covenant you need the letter and the Spirit because they bring intimacy and unity. Without the letter and the Spirit you will remain veiled.

Let those who have ears hear what I AM saying, it is time for Israel to be restored. It is time for Joseph and his brothers to be restored as the sons of Israel (Jacob) for you are all one Man's sons.

Joel 2:30-31 And I will show signs and wonders in the heavens, and on the earth, blood and fire and columns of smoke. The sun shall be turned to darkness and the moon to blood before the great and terrible day of the Lord comes.

Acts 2:20 The sun shall be turned into darkness and the moon into blood before the obvious day of the Lord comes—that great and notable and conspicuous and renowned [day].

A TIME OF RESTORATION: 19 May 2014

I was sitting in my room under my prayer shawl, listening to a song called 'I want to build You a garden' and waiting on Yeshua. My spirit sang along- I want to build You a garden in a dry desert land... I want to build You a garden in a dry desert land... This has been an exciting and busy season after being able to visit Israel again, being able to see more of His garden in the desert, being able to learn more. What an honour! Thank You Abba for Your blessing, favour, provision, protection and wisdom! We have only been back a few days when we left for Cape Town for a meeting we had on Saturday evening. The next morning we heard that my grandma was in the hospital after she had what seemed to be a heart attack. The first thing I did when I heard was to start worshipping Abba, I just started singing spontaneously and giving thanks, I had such peace that she was going to be fine. I thank Abba for her life and that she is doing well again and that she is all full of jokes again like always. Thank You that in the midst of life's turmoil we can just be still and know that You are God. In a desert we can build You a garden by worshipping You. We can just enter into Your rest and trust You, choosing to rejoice

and give thanks because You are the Rock of Ages.

As I became quiet there were many things going through my mind. Memories, things to do, things to remember, things about the past season that needs to still sink into my spirit and simmer a little so that it can be engraved in my heart. All this happened while I was still singing ***I want to build You a garden in a dry desert land...*** In the midst of all my thoughts I heard the voice of Yeshua like a sword cutting through my soul right into my spirit. It was as clear as the sound of a trumpet shouting from the midst of the silence. I waited on Him with anticipation, knowing that Messiah is about to make His words known. Knowing that He doesn't always speak in words so when you have the honour to hear His utterance you ought to listen and incline your ear. Speak Messiah, for your servant listens... "You are in a time of restoration, you are in a time a healing, you are in a time of double portions where those who abide in Me are receiving the blessing of obedience. Fear not My children, fear not. Do not let fear, doubt and anxiety rise up in your hearts if you are in circumstances that leave you out of your comfort zone. This is a time where I am calling My people out of comfort into a higher calling called obedience. I AM not only calling a select few, I AM not only calling individuals but I AM calling a generation of people to leave their own comfort behind to be strong and courageous, who are not afraid of stepping out of the worldly systems. Many things are passed on from generation to generation and they develop and are productive. My people have developed lifestyles that are filled with many distractions and have become productive by the work of their own hands, their own abilities, their own ideas, their own works. Many do not see that the enemy has been using those who conform to the system to build an antichrist kingdom just like it was prophesied. In this time I AM calling My people to return to My ancient paths so that My Kingdom can be restored on the earth. Therefore, I AM calling My people out of a comfort zone of worldly living. You realize it is a comfort zone when you start walking the road of faith because you become challenged to lay down your own productivity, your own ideas, our lifestyle, your plans and everything so that You can be restored to My image. So that you can be restored to that place of dwelling with Me like in the garden. Man

did not live by His own productivity, his own abilities but intimacy with Me was the center of man's lifestyle. Out of the place of intimacy with Me flows wisdom, creativity, blessing, provision, life, love, humility... everything you need to walk in My abundant life and be prosperous. Man has tried to gain a wrong form of abundant life through productivity and performance and therefore many are held in bondage by worldly systems. The root of it lies deep within the DNA of man and I AM calling the last Eve to rise up out of productivity and performance, out of the comfort zone of what is good, acceptable and perfect according to worldly standards and walk according to My ancient paths, because you have a repentant heart so that I can restore you, the last Eve to My garden. The first Adam fell, the last Adam finished. The first Eve didn't listen and obey, My last Eve will make an end to living according to the pride of life because of the serpent's seed. The last Eve will return and be restored to My garden because her last Adam opened the door for her to shama again because of the blood of the sacrifice. The last Eve will not listen and do as the serpent wants to deceive her with, but she will return to the order of YHVH and submit to the last Adam by listening to the voice of the God of Abraham, Isaac and Jacob and doing as He commands in obedience. The principles and instructions of the God of Abraham, Isaac and Jacob will bring the last generation back to the garden of dwelling with Me because of My Priesthood, because of My blood, because of My Word, because of My Spirit. The last Eve is called the bride of her Hebrew Messiah, His name is YHVH, He is the King. I stand with a trumpet in My hand and I AM calling the last Eve back to the garden, back to the garden, back to the garden! Leave your comfort, leave your own performance, leave the lifestyle of Sodom and Gomorrah, leave the ways of Babylon and leave your baals behind. Return to your First Love and conform your lifestyle to the First Love lifestyle where you listen to My word and obey My instructions. My bride is building an ark through her obedience like Noah, the name of the ark is restoration. Who will enter? The last Eve will enter... Remember the promise, remember to whom it was given. I gave My promise to Abraham, the man who was willing to leave his own country, who was willing to leave the idols of his father's house to go to a country that I would show him. I

promised that all the nations will be blessed through his seed because of his faith and obedience. Abraham left his comfort zone so I am showing you that it is necessary if you want to walk in My promises because My promises are like seed, conditions are involved to make it prosper. I made Sarah Abraham's wife because she needed to give birth to the promise. However, she laughed at the promise because she looked at it from the perspective of her OWN ability and performance and saw that she didn't have it within herself to give birth to the promise so she compromised. Exactly the same thing is happening among My people, they compromise because they live out of a place of human productivity that means performance. All I needed from Sarah was faith. It was the condition for the seed of promise in her to be conceived. I don't want you to live the lifestyle of a Hagar or Ishmael because it is the result of compromise – to a certain extent it is the word without the Spirit. There came a time in Sarah's life where she discerned and recognized the perfect promise that flowed out of faith and obedience (Isaac) and flesh and compromise that flowed out of fear and productivity and she went to Abraham telling him that Hagar and Ishmael needed to leave otherwise the inheritance of the promise, the harvest of the seed would be stolen. When that happened Sarah entered into the door of restoration and she submitted it to the carrier of the promise (Abraham). Abraham turned to Me and I told him to listen to Sarah and do as she says, I told him to Shama. I want My people to take hold of this principle and instructions of listening and obeying Me with all that you have within you because it is how Ishmael and Isaac are separated, it is how you are able to receive the promise and inheritance that I have in store for you. It is how you are able to return to the garden. Sarah was the one through which the inheritance that I promised to Abraham could come forth because she said, Ishmael needs to leave. You need to do the same, you need to say- I am going to make an end to compromise, I am going to make an end to performance and the productivity that flows out of my own abilities and the pride of my own works, physical and spiritual. I am going to Shama my First Love so that I can be restored and walk in the fullness of what He has in store for me, through listening and obeying. It is the most

TRUE WORSHIPPERS: 26 June 2014

I was sitting in my room, praying, waiting and dwelling in Abba's presence. I just didn't want to leave, I wanted to stay in His presence so that He could fill me with His love and strength because my spirit was thirsty for more of Him. I continually found myself thinking... Just a little longer, just a little longer.

These were the words that poured out of my spirit... I wanted to sing it over and over and over again.

I WANT YOU

*When I find myself here
On my knees
Behind closed doors
My heart is thirsty
My soul longs
I hunger for that which I do not possess
What You alone can give*

*I need Your embrace
I need You
I need You
You know how much I need You
But even more than that
I WANT YOU*

*When I find myself here
All alone
Behind my soul's veils
I wonder how I got here
When I felt so close
When you felt so near
Why do I now feel so far?*

*I need You
I need You
I need You
But even more than that
I WANT YOU*

*I will pursue You
I will lay aside all of my secret idols
I will seek You
Until I have nothing left
But You

I need You
I need You
I need You

I find You
As my heart is awakened to know You more
As the veils are torn that keep me away
As my soul is humbled
I find You more

I WANT YOU
I WANT YOU
I WANT YOU MORE!*

What do You want to say, my King? What is on Your heart because I can't seem to stand up and I can't seem to move, so what is on Your heart?

He replied: "This is what I want to say and this is what I want to show"...

He showed me a battlefield, and there were people being trained and prepared for war. There were lines and lines of people who were standing upright. They were dressed in white garments and they all had swords. The people were filled with light and they were joyful. Who are they, I wondered in my heart and before I could even think the thought through, His answer came. 'They are the true overcomers whose hands are trained for war, and whose fingers for battle because they are true worshippers. They are the ones who withstand the attacks of the wicked and walk in the victory that I AM.' I saw there was oil dripping from their swords. 'It is the anointing of the true worshippers. You can only stand on the battlefield and walk in My victory if you are a true worshipper.' When Yeshua said that I was carried away in the spirit to another place. I was standing there and there were 7 angels around me.

They were all dressed in white and they had golden swords. They didn't talk to me but they were all singing, I was also singing... I was singing the same song that I had just written down, called 'I want you'. As we were singing there was a wall built around us, it was almost like a fort. I was raised up and stood in what now looked like a watchtower. The angels were positioned inside the walls as if they became part of the walls. As I stood in the watchtower I became aware that I had a white and red flag in my hand. There were enemies approaching, they had evil, evil eyes. In the same place that I was, there were a few people also positioned on these watchtowers. I continually heard the roar of the Lion of Judah and inside the roaring I could hear Him saying: 'Now let the true worshippers sing, sing, sing!' The enemy was approaching quickly, it was as if the army of people that was dressed in white started to sing together as one. Right before us there were altars on high places. On the altars there were seed and fruits. The seed was coded with sin and all kinds of abominations were written on it. The fruits were black and really poisonous. The enemy ran closer like wild dogs to come and collect the seed and the fruit because it was their food. I heard Yeshua speaking again and He said: 'These altars with the seed and fruit sacrifices on them are the secret idols of My people whose soul dimensions aren't transformed and in alignment with My order. I want to teach you about what it means to be a true worshipper...

'Everything that I made was created to worship Me... All of humanity, every creature, every angel, every bird, plant, seed, tree and every living thing in every dimension. Let Me show you what worship looks like in the spirit'... I saw another really big altar, there were spices and incense, oil, flowers and things on the altar and there was fire on the altar but the flowers and everything remained in its beautiful form and it was incredibly beautiful inside of the fire. Out of the fire I heard music. I heard many people's voices who were singing. It wasn't about the tone of voice or about how beautiful the person sang but rather about what was in the heart behind the voice because that was all that was heard in the spirit and that was all that was pure to come upon the altar. 'This altar is a picture of what worship is like, worship is not a song, worship is not a voice, worship

is not many harmonious instruments strung together to make a beautiful sound, worship is not a group of people gathered in one place singing from a screen of words put up on the wall. Worship is not lips that move, worship is not putting your hands up in the air. Worship is an altar. True worship in spirit and in truth is the only sacrifice acceptable upon this holy altar. NO demon, principality, agent of the kingdom of darkness or host of wickedness are able to withstand this kind of worship, let alone be in the presence of the fragrance of this true worship. They flee at the face of it, they fear it, they run away from it. The weapon of worship is a powerful weapon, it is the way of warfare. Look upon your altars, let Me show you what I see.'

Then I saw another altar and there was no fire on it. There were only different pictures upon the altar of different idols. These idols were hidden in different areas of people's lives. There were money, pornography, credit cards, clothes, people, papers that looked like qualifications, all kinds of sport equipment, make up, material possessions, cars, houses and many, many other things on the altar. I saw different kinds of things on the altar, even churches, Christian books, dvd's etc, on the altar. 'In your lives there are many things that are sacrifices upon the altars of high places instead of true worship on the altar of holiness because My people look at things differently than I do and therefore if what is upon your altar isn't pure and in alignment with My order, it is idolatry. Different things are important to you than what is important to Me. Look upon the altar, are you bringing sacrifices on high places or are you bringing true worship to My altar that is on holy ground? You look at many things but I look at the heart and if your heart is not in alignment with My Priesthood the sound that you make isn't true worship but it is the sound of idolatry. Idolatry is the counterfeit of true worship. Through true worship you come against all the altars of the kingdom of darkness but through idolatry the enemy finds legal ground to build altars in your life upon which I AM not exalted. I AM calling you into a deeper place of worship, I AM calling you to live the lifestyle of a true worshipper. Your worship builds, when you worship Me, you build a wall of protection around yourself but as you fall into idolatry you build an altar for the kingdom of darkness. I want to

raise up My army of true worshippers so that the altars upon which abominable sacrificed have been worshipped, can be overthrown. I want to purify and sanctify your souls and your lifestyles so that you can be true worshippers. I want to refine you and show you the hidden, secret idols in your life because it is the nature of man to set yourself on high instead of being low, meek, humble and submitted. I want you to play the strings of My heart through your worship but you cannot be a true worshipper if your lifestyle is not stringed to make the sound of holiness. Your idols aren't pleasing in My sight, it draws the wickedness in the air to come and feast upon that which you sacrifice. I want you to prepare a feast for Me. It needs to be a feast of true worship which comes from a pure heart. Worship that is like oil with which you anoint My heart. I hunger for true worshippers. I AM preparing true worshippers through those who seek Me, through those who call Me First Love. I don't want your 'perfection' which you try to cultivate through spiritual performance. I want true brokenness because only through brokenness the sound is able to come out. True worship is locked up in the hearts of the humble and broken, only the desert can bring forth true worship. The feast of Egypt's many lovers (idols) will make you fall into idolatry but as you allow Me to allure you into the wilderness you will start singing to Me again, you will sing to Me a First Love song because you love Me above all other lovers ... That is true worship! Lay down your idols, turn to your First love and gaze upon Me with single vision because that is how you overcome and that is how you will be able to walk in victory in every battle, through living a lifestyle of a true worshipper."

FROM THE PAGES OF THE SONG OF SONGS: 19 July 2014

It was a busy time, full of distractions like always, wanting to pull me away from under the shadow of Yeshua's wing. I sat on the carpet in my room and opened my Bible, asking Yeshua to please speak to me that I may know His heart. As I looked down I saw that I opened at Song of Solomon and I just started reading where I opened...

After I read I was just quiet dwelling upon what I had just read... I heard a wind blowing in the spirit like a gentle breeze. It was the breath of Yeshua that carried a message. "Tell my beloved bride to look after her garden so that My bride will be like the Shulamite." As I heard Yeshua saying that, I saw myself walking in the desert. It was as if I was walking inside of the breeze, as if the wind carried me where I needed to go. There were pages on the ground and He commanded me to pick them up. I walked and walked picking up all of the pages. I realized that there was oil dripping from the pages. It had the sweetest fragrance. I heard the Spirit saying: "The oil is the anointing from the pages of the Song of Songs." I then found myself standing before a huge rock, it looked almost like high walls. It became dark and I sat down and started to read the letters. There was a column of fire above me. As I read I recognized that it was Song of Solomon but in a way it was different because the letters were from Yeshua to his bride. I could feel Yeshua's breath almost inside of the pages. He blew different sections of the letters off of the pages and the words came together in the air and it formed a song. I could hear music coming out of it. The song then became a picture. I saw a picture of Yeshua on a horse with a red robe that looked as if it was drenched in blood. His army was with him and they had swords. The Ark of the Covenant was with Him but it almost looked like it was a bed, or a really big seat. It was almost as if it was a procession moving forward. I was still sitting in front of the rock walls. In my hand there was a really big trumpet. There were seven things written on the trumpet. The 7 different things were written in the 7 colours of the rainbow. Then I heard Yeshua saying: "This wall that you have come before is the religion of many generations, it is the lack of covenant that have kept My people beyond the wall which is the veil of the

nature and the DNA of the unsundered and shattered soul. Blow the trumpet, daughter of Zion, and see My salvation spring forth like a river. I took the trumpet that was now overlaid with the pages that I picked up. The trumpet was wrapped up in the pages and then I blew the trumpet 7 times. The words of the pages went through the trumpet and came against the wall like an army attacking. Inside of the words I heard people singing, they were worshipping and like a hammer beating against the wall, it shattered into a million pieces. It crumbled as if it was fragile. In front of me all that I could see was a really big double door as the wall was completely broken down. There was blood on the doors and I heard Yeshua saying: "Enter in." It was day again and I took the trumpet and ran through the doors but it wasn't just me, there were thousands of people that were going through the gates together like sheep. We found ourselves inside of a beautiful, beautiful and fruitful garden. It was lush and flourishing. I walked in the garden and it was as if I was looking for something, and I knew I was looking for Yeshua. I came to a place in the garden where I saw two trees in front of me. In front of the two trees I saw the Ark of the Covenant again. Yeshua was standing in the midst of it and His presence was like flood waters that surrounded me and I couldn't stand as it swept me away. I fell on my face and worshipped Him... Worthy, worthy, worthy is the Lamb who was slain. Worthy, worthy, worthy... Holy, holy, holy, holy are You King of Israel. Inside of His light I immediately became aware of dark spots on the white dress I was wearing. I repented and it was as if He covered me with His red robe. "Come closer, He said, draw near with your repentant heart and your worship." He took me by the hand and it was as if He pulled me out of a state that I was in. It is difficult to describe, it felt like death, it was heavy and burdensome. He pulled me out and then I saw myself walking with Him hand in hand and my dress was white again. He started speaking to me... "Your souls are in ruins, I want to deliver My people from the death in their DNA. In every part of your soul where My blood hasn't been appropriated, where you haven't received My breath that changes, renews, restores and brings to life, death tries to suffocate your spiritual life. In the process you decrease spiritually and increase in the lifestyle of a harlot who builds idols and lives for yourself

through being double-minded. I want My people to visit the altars that they have built upon high places so that they may be overthrown and loosed from the hold that it has on you. It keeps you in bondage and it keeps you from victory and breakthrough. Religion also keeps your spirit in death because there is no spirit life in religion, religion sucks the spiritual life out of you and you are unable to have intimacy with Me. Through the vision that I have given you I am saying that to enter into the full destiny that I have for you and to walk in the promises of My purposes, you need to come against the walls of religion that keep you outside. You need to be delivered from the religious way of worshipping because I want to lead you into true worship. True worship has a key. The Levites were given the key and the anointing of true worshippers. The key lies within the tabernacle because it was the Levite's duties to tend the tabernacle. The tabernacle is the way and the model of worship, it is about entering into the holy of holies, it is about going beyond the veil. The Song of Songs is the fulfilment of the office of the Levites because the Song of Songs is about COVENANT, it's about intimacy. I want you to be a royal priesthood that enter into the tabernacle of covenant love that brings forth worship in spirit and in truth. Do you know the song of the Bridegroom? Do you know what I AM singing over you so that you may abide? I AM saying come closer, draw near, I AM saying prepare for war, I AM saying draw your Sword and sanctify yourself. I AM saying prepare for a war and a wedding feast because you are in the time of war and if you do not fight the battle in the spirit, the battle will flood into the natural and you will find yourself unarmed and unprepared because you were called to a First Love lifestyle. You were called to seek MY Kingdom FIRST. You were called to live from the inside out so enter in and come inside where you are in alignment and in COVENANT so that you may be a garden enclosed, a fountain sealed, a garden with pleasant fruits. You need to walk in the spirit and war in the spirit because if you do not, you are not in alignment with My Priesthood.

Awake, O north wind and come, oh South! Blow upon My garden, that its fragrance may flow out. Let My Beloved come into His garden and eat its pleasant fruits. ~Song of Solomon 4:16

THE TABERNACLE OF COVENANT LOVE: 9 August 2014

It was Sabbath morning and I was sitting inside of a little boat on a dam in the Elgin Valley where we had the privilege of spending the weekend. I was surrounded by beauty everywhere I looked. I laid back with my head on the one side of the boat and my feet over the edge of the other side. As I looked up I saw two eagles, really high, soaring in circles. They came closer and closer and started circling right above me for a while. It's just me and Yeshua here and I am flooded by this fact- WHAT AN HONOR to call our Creator, Abba! I just laid in the boat speaking to Beloved Yeshua but it felt as if there was a veil in the spirit that I needed to get through. Then I saw a vision in the spirit of a door and heard Holy Spirit saying that He was busy preparing me to enter into a new door, a new season and with every new season there is a veil that needs to be torn. Most of the time the veil is ourselves and it is torn through laying down and dying to 'self'. Less of me and more of Him in us until there

is nothing left but Him. When do we get there? Well, I think the answer is- not anytime soon.

‘I will keep you inside of the fire for a while, be at peace.’ Then I saw myself sitting at a table in the spirit with a scroll in my hands. On the scroll there was a long list of names of the Levites throughout the generations. I was reading the names and later on I became aware of a blueprint on the scroll. It was a blueprint of the tabernacle. An angel appeared in the room and had a branch in his hand with almond blossoms on it. The angel was sent to call me. The next moment I was walking behind the angel in an orchard, there were so many trees with a lot of fruit on them. I still had the scroll in my hand. There was a very big tree ahead and the angel said that Yeshua sent him to tell me that I needed to go and wait under the tree. I started walking to the big tree and there was a little golden bridge that I needed to pass over to get to the tree. I sat at the foot of the tree and then I realized that the tree was on a hill because I was overlooking the most beautiful valley. There were vineyards and all kinds of fruit trees. I looked up into the tree and saw that the leaves were really big and they looked like golden papers. There were pomegranates and figs in between the papers. The fruits dripped with oil and it became a stream around the tree. One of the ‘leaves’ was actually a golden page that fell off of the tree and a gentle breeze blew it into my hand. Holy Spirit said that I needed to drench the page in the oil otherwise I would be unable to receive the revelation which is what is on the page. When I looked at the page all that I could see was gold. I couldn’t see any inscription on it. I stood inside of the river and I realized that it was really, really deep. As I dipped the page in the oil there was a sieve in my hands. The kind that you use to find diamonds in the sand. When I drew out the page, there were precious stones inside of the sieve. I could only see 3 precious stones. The one precious stone had a trumpet inside of it, the second a menorah and the other a music note that looked like a Hebrew word. I realized that everything that came in contact with the oil became covered in blossoms. Holy Spirit said that the oil was called blossoming and even as I walked out of the river, I had a beautiful dress on that was covered in almond blossoms. I clearly heard Yeshua saying to me that I needed to plant

the jewels. Suddenly I saw that there was a piece of land next to the tree that was already prepared for planting. I walked to the middle of the piece of land and planted the jewels in the soil. A strong wind picked up and it was as if there was life inside of the wind. The wind brought life as it blew and I saw the piece of land turning into a garden before me. Right where I planted the jewels there was now a big, lush and beautiful tree. I wondered what the tree was and immediately I heard Yeshua answering me: "The jewels are the words of wisdom and revelation that I give to you to plant in the soil of the nations. The tree represents what it brings forth- the lifestyle of people who return to a covenant relationship with Me. It is those who walk in covenant with Me whose lifestyle becomes a tabernacle of dwelling with Me in covenant love." I had the Levitical Priesthood scroll in my hand again. Yeshua continued to speak: "The garden that you are in is the Song of Songs garden, this garden is the fulfillment of My desire in the beginning to have a people that dwell with Me. This garden is the garden of intimacy with Me where you have been restored to your First Love and have gone beyond the veil because of My Blood that have opened the door of My Priesthood to enter into so that you can become a royal priesthood, a holy nation, a sanctified people."

I sat under the tree again, waiting... I had the Levitical Priesthood scroll in my hand again as well as the golden page that came from the tree. I felt Yeshua's arms around me. He took the scroll and the page in my hands and put them over each other. A clear picture started to form and I heard Him saying: "Levitical Priesthood." I saw the plans and blue print to build the tabernacle and Yeshua said that the revelation of His tabernacle and His Priesthood was the key to restoration to the garden and the key to going past the veil into the Holy of Holies. Yeshua softly whispered to me: "I want you to teach My people about the deeper meaning of My tabernacle so that they can live a covenant lifestyle. This tabernacle is not a tent but it is a people who have the blossoming oil, their Song of Solomon gardens blossoms. My children, the Song of Songs (Song of Solomon) is the fulfillment of My desire from the garden in the beginning because in Song of Songs the Shulimate bride and the Shepherd are betrothed and they dwell/tabernacle in the garden

OUT IN THE OPEN: 19 September 2014

I was sitting curled up under a blanket with a cup of tea after being in studio the whole day working on SHAMA - The Lifestyle Of A True Worshipper. It was cold and wet outside. I was thinking about what Abba is busy doing in this season not only in my life but amongst His children...

‘There is a shift in the spirit, can you feel it? You are in times where hidden things are being revealed. That which was covered is now out in the open. There are things being revealed and there are things being exposed. Ultimately, things are being revealed in a way that people can hear and see. I AM revealing deep truths to those who listen. My bride is going deeper because she puts her head upon My heart and listens to Me intently. My bride is being raised up in the covenant walk of listening and obeying. In the church, I AM busy stirring the lukewarm and religious to awaken and come away! As you look to the nations you see persecution, hatred, rebellion and violence just as I said that it will come in a great way in the end times. Brothers are turning against brothers and nation against nation. False peace will arise but that which is false do not last because falsehood is deceptive. I AM saying AWAKEN, AWAKEN! What the enemy has been busy plotting against My children is not just covered anymore. It is out in the open. Hatred is growing like a tree in the nations and the fruit of it is destruction. That tree of hatred grows because of a lack of covenant life.’

There was some noise around me and it distracted me so that I couldn't hear what Holy Spirit was saying because my attention was captured. I put my fingers in my ears just so that I could gain my attention back again and then I heard Holy Spirit saying: “The enemy will try and distract My children, just the way that you've just become distracted. That distraction will come in the form of falsehood, even in the face of religion. The moment when you give ear to the falsehood, deception creeps in and you are no longer able to discern the truth because you've been enticed and mixed seed starts to grow in you. I need My children to focus and discipline themselves spiritually so that they can become sensitive to My voice. You are in the time of deception and therefore you need to

It was the first day of the feast of tabernacles. I was walking all day with this longing in my heart. I hunger and thirst for the feast of His presence. I desire to sit and listen to His whispers of wisdom which are sweeter than honey. I set up a bridal booth in my room in which I can dwell with Abba during the feast of tabernacles. With great expectation I sing to my King - *You are my temple, You are my tabernacle, You are my dwelling place, You are my home and I will tabernacle with You all of my days.*

I sat in my 'tabernacle' and I waited... It felt as if I was waiting there for a week. As I waited Abba opened my eyes. I was walking into a place that looked like a palace. Everything was made of gold and precious stones. As I walked inside I heard a very soft whisper calling me. I looked to my side and saw that there was an opening into a courtyard. I went to the courtyard and then I saw a really big eagle in front of me. The eagle was completely gold and dripping with oil. The eagle spread out its wings and I heard Holy Spirit saying that I needed to wait under the eagle's wings because He was going to teach me there. When I waited there I saw that there were hidden mysteries inscribed under the eagle's wings. Suddenly I felt heat over my eyes, it was as if burning hands covered my eyes. I couldn't open my eyes for a while and I just sat there waiting. After a short while I knew that Messiah was right there with me even though I couldn't see Him. He whispered into my right ear and it was so very clear. "I AM anointing your eyes with fire and I AM anointing your vocal chords with fire, you will rest a while. I AM preparing you to receive deep revelation. Trust in Me because I AM busy working in you. There is a shifting season where your calling and focus is shifting. Here is your golden pen Sarah, I have kept it for you. It is time to write again. I will take you even much deeper. I will stretch you. I want to teach you My hidden mysteries so that you can teach My people the wisdom of ages.

12 October 2014

This morning Abba woke me up early in the morning hours. The past few weeks has been a transition and I had to spend lots of time in silence at His feet to spiritually process everything that has happened in this season. Later the morning I was busy in the kitchen. I put my earphones in my ears and started listening to the Shama songs. My spirit was incredibly expectant. I started at Passover the threshold and while I was standing in the kitchen I just started crying as Holy Spirit came over me like a flood. I cried all the way through to Stay Awake and when the trumpet sounded in the song I heard: "Now." There was an urgency in Messiah's voice. I ran to my room and waited with my journal, ready to write.

3 Angels appeared before me. They had different things in their

hands. They also had an urgency and prompted me that I needed to remain listening to Messiah's voice because they were assigned to watch over me in this time because it is a time of spiritual attack and I needed to stay under Abba's wing.

Then I saw myself sitting on the ground on my knees in a position of waiting. I was being stripped of many things that He has been dealing with, with me in the past season knowing that He is about to take me into a much deeper level. After a while another really big angel stood before me and he called me to come because I needed to move into another place because the past season was over. While we were walking I couldn't see where we were going and Holy Spirit spoke to me: "It will be a season of faith that I will take you through. I will test your faith because the season you are entering into is unknown. I will prompt you to do things without you clearly hearing that it is what you must do so that I may test your obedience. Be still and know that I AM. Move with the flow of My Spirit and you will walk in the destiny.

I have a message for you to deliver now. You are entering into a season of the watchmen warnings. I will give you messages of coming judgment because My face is fire and it is turned toward the earth. A time of great trouble is coming and none is like it."

I saw a vision of a woman sitting as if she is reading the news. It looked like I was watching the news. There were scrolls in front of her. On her right side there was something like a screen displaying images to those watching. She read the scrolls and gave warning about things in the natural and spiritual as displayed on the screen. She had to make people aware about what was going on beyond what they could see because the people were blind. The woman started to speak louder and louder and people turned up to hear. I saw disasters, it was dark. I saw ufo's and corruption of flesh. I saw the moon that was like a spiritual satellite making a really loud sound. It was the sound of a trumpet giving a message. People were in trouble because they looked but did not see, they listened but did not hear. I saw scrolls being opened for the first time, scrolls that were kept for a time such as this. I saw an army of people with swords and they were marching and worshipping. The army got bigger and more people joined. Then I saw an eagle delivering

messages to her. She opened the letters and gave the messages on the news. The scroll she opened was about martyrs . Then I saw a really LARGE group of people that were dressed in white robes. They were the martyrs, many of them were beheaded. I heard a ticking sound like a clock. Everything was supposed to be in sync with the beat but nothing seemed to be in alignment with it. Therefore there was mixed sounds. I even saw the earth not rotating according to the sound anymore and things started to disrupt.

“It is the time for scrolls to be opened. I AM warning My people to LISTEN. I AM sending My messengers out to prepare your ears for the sound because I will release My mysteries and I will show you My wonder, I will judge and the people will fear because the face of I AM is turned toward the earth. I tell you if you do not know the sound My judgment will come upon you. You are going into a time where compromise is unacceptable. Lukewarmness is a curse of death and judgment and you will not escape it if you do not heed My warnings. Open your eyes My people and see, open your ears and listen.”

Three times I heard- “Jubilee, Jubilee, Jubilee.” I saw a vision of people going through the desert with an intense speed. In the beginning they walked slowly but nearer to the end the people was a mighty army running towards the great city, the New Jerusalem. They were fierce and violent for the King. They were all clothed in white garments and they had a name on their foreheads in gold. I heard a mighty, mighty sound! It was the roar of the Lion of Judah and the sound of a trumpet mingled together. Fire came out of His mouth and inside of that fire there was a scroll. The scroll was inside of my hand but I wasn’t allowed to open it because I was tested. I couldn’t open the scroll, only Messiah could open it because there was a seal on it with a code on it and it was in His language. I looked at the scroll and my eyes started to burn with fire as my eyes were circumcised to be able to see what was in the scroll. I heard two words: “The mysteries of I AM will be revealed, the order of My Blood will be made known to man and all will see who I AM! Many will hear but not all will understand. I will open the scroll and I will reveal My end time mysteries to those whom I have chosen as worthy prophets. Intense persecution is coming, prepare

yourselves because you will be hated for My name sake. This scroll holds the key to the unveiling of My true covenant people. This scroll holds the key to revival and unity. It is a great mystery. I tell you to prepare yourself through listening. The time will come, a time of understanding and it will cause My people to be restored to the land that I have promised. A time of fulfillment of what I said. A time of opened eyes, it is coming, it is coming. Do not let Me find you sleeping and slumbering. A time is coming that I will touch the lips of My people with My Spirit and My Word and they will worship Me in spirit and in truth with one tongue. Shema Yisrael, Adonai eloheinu, Adonai echad. I AM ONE. The people will see that I AM ONE. Listen for the eagles cry because I will send My messengers to go out before Me to prepare the way of the Messiah because I AM coming, you will hear the eagle's cry before I come saying: repent, repent. The eagles cry will teach you about the appropriation of My blood. I tell you, you do not know what is in My blood, you do not understand what happens in your DNA when you appropriate My blood the way that I purpose you to. You will hear the sound of the trumpet through the mouth of My prophets and you will hear them saying that I AM coming. They will warn you, they will teach you so that you yourself may hear. I AM rising up a new generation. I AM doing a new thing that you have not seen before. Behold, in the last days I will pour out My Spirit on all flesh and your sons and daughters shall prophecy, the old men shall dream dreams and the young men shall see visions. Listen, listen, listen! Tell My people what you see...

I saw the holy city, Jerusalem. There were people positioned on the walls with trumpets in their hands. They had eagles vision and they could see very far. They could see what is coming and they could hear what the Bridegroom was saying because they had been anointed for a time such as this. I see them turning their attention as if they were hearing something unknown. "I will read the scroll to them and they will teach the people. It will lead to the transfiguring of the one new man. I AM testing My people, will they listen or will they say- false, false at the face of the new thing that I AM doing? Do You know The True Word that I AM? I will open new scrolls, I AM warning you to prepare yourself to hear it. It will lead to the

marriage supper of the Lamb because of the fulfillment of My Blood in your DNA. The time of fulfillment will come at the marriage supper and the time of listening will be over. Listen now!

I saw Messiah in a robe that is drenched in blood, He had a new name that I do not know. While I saw Him glorified I also see Him as a Lamb bleeding for His people. For every tribe, tongue, people and nation. Inside of His Blood there was a mystery. It is the mystery of I AM. It is the mystery of His ORDER, the order of I AM. It is the mystery of the Creator. The mystery is His DNA, it is HIS nature. Within His blood I saw two 'sticks' but the two sticks was like two strands intertwined together. Within the two 'sticks' there was inscription. It was pictures and words. It is almost like a timeline. I see two words. It looks like Hebrew but I could not understand it. The two words are connected to each other and are actually one word. The word is the revelation, the word is what is written in the scroll. It is the mystery of the 'oneness' of YHVH! "The mystery will unveil the faces, the mystery breaks the religion, the mystery opens the eyes. It is the I AM, the Rock of Ages, the ONE! Through the mystery the one new man will worship Me with one tongue because they will see who I AM. I release you, run with the message.

UNCOMPROMISING: 30 December 2014

I was sitting and waiting upon Abba when I suddenly felt heat on my ears. My ears burned as if coals touched it. Inside of my ears it felt as though the heat of the fire went right into my brain and my eyes also started to burn. As my eyes experienced this heat it was as if my sight became much clearer and what I saw before me was an army of trumpeters. The army of people all had Shofar's in their hands and they were gathered together in preparation. There was an expectancy. They had a golden seal upon them. The people were almost scattered and there was no order amongst them. Everyone was standing around looking in their own direction. The next moment I saw the Lion and the Lamb. The Lion of Judah was standing with so much authority and the people feared Him. The Lamb was lying between the Lions feet and the blood of the Lamb created a mantle of red blood around the Lion. The Lion roared and as the Lion roared the trumpet sounded and all the people where turned towards Him because they feared Him. People were selected from the group of people. They were very specific people called the David's. They had another mark on them within their identities. They had to give their willingness when they were chosen but most of them couldn't understand why they were chosen because they were seen as insignificant, small and even uneducated. The lion placed a seal of authority on them when He took them through the desert and then He crowned them to be kings and He put priestly garments on the priests and the prophets were given shofar's. These people were given a mandate to create order in the army because they needed to be prepared for a war and a wedding feast. The whole time while I was seeing this vision the people were preparing. I became aware of this intense fire again and it was really uncomfortable. I started crying out to Abba in the fire but He answered me from the fire in a gentle, loving yet firm voice: "My daughter the nations are in the time of great fire. It is My fire, I AM burning what can be burned so that the pure can become gold and that which is not of My nature can be burned away in the fire of My holiness. My bridal army allows My fire, it is uncomfortable and stripping but it is what prepares you. I will take the willing deeper in

the furnace so My people who are called by My name can be in alignment with My order. You are in a great transition time where the harlot can become bride, the weak an army that defeat giants... It is a matter of the time as you are drawing closer and closer to the end of the age. This transition will bring forth a time of which none is like it. I want My fire to awaken your ears to hear, to transform your mind from being conformed to the things of this world and your eyes to look with discernment so that you may not fall into the serpents deception. In this year there will be a battle against the anointed, against the bride. The enemy tries to tip the lukewarm that are standing on the edge into the passivity that blocks preparation. Be careful My people of becoming mixed by the things of this world. Even now as My eyes are going across the earth, I see wickedness, lawlessness, drunkenness because people are drinking from the cup of the world and are intoxicated by fleshliness and worldliness. In this time My people are called to seek Me like never before. I tell you this, many think people are crying wolf, wolf. Many do not believe because it has all been said before but I tell you this. You will not be able to say that you were not warned because the hour is coming and it will come unexpectedly for many. I want to draw My bride closer to Me through her walk of listening and obeying. In this season I AM calling My bride deeper into deeper intimacy with Me, deeper levels of obedience. I AM calling you to lay down your life and the ways of the world in a deeper way to be uncompromising. Will you ask Me to reveal to you in your life where compromise is operating. Compromise comes from the paralyzing fear of a broken identity. It will keep you from listening and obeying if you allow it. Do you know who you are, do you know that you are royalty? Why then do you walk as if you are a nobody? Why do you order your lives according to Babylon and the lusts of the flesh because of a fear driven system if you were called as kings and priest to live according to a Royal order of blessing and life? I tell you, you will be challenged because even as the people are awakening, there are also people who are drifting further and further away and they will not understand your radical obedience. This will even be a test for you. Warn the people to buy their own oil. You cannot get another's oil, you need your own oil. Remember

that these messages are grace, in My grace I AM warning you, in My grace I AM teaching you to prepare but the warnings will not just go on and on. A time will come that you will see what has been said and My judgment will come upon this earth like a flood because I have warned you. Do not be misled because of what you do not see but heed to My warnings so that you can listen and obey. I do not want you to compromise because of fear because your mind is woven by worldly patterns. I want you to walk in faith through listening and obeying because My instructions are in your mind and the patterns of Who I AM and what I say is the order of your inner being and therefore you fear Me above any other. Fearing Me makes the compromise flee. I am calling an uncompromising people who are like Gideon's army- fearless. My children, you cannot afford to walk around without vision because you will become distracted, confused and you will go in the wrong direction. You need vision about what I AM leading you into so that you may walk in radical obedience because of fearless faith. You need to stand your ground because if you give the enemy only a little gap he will try to derail you because the serpent is desperate. Do you trust Me? Do you trust that I will do as I said I will do? Do you deeply and wholeheartedly trust Me that I will fulfill My promises because if you do not trust Me, your obedience will be broken. You may have many battle scars from past seasons. You may carry disappointments and memory that brings forth discouragement. Maybe deep inside of you, you feel hopeless because you do not know what My promises is for you or you still struggle to hear My voice or you are still not walking in the promise. I tell you My children that you are in the time of completion. Completion needs to come because before fulfillment comes completion and before completion comes rest and before rest comes faith and before faith comes hope and before hope comes trust and before trust comes love and before love comes listening and obeying. I want to bring completion as you journey with Me because I will not return when completion of preparation is not fulfilled. I want to complete in you what I have started but I need you to cooperate. I want to build and complete the purpose of My tabernacle within you so that you may dwell with Me and I therefore dwell with you. Abide in Me because without Me you are nothing.

Allow My fire, allow My conviction, allow Me to judge you in a time of grace so that you may repent and be restored. The John the Baptists are rising up with the cry of the Bridegroom calling His people to repentance because repentance is a DNA thing and is therefore what will prepare the bride for her Almighty Messiah. I AM bringing preparation for the veil to be lifted in a much deeper dimension. I AM removing layers of falsehood and deception through the truth revealed to the bride that listen and obey. My bride is a light to the unbelieving, the lawless and religious. Put on your armour for the time is shifting, stand in the battle that your mind may be transformed by pure patterns. Meditate on My Word on My truth day and night that you may not depart from it but do according to all that I have instructed. Wait upon Me so that I can give you vision, not just about what is coming or about the purposed promised land that I have called you to but I want to give you vision to see what I see regarding what is going on in your heart, the depths of what is hidden in the wells of your soul.

I AM the Lion and the Lamb. My people are saved by the blood of the Lamb because I AM grace but many people do not know the face of the Lion, they do not know the Judge and therefore they are lukewarm because without My fire you will not see My face. I want you to look into the eyes of the Lion, see the fire in My eyes, hear Me roar the truth of I AM so that you may behold Me, so that you might know Me and therefore become like Me. I AM looking for sheep that know My voice and follow Me humbly and obedient. My heart is longing for lions who take up their authority fearlessly to run after My purposes and pursue it. Lions who are strong and courageous. Are you in the likeness of My image? Are you part of the tribe of the Lion of Judah, are you a sheep of the Good Shepherd that I AM? Can you roar in mercy? Devour in love? Can you overtake in submission? Stand in authority in humility? Can you obey Me because you love Me and not because My instructions is a law? Can you search after My heart even when you don't feel like it, when there is nothing you need? Will you still trust Me even when you don't understand? Will you be still and know when the storm is raging and you don't know which way is home? Will you draw the battle line and face your enemies with bold determination when

what you face seems bigger than you? Will you desire Me above anything else? Will you still pursue intimacy with Me even when you are blessed or just when you find yourself in a desert? Will you obey Me when others are looking because you are accountable or is My unseen Spirit your accountability and the place where no one is watching your platform for obedience? Will you press on and push towards the mark, the finish line of the race of faith even when you have people on all sides of you saying that you are taking it too far, that you are deceived, misled and too spiritual? Will you focus on obedience instead of the promise? Will you love Me above the gift? Will you give Me back what I first gave to you? Will you lay down your false identity to walk in your destiny? Will what I say be more important to you than people's opinions? Will My Spirit be the understanding, revelation and interpretation of My living Word or will a religious mindset define who I AM? Will you go beyond borders, jumping off the edge of fear into the unknown by faith in Me alone?

Will you die with Me so that you can walk in the power of My resurrection? Will you realize that your victory rests upon the foundations of obedience and your authority upon the tested fruit of intimacy with Me, to abide. Will you stop making idols of people and just gaze upon Me? Will you pursue Me instead of a feeling, sensation, vision, word, promise? Will you be like Abraham that leaves everything to do what I ask? Will you stop comparing yourself with others because you fear missing the mark? Will you stop measuring yourself according to standards that I did not set?

Hear My words, I can give you revelation of coming events, I can give you promises of prosperity and sweet words of grace. It can enlighten and encourage you but it will not change you. I desire change in your hearts and lifestyles. I AM asking you if you are going into a season of willingness to change or are you staying on the shores? Change will bring forth restoration because it comes from the fruit of repentance which will transform you into the desire of My heart. There are many things coming, many promises that I give, many things that I want to do, there are warnings, judgments but the thing is that if you do not journey with your Bridegroom you can hear all those things and even believe it but still not be a wise

virgin with extra oil in your lamp. I want to bring you to the place where you are in a passionate relationship with Me, Your Messiah, your Bridegroom because it is out of that place that you are truly My children. Without knowing Me as your Bridegroom you are only a friend, a friend of the Bridegroom and a friend of the bride, all because of a lack of change, compromises and passivity from the religious mindset. I have many friends that believe in Me but there are not many whom I call bride because there are not many who knows the Lion and the Lamb. My bride knows My judgment because she loves My righteousness and justice therefore it is embraced. My friends do not know Me intimately and therefore they see judgment as a curse, something unlike a God of love. They think I will not, they think a God of love will not... I tell you, I will, I can because I AM! I AM not to be mocked, I AM not a respecter of persons, I AM holy and I AM righteous and I AM uncompromising. I will not compromise on Who I AM and what I have said even though many think grace changed the picture. None of My words has passed away because I AM the Word. I AM what I say because My Word is coded and filled with the pattern of My Spirit. You cannot separate My Word from Me and you cannot discard My instructions in any way because when you touch My righteousness and justice with falseness you provoke anger in My heart because you say that I AM not Who I AM. I AM a fire and I will burn because I AM love. Remember your covenant Maker, do not depart from Me, do not live far from Me. Abide in Me, draw close to Me and seek Me more. I AM more important than anything and your lives needs to testify to it otherwise how will the unbelieving recognize that I AM? Remember that you are the light in the world. How do you present Me in the nations? Do the atheists not believe because what they see is a hypocritical church? Do the Hebrew people not believe that I AM the Messiah because Christians have dressed Me in roman catholic garments? Do they not see because you are keeping pagan feasts and not My feasts, My instructions? If you are the ones who are suppose to be walking in truth why are you the ones causing veils over people's eyes from seeing Me for Who I AM. There are many Christians who are not obeying I AM, they are obeying tradition and therefore they are deceived. Do not think that

[illegible]

It has been a soul searching season. For a while now I could feel how Abba had been testing me, looking at me in silence to see what fruit comes out so that the fruitless branches can be identified and pruned. That is not always the easiest seasons because in that time battles and blessings are evident and you are tested in both. Do you

take up your authority in the battle? Do you still seek YHVH's face in the blessing or do you just seek His hand? There is nothing more humbling than being confronted with the condition of your own heart. The flesh wants to hide it from your own eyes because the true fact of the matter is that pride is blind. It is one of the soul layers that veil unmet needs, unresolved issues and unhealed hurts. Praise YHVH for the storms that bring the dirt to the surface. Praise Him for the desert that reveals all the false comforts, coping mechanisms, pride and compromise. You now have a choice once you have dared to acknowledge your own blemishes. Are you going to continue to hide it or are you going to expose the very issue in the light of Abba's presence and be transparent about it amongst those close to you. We pray show me Abba. Burn me with Your fire. Take out the pride in me. The question is, what do we do when He reveals it? That is the most important thing. Many times we procrastinate, we are passive or just plainly busy and then the heart issues, bloodline issues, broken identity, lies and deception are not dealt with. Is it because it seems like a mountain before us? Are we afraid to go there? Do we use excuses like "I don't hear Abba's voice as clearly as this or that person so I don't know what is hidden in me?" Or maybe this excuse is more familiar "it has already been done on the cross for me so I don't have to deal with any bloodline issues". We have become so comforted by falseness that it has paralyzed our spirits; it has made us spiritually passive. Our spirits are so weak concerning the things of YHVH's Kingdom because we do not sow in the spirit. The falseness is all part of the tactic of the enemy to keep us away from the principle of listening and obeying.

My point is this... We need to come out of a comfort zone of second hand knowledge that we gather instead of going into the inner room with Abba and allowing Him to strip us of that which veils us from the Holy of Holies of intimacy with Him. Yes, one of those veils can be knowledge about Him. His heart is intimacy with Him, closeness with His Spirit. We cannot walk in His purposes if we are not willing to break down the soul layers, the Jericho walls that keep us outside. Are you able to identify the defense mechanisms in your life? Are you able to identify heart issues? Are you able to identify pride and fear operating in your life because believe me it hides somewhere

in you. We need to start seeing. We need to start identifying and acknowledging our heart conditions so that we can come to the place of true repentance through the conviction of Holy Spirit.

There is a Scripture in Proverbs 29 that speaks about the fact that people perish without vision, without revelation but happy is he that seeks the instructions of YHVH (paraphrasing). This really speaks to my spirit because I believe that is the condition of the body today. We don't see, we don't have vision and therefore no true revelation. It is because we are not able to identify the serpent in the garden so to speak, that we do not see falsehood operating amongst us. We are called to be the last Eve. We are called to be restored back to the heart of Abba where we identify the serpent operating in our DNA, on soul level, emotions, finances, family life and of course in the church. These areas of our lives become his playground if we don't identify the serpent. We will be eating of the wrong tree and therefore producing the wrong fruit before we know it because we become defiled by the mixed seed that religion brings. Like I always say, the trap of the enemy is to make us 'spiritual' when we are in fact religious. I see too many people that have all of this knowledge but they don't apply it so they still don't taste the fruit of intimacy with Abba. Some say they do not practically know how, but I say it is because of the mixed seed that the enemy uses and tries to confuse you between grace and the instructions. You have the Spirit of I AM in you, the Spirit of life, He Himself will teach you if you choose to deal with what He reveals. Don't say you don't know how to deal with bloodline issues or you don't know how to operate in the courtroom... It is not about getting all the principles right. Abba is not interested in a child that prays perfectly and does all these spiritual principles just right. He desires a mature bride, not perfect children. Maturity is not perfection. It is the brokenness within you exchanged for the character of Messiah. The cost of that exchange is dying to self. Believe me, I look at my own life and am so humbled by what comes out of me when I am in the fire but I rejoice (eventually) because I see the fruits of maturity are forming. We need mature eyes that see what YHVH sees. We need mature character to deal with what He reveals when He brings us to the place of conviction (NOT condemnation!!!)

This morning I was sitting at the bank waiting in line. Many times you hear people complaining when they have to sit in a line or get stuck in traffic. Why are we always in a hurry? We need to be ok with waiting! We need to be mature enough to acknowledge it as an opportunity for a chat with Yeshua. So as I was waiting I started talking to Him. I was washing and drenching my thoughts in what Abba had revealed about the soul dimension. As I sat there Holy Spirit dropped a few things in my spirit. I heard Yeshua saying: “False intimacy.”

He started speaking about how “false intimacy” is operating in the souls of man. While I was sitting there I remembered a dream that I had that morning. I dreamt that I was with a man in a room. He looked at me and said that I should pay attention to what he was busy doing. When I looked at what he was busy with I saw that he was busy creating a woman. He used certain material and poured it into a mould to shape the body of the woman. He paid a lot of attention to her face. He explained to me that this woman needs to have a very specific face. He formed her eyes with His hands and talked about the bones surrounding her eyes that needed to be a specific way. Through the whole dream He molded her. Then he looked at me and he said these words to me which seemed very weird to me because I didn’t understand him at first. He said: “**Intimacy**... Now the people don’t need to **use a pen** anymore. The **woman** will be **alive**.” Later on in the dream the woman became alive and she was beautifully dressed in white and talked and was completely normal.

At first I thought, what a weird dream but then Holy Spirit started revealing the hidden meaning. The man in the dream was a type of Yeshua and this woman that He was molding was His bride. He is shaping and forming His bride according to the desire of His heart. He is focusing on her eyes. He wants His bride to see what He sees, look the way He does. Eyes are about focus. The bride is either world conscious, self conscious or conscious of Yeshua. The focus of the bride will determine whether she will walk with Him or not because if she is world conscious her walk of life will testify about what she focuses on. She will therefore be “shaped” into the mold of the world. Abba has specific desires in respect to a bride for His only

begotten Son. He desires a covenant people, a royal priesthood, a holy nation, people who bear fruit according to His image. Therefore the bride is not just anyone, it is those who conform their lifestyles to the instructions and therefore desires of the Creator. The section in the dream about intimacy, the pen and the woman being alive gives the revelation about false intimacy...

I took my phone and looked up the word **use**, **pen**, **woman** and **alive** in the English dictionary because these are the words in the dream that will reveal the deeper hidden meaning.

Use

One of the meanings of the word use is: “An automatic pattern of behavior in reaction to a specific situation; may be inherited or acquired through frequent repetition”.

Pen

A pen can either be an enclosure, hedge, wall, jail, imprisonment or it can be the instrument used to document something, in other words a writing implement.

Woman

As I said, the woman is the bride because a woman is a type of fruitfulness.

Alive

The word alive means “possessing life” also to be perceptive, responsive, alert and awake. Interestingly the words discerning, sharp, penetrating and piercing also features in the thesaurus of the word alive.

Ok, so now I had the different puzzle pieces of the dream, but now they needed to be assembled into the right picture that will give understanding and revelation. I am going to give it through as Holy Spirit revealed it to me...

“This dream is about what I AM busy doing in My bride. I have called you to give attention so that you may know what I AM busy with and therefore also call My children to pay attention. The woman is My bride and the different symbols in the dream reveal to you what I want to do. I want to bring My bride to the places where she is awake and therefore alert. Only when My bride is awake can

she posses life. This life is life in the Promised Land. I want My bride to be a possessor and not a desert wanderer. My people are not possessing the Promised Land because they are not awakened but slumbering because of false intimacy. If you understand the meaning of the words “no more use for the pen” you will understand what is keeping false intimacy in place which is like another veil keeping My people out of that place of abundant life in the Promised Land, the Holy of Holies. The problem lies within the souls of My people that automatically react because of a pattern in the DNA that may be inherited or acquired through frequent repetition. These wrong patterns are written (meaning of the symbol pen) in the DNA and it forms a wall, a hedge around My promised land for My bride that keeps you out and the works of the wicked in. When My bride becomes awakened and alert to recognize these wrong patterns instead of being like the first Eve that didn’t recognize the serpent false intimacy will be broken and the words of MY pen which is a Sharp two edged Sword will PIERCE and engrave My instructions upon the pages of your heart and DNA and will cause a hedge of protection around you. The piercing Word of life will be like seed sowed into the soil of your soul that will create a garden and that garden will be enclosed like the garden of Song of Songs that was enclosed and the enemy will have no way in and no way to keep you out. Understand this, false intimacy enters in on your soul level, there where the wrong patterns of the enemy has not been broken. It will cause you to react to sinful impulses and will keep you spiritually asleep. You will be perceptive and responsive to the wrong voices in your blood calling you to sin and if the wrong patterns are not dealt with you will respond to them. I want you to be perceptive and responsive to MY voice so that your response to My Word, My Spirit and therefore My voice may be a listening ear and an obedient response. Pure and holy intimacy with Me is what you where made for. Intimacy is where the seed sown becomes alive and grows into fruit of unity with Me where you become one with Me. Intimacy is the place of revelation where love meets and therefore it is called covenant. As you hunger for intimacy, just as you were created, but you do not deal with the wrong patterns in your DNA, that manifest in your life, intimacy becomes false because

you will find the intimacy in places that are not My eyes. Where do you find your intimacy, your comfort, your contentment? Is it in Me or is it in people, in works, in an image, in prestige? Every person seeks comfort, security, rest for their souls, which are all different seeds that brings forth the fruit of intimacy because the principle of intimacy is "TO COME ALIVE". What is alive in your life that keeps false intimacy with the world or with yourself in place? If the wrong seeds are alive your spirit will remain slumbering, sleeping, even dead and you will not know intimacy with Me. However if you die to the false things that your flesh and soul respond to in attempt to feel something, to FEEL alive, to FEEL happy, to FEEL peaceful, to FEEL content you will be able to posses true life but if your responses and therefore choices in life is to settle for false intimacy, for temporary satisfaction you will be dead to the true life that you were called to be possessors of. What do you choose? False intimacy or true intimacy?"

I want to end off this letter by sharing the wise words of a man that has shared his insight with me today that was just confirmation to the word above. "Intimacy gives transparency without the fear of judgment."

True intimacy with Abba will make us transparent and the fruit of maturity will be evident. False intimacy is not transparent; it is veiled sin that does not display the face of the pure bride but the double minded picture of a lukewarm Christian who has YHVH on his lips but hidden sin in his DNA. I know these are hard words, but it is the raw reality. We need to wake up! We need to seek Abba's face for a revelation about how false intimacy is operating in our lives.

IN THE SHADOW: 20 April 2015

“When I take you through the fire, a dark night of the soul you are tested. Your soul is searched and your fruits are examined. Such a season has the tendency to make you feel as if you are in the darkness. That place of ‘darkness’ is the same place as the desert, they both bring forth the fire of the unknown. When you are in a dark place you cannot see the way out. I take you into that place so that your eyes can normalize so that you realize that I have given you sight even for the night. When you are in the desert you do not know which path leads to the promise. You are faced with different choices. Will the path of self effort lead me there? Will the path of good works lead me there? Will sacrifices lead me there? Will prayer and fasting lead me there? Will my spiritual leader lead me there? You ask questions in that place because you are in the place of decision. You have to choose which path you are going to take. That path is not just a way but it is a pattern, a blueprint of either My DNA, My way, or it is a pattern of religion that does lead you to the promise but it keeps you from entering into it.

I AM quiet in your souls night. No, I do not sleep but I search your heart because I look at what you choose when you do not feel My presence, when you do not hear My voice and the darkness in you rises up like the tides. What do you choose then? Who do you turn to? What do you do?

Do you know that you can reject My purifying fire? I always tell

you to allow it but many think that they don't have a choice about the fire when they face circumstances that take them into the heat. So many choose to escape it. You choose to escape the fire that brings forth purity and holiness when you take the path of comfort because your soul thinks that is the door out of the darkness, the path out of the desert. It is not! Taking the path of comfort brings forth lukewarmness because it floods your soul with water before what was supposed to be molded in the fire has taken the right form. There are certain heart issues that rises up in your soul that the desert brings out of you. My people, you feel that fire but then you turn to comfort because you are afraid of your own brokenness. You cover it with carnal comfort, even by false grace because that is also a form of false comfort and then the fruit does not get to grow into maturity. I tell you this... In the garden of Gethsemane I was in a dark night. There was only one path that led to the fulfillment of the will of My Abba. That path was the Via Dolorosa, the path of death because of obedience. I became flesh, I was human just the way that you are. I could have chosen comfort instead but I chose the will of Abba and therefore that path that leads to fulfillment. My fruits of obedience was pressed because I had to choose. The fulfillment did not just come because I hanged on the tree because I was not the only one crucified. The fulfillment did not come because of My death but because I CHOSE to die. My death and resurrection was a shadow of My choice. The darkness that your soul experiences in the fiery desert season is not an evil darkness but it is the shadow of your choices. When you choose obedience above a sacrifice you will find yourself in the darkness of My shadow, the shadow of what I chose because you will become the shadow. This shadow is a secret place where you are hidden because you become transparent in the fire. You may look at the outward circumstances and see no light and therefore have no vision and understanding about what the season holds but what I ask of you is to be still and know. The unknown is a place where I purify the mind and the will because what you do know and what you do understand and what you do have is stripped from you so that you might KNOW ME! What do you know? What is more important to you... to know your future, to know where the finances will come from to pay the bills, to know in what church you should have

fellowship, to know when the rapture will take place, to know what it is that you were created for, to know where you are supposed to be planted to fulfill your destiny? Or to know Me? When I take you into the unknown you are stripped from what you do know, sometimes it will even feel to you that you do not know how to dwell in My presence. You do not know how to hear My voice but this is where you will come to KNOW ME and the rest will follow. You see, I want to create order within your lives. My desire is that you might know Me in spirit and not in mere knowledge because if a walk with Me is mere knowledge, it means that the order of what you KNOW is wrong. If you know Me firstly, deeply, intimately then I will build My Kingdom upon that foundation and you will walk in the revelation and live in the secret shadow place of who I AM.

Do not hide from My shadow. Do not flee from My shade because it may seem dark but it brings order and you start to know Me as the light because you discover in the place of My order that My shadow is actually the light in the evil darkness. My children, I love you. I AM alluring you to the place of bridal preparation because you are the desire of My heart. Remember that the entrance of My Word gives light so allow My Word to enter into your soul and transform the unknown desert into a garden of knowing your Beloved Bridegroom.

Rest in Me My children and do not fear for I AM the great I AM and I AM in control of every detail of your lives. Submit under My will and dance with Me in the fire because you are in a time where I will heat up the fire 7 times. Remember that there were only a few that went into the fire. It was those who did not bow to other gods but stayed faithful to My covenant. When you choose a covenant lifestyle of listening and obeying above the lifestyle of a harlot you will go into the fire but what will you know in the fire? You will not know the heat of the physical flame, the natural circumstances because your heart will not be consumed. I will surround you in the fire so that you will find yourself in the hedge of My protection because you choose to step in order and live in obedience. I tell you, you will not be consumed but you will come to know your Faithful Desert Father in the un-consuming and therefore unknown flames.

Keep *and* guard me as the pupil of Your eye; hide me in the **shadow**
of Your wings

How precious is Your steadfast love, O God! The children of men take refuge *and* put their trust under the **shadow** of Your wings.

Be merciful *and* gracious to me, O God, be merciful *and* gracious to me, for my soul takes refuge *and* finds shelter and confidence in You; yes, in the **shadow** of Your wings will I take refuge *and* be confident until calamities *and* destructive storms are passed.

He who dwells in the secret place of the Most High shall remain stable *and* fixed under the **shadow** of the Almighty [Whose power no foe can withstand].

NEW GATE: 9 June 2015

We came home after a day in the studio and after a bath I went straight to bed. Before I went to sleep Abba started speaking in my spirit.

“Child, listen... I am calling your spirit to attention so that you may incline your ears to behold the words of the King. Look, what do you see?”

I waited a while as I picked up my Bible. I held it in my hands and I saw patterns that looked like DNA strands that were around the Word, flowing out of it. There was this very bright light around the Word and then I heard the Spirit saying: “You hold life in your hands. Do you see that My Word is light and that everywhere My word enters there is light. Do you see that My Word carries the seed of life and everywhere that seed takes root life grows in abundance? I AM the living Word, are you a mirror image of the living Word?” Again I looked down at the Word in my hands and I saw that the DNA like patterns that flowed out of the Word cleansed the atmosphere in the spirit. I saw many different gates in the spirit with many different names. Every gate looked different. There was a different fragrance in every gate, a different fruit, a different sound, and even a different color. The color represented the mantle (covering) that comes upon you when you enter into the gate and possess it. The Word continued to speak to me... “Sarah Rebekah Esther, I want to teach you about possessing the gates because the gates are important for you to understand if you want to call the Promised Land your permanent home. Hear My truth, living a life in the promised land of destiny and purpose requires a large spiritual capacity. You will become tired and you will lose your identity, your destiny and your vision if your capacity remains the same. I need to make room in My children’s spirits to have a capacity to live in the Promised Land and call it home. It is a different story to live in the Promised Land than to move in and out. If you go in and out it means that there are still too much of you that is not willing to completely die to self but if the Promised Land becomes a permanent dwelling it means that you are on a journey of maturity. You know, My child, many of My beloved ones are on a journey of salvation but do you know how few of My people are on a journey of maturity which is about

knowing Me? It is only My set apart bride because as you have come to know this journey costs a very expensive price, it asks obedience. It is not difficult to move in and out because that means your ways are according to what is comfortable for you. When you desire My presence you boldly enter in as I have granted you access through the blood of My Son. However permanently living in the Promised Land is not about what you desire, it is not about a feeling, it is not about being happy. It is about knowing Me in the fire because that is the only thing that brings forth true maturity. Life in the Promised Land is for the ones who choose maturity above anything else. The fruit of maturity comes out of the fire of purification and change and therefore it is the most solid foundation that you can find yourself on. The thing is that as you look at your soul when weighing maturity you will not always find a happy soul, your soul will not have a false happiness that is built upon the things of the world. You will find a soul who is not satisfied by the things of this world, you will find a soul that has learned to stand aside so that My Spirit can live and move and have its way in your spirit being. Your soul will be quiet of fleshly lusts, your soul will not seek what it always sought. You will desire differently. Did you know that change is a fire? Change is what takes place when something takes a complete different way and starts to be different, look different. How can there ever be change if it is not like a fire burning out the very thing that needs changed? Change is what is needed if you want to possess the Promised Land. Change is what happens as you go through the gates. These gates that I AM showing you are entrances, a passage into something. For each of My promises, purposes and ways there is a gate. These gates are the distinction between the outside and the inside but what is one of the spiritual principles behind the gates? It is change because the gate is the place that determines the dwelling. The gates are connected to the cities so if you go into the gate it means that you dwell in the city. If you possess the gate of holiness it means that you will dwell in holiness. My people are not dwelling in My perfect purposes because they do not know how to possess the gates. Teach My children!

I want to speak to you today about change because it is essential in going through the gates. If you want to possess My gates there will always be something that needs to be shifted in your life. The gates

of the spirit and the gates of the soul are aligned with each other so if there are open gates in your soul there are closed gates in your spirit. In this journey of dwelling with Me you need to gain understanding about how these gates operate so that you can walk in freedom because if there are obstructions in the gates it will keep you from dwelling in what I purpose. Change and repentance takes hands, you can never separate them from each other. Different seasons are one of the things that bring change in your life. As I take you through different seasons the change in season shows you a different view on your soul so that there can be repentance because if there is no repentance there can be no maturity. Allow My Spirit to take you through My times and seasons so that you can come to know yourself from the perspective of My light and truth. Remember that truth is reality, it is the lies that darken the light of truth. Lies will block your gates but the entrance of My Word will bring light and therefore truth that will set you free. You will not just come to know the true condition of things through My eyes, My truthful perspective but you will come to know Me in spirit and in truth so that you can worship Me in Spirit and in truth. The gates in your lives need to be examined because there are blockages that keep you outside of My will and My ways.”

As I was listening to the words of Wisdom I saw a specific gate in the spirit and I heard the words: “New Gate.” Abba continued to speak... “I can only open the new gate in your life if you obey Me in the fire of change. This new gate is full of promise, you will not always know exactly what is inside of the new gate because sometimes I keep it from you to test why you want to enter into this gate because if it is for the promise I rather desire that you do not see the fullness of it so that it remains about ME! I AM jealous over you. There is nothing new for Me, but you are in a dimension where you know far from everything therefore the new is part of your daily lives. Daily you experience new things as you mature in life. This principle is the same in the spirit, I want to take you into new spiritual dimensions of knowing Me but this can only take place if you allow the fire of change so that you can be mature to possess ‘the new’ in purity and in My order. Many times new things throw you off course and cause you to lose focus and first love vision because your soul gates are

blocked and therefore your mature fruits also burn in the fire instead of bringing it forth. If there is a lack of order the good will also burn in the fire of change and the fire will heat up the things in your soul and life that is out of order.

How does your new gate look? Do you know that there is a constant flow of new things that I want to bring into your life because I want to bless you? The question is, are you able to handle the fire of change that goes before it? My little ones, you are trusting Me for many things but I cannot fulfill them in your life if the fire of change is not bringing forth the fruits of maturity in your life but burning it out instead. How can the fire of change burn out the fruits of maturity? That, My children, takes place when there is a lack of obedience in your life. The lack of obedience comes from blocked gates that are supposed to be open. It blocks the flow of life from your spirit to your soul and a part of you falls asleep, you can call it death. Your soul will live but your spirit will die, little by little. This was the same effect that happened in the garden. There is another principle that takes hands with change other than repentance and that is choice. Your choices will bring change that will cause My gates of blessing to be open in your life which means that you will dwell in My purposes or your choices will close the spiritual gates and conform you to a state of spiritual sleepiness and death. What do you choose? What fruit does the seasons of change bring forth in your life?

I want to open the new gate in your life and that means I want to take you deeper in your walk with Me but I have to test you. I have to see how large your capacity is to handle the new and I need to see what you do inside of the fire. Therefore you will see that My bride is in the fire in this season because there are shifts in the season. The shifts are becoming greater and more intensified so if I do not allow the fire of testing you that I may know your heart, you will not be able to handle the new because things will shift and if your capacity remains limited you will not know how to dwell in the city of new because you do not know Me in it. You are all on a journey of knowing Me deeper and deeper, more intimately. Remember that I take you through different seasons so that you can look and see from different angles to gain understanding and wisdom. You can never look at My Kingdom from only one side because I AM a God of many

layers. If it was not so, I would not be able to meet you there where you are. You are all on a different layer but If you are in right standing with My Spirit there will always be oneness and agreement because although there are layers, every layer is a layer of truth, it is just deeper dimensions of it. People who are on different layers disagree because they look from different perspectives because of the broken soul. Your soul may have different perspectives but your spirit eyes were created to look from My truthful perspective alone therefore if there is no spiritual unity it means that you are not looking through the eyes of the spirit. You can only look at things from My perspective and see what I see in different situations if you spend time with Me and seek Me regarding specific matters so that you might know Me! There are many mysteries that I will reveal to those who seek Me. I AM asking you this My little ones, do not stop seeking Me no matter if you do not understand and you find yourself in darkness. No matter if you feel alone in your battles, no matter if you do not know the way out because I do! Just put your hand in Mine and walk with Me, I will always help you. If you do not know, then ask Me because I will answer you, but not always the way that you expect it but it is for your good because I AM training you to hear and listen so that you can come to the place of obedience. I love you My dear children. Hold fast and run the race of faith to the end because I AM coming! Do not be discouraged and do not be dismayed for I AM with you and I go out before you to prepare a place for you. Keep on walking with Me, keep on listening to Me because I AM preparing My army of worshipers who know My name.
