

Bridal Harvest

Follow Up Letter - Vaccines

Shalom friends,

This afternoon my husband and I was sitting on the porch looking out over the pomegranate trees. I realized that THEY ARE IN BLOOM! Every blossom is a promise of the harvest that will come. Even now in this difficult time where for many, everything is turned upside down, there is a promise of a good harvest that will come. We should not just be focused on what the enemy is doing in this time because in the midst of the storm Yeshua is doing a great and powerful work. Don't miss it because your focus is on the negative and dark. Seek His eyes and then lock your focus on His eyes. In His eyes will we find peace in the storm, peace and a lot of wisdom for every matter.

During this time on the farm there is a lot of *Acanthopplus discoidalis* or better known to us as 'Koring krieke'. They sit on the curtains, they walk on the floor, they crawl between the children's toys not to mention the plants. They also sit on the pomegranate trees. They are really disgusting looking things and will eat a hole through anything. If you kill them it makes a big pussy mess. They come most years, its part of the seasons and we just have to deal with it. If we look at the pomegranate trees we can choose to either look at these disgusting looking things which is after the harvest or we can fight this pest and look after the blossoms knowing that a wonderful harvest will come in due time. It is exactly the same with the situation with the virus at the moment. All the works of the enemy in this end time war for souls aren't the only current activity. Yeshua is greatly at work. He is speaking, He is moving, He is busy in His garden because there is a next harvest that must come. Will you be a part of God's harvest or will you be focus on the pest trying to destroy the potential harvest? Since I was 12 and Yeshua started waking me up and speaking to me about His bride and His heart for His people, He has said - there will be a bridal harvest. He has been calling His people to prepare for it. He has warned us in Scripture that the time of harvest will come where it will be made known who really KNEW Him because this is where the tire meets the road where our walk and faith is tested to become real or whether it was just all very shallow rooted in your life. We will be shaken people, we will be deeply shaken because we were chosen for this time, we were warned, the willing ones prepared. What will the next harvest look like in your life? It is time to sow faith and not fear. It is time to sow obedience instead of compromise.

John 4:35 *Do you not say, 'It is still four months until the harvest comes?' Look, I say to you, raise your eyes and look at the fields and see, they are white for harvest.*

The whole of last year we have spoken about this Scripture. Yeshua will always warn us but then there comes a time where you start to face what He warned you about. I believe we are coming to this time. Yes, this virus too shall pass, but then comes the next thing. If we are going to be caught compromising and asleep in this time we may become a part of the wrong harvest. This is not a message to fear but pray and seek the King.

After the warning from Yeshua on 20 March 2020 about the coronavirus vaccination specifically we received another message from Yeshua regarding this matter. Therefore we feel prompted to send out a follow up letter with a bit more information about vaccinations for those who have never known that it is an area where the enemy has come in to deceive us. The vaccinations play an important role in this end time specifically as warned by Yeshua and therefore it is important to be informed about it. There are many resources that you can go and research to get informed. If you have questions about this please contact us and we can provide you with the correct informative information about the physical RED LIGHTS going up about what is inside of the vaccinations aside from the spiritual.

25 March 2020

I saw a scroll laying on a table and Holy Spirit said I needed to open it. I opened it and saw that it was addressed to my husband and I. There was a trumpet inside of it. Again, Holy Spirit said, take up the shofar and warn the people. I asked but what should we warn them about? He replied: "Share your journey about vaccinations. Many are asleep to the reality of deception and worldly knowledge which is not in alignment with Me. The enemy uses fear to take My people into captivity. You were never called to take your physical health into your own hands. You were never called to rely on vaccinations. Many people fear feeling out of control and it leads them into making decisions that are fear based instead of faith based. The reality of life on earth is that sometimes you will become sick. Sometimes disease may come. Remember you have a love relationship with the creator of your body. You have a friendship with the only true Healer. Despite this, healing will not always come supernaturally. Sometimes I want you to go with Me through the fire of sickness so that you can learn not to fear, so that you can grow in character and find your comfort in Me in times when it becomes increasingly difficult. I speak about suffering many times in My word. You will not always escape suffering just because I can deliver you from it. Sometimes I want you to grow through it because I want to work in your heart."

With this instruction from Yeshua we would like to share with you a little bit about our journey about vaccinations.

Both my husband and I have received all the required vaccinations as children. Growing up we as a family also received a flu shot every year. I am not afraid of needles and did not have an issue getting it. Until I was baptized that is. Shortly after I was baptized at 12 years old it became time again for our yearly flu injection. My parents had their hands full that day. I literally ran away to my room and begged them not to give it to me. Even I myself didn't understand the sudden change in character but with my whole being I did not want to get it. How come every year for most of my life I just sat and got the vaccination without any resistance or any fear of an injection but now my whole being was resisting it? Not because I was afraid of the needle, but purely because I did not want it anymore.

I prayed about it and realized that when you get baptized you submit your whole humanity to Christ and you become one with Him in a different way than before. You are no longer your own. I believe it was the Spirit of God within me stirring my innermost being that getting injections is not necessary when you walk a covenant journey with Him where His blood is applied to every area of your life- even your physical body, cells, DNA etc. At that stage I had NO understanding of vaccinations at all. I did not know what was inside of it, I did not know anything and I didn't think to question it because everyone got it. That was the last time I got an injection. As the years went on and Yeshua taught me many principles of His Kingdom I quickly learned that Yeshua is not just interested in our hearts, He is not just interested in getting us saved so that we can go to heaven. That is only the start. He wants to sanctify not only our hearts but our lifestyles. Faith without works is dead. He wants to bring our works, our daily choices in rhythm with His heartbeat. Only later on did my mind start catching up with the work of God's Spirit within me. I was never confronted again with the vaccination issue. Never thought about it, never did any research about it. That is until my husband and I got married on 12 September 2015 and we started with a family. Which was right away because we gave that choice to Yeshua to decide how many children we must have and when we should have them. My husband and I were both surprised at Yeshua's word with both our first born daughter and our first born son. The timing seemed quick to us but looking back at it now we can just testify that Abba's timing is PERFECT!

Back to the vaccinations. 2 Weeks before giving birth to my daughter I was confronted with the vaccination matter again for the first time. Someone asked us if we were going to vaccinate her after birth. My husband and I looked at each other and said no. We didn't really discuss it, and neither of us has done research about it. Our decision was purely based on what we felt God was saying to us in our hearts. We didn't even know that it is actually such a big deal out there in the world and that there is a silent war between what is labeled as 'vaccinators' and 'anti-vaccinators'. We stuck to our choice and went on with life until very recently when we were confronted with the matter again.

A sudden and unexpected revelation came from Abba. A word so clear that there was no way in denying it. We did not understand it at all and we did not know how it would happen but what we did know is that Abba's word does not return to Him void- NEVER! It is a long and beautiful testimony that we will share in due time but for now the bottom line is that Yeshua was sending us, not just for a ministry trip. We would not just go and come back within a month (longest ministry trip thus far). He was speaking about a second home, because where He was sending us to there is a lot of work that needs to be done that will have an impact on the spiritual atmosphere of that continent. This will be the work of God Himself. Our instruction was just to go. After Yeshua had spoken we learned that with this move it would actually become much easier for us to travel because with our Namibia passports we have to get visas for most places. It ends up taking a lot of my time, it costs a lot of money and we need to drive to Windhoek every time or take the risk of sending our passports to South Africa. In this whole process we knew that if Abba shows you a promised land there were going to be giants. And how!!! With our first trip those giants stood up against us in a way that we did not expect but learned a lot from. Many of these stories we will share in due time but one of these giants that stood up against us was the vaccinations. To immigrate on paper which is what Yeshua instructed us to do although we will have dual citizenship to penndel between here and there, we need vaccination documents for us and the children. I have my vaccination card but my husband and the 2 kids does not. There seemed to be no way around it. It is one of the most important requirements for the process and without it you most certainly will be denied or they will force you to go and get it at the nearest hospital or clinic.

We started praying and looking at possibilities which lead to nothing else but compromise. We were in total dependency on Abba to make a way because there seemed to be no way at all accept to give the kids the vaccines. At some point I was close to giving in because we could not find a way out of it. I thought, lets just give it to them and then take them through a natural vaccination detox afterwards. Which seemed like a good solution. I mean, is it really that big of a deal?? Abba can give us grace? Don't be religious about it I tried to convince myself. My husband lovingly rebuked me just as he can and told me - No we are not going to compromise. The thing is, during this time we started doing research about it. Our initial choice not to vaccinate our children was more spiritual than anything else. We just felt that we didn't need to be mentally convinced because then we doubt Holy Spirit's clear prompting in us not to get it. But during this time we needed to become armed as we had walked into a war zone where Holy Spirit's prompting meant nothing to man.

We started with writing a petition about the matter and handing it in to the heavenly courtroom. My husband and I signed the petition and handed the matter over to Abba. Not by might or power but by His Spirit. I was done trying to make plans out of the flesh. Miraculously I received a text message from a friend of ours while we were busy writing the petition. She did not know that she was being greatly used by Abba in that very moment she decided to text me. What was the topic of her message? Vaccinations!

To make a long story short, Abba used her to open the way out for us. We put our research together and got our documentation ready. It was a process with a few shut doors in between but Abba answered our petition. We asked Him to make a way where there was no way, and truly He did.

At the time we were going through this we did not know that soon we will be faced with the vaccination matter again. Abba used this to prepare us and educate us to be able to walk in our callings. We need to understand that the physical and the spiritual take hands. We must not separate them from each other. Becoming informed about vaccinations and seeking Yeshua's face about it is important in this time. It is not just about opening doors spiritual it is about what greatly affects us on every level- soul, body and spirit.

With that said, it is important to understand that we serve the God who is above all, even vaccinations. The purpose of this letter and the previous warning is not to get you into fear and make you anxious because of the vaccinations you have received. It is rather a warning for you to seek the King about it so that you will not abide in these things because you have a lack of knowledge about it. Like I said, my husband and I have also received all our vaccinations as children. If you have as well, you do not have to fear because the blood of the Lamb has overcome ALL the works of the enemy, even vaccinations. Therefore, we need to abide in repentance and break every blood covenant made so that our DNA can be changed by HIS BLOOD and not by vaccinations. We should not compromise in that way to say, I have already received vaccinations as a child so I might as well get further vaccinations, I mean, it cannot be undone? If we reason like this with our carnal minds it means that we do not understand repentance and the power of Yeshua's grace purchased blood. He has come to cleanse us of the former things so that we will not continue in the way of old but renew our beings by sanctification, obedience, repentance and of course that includes thinking and doing differently than before you repented.

Following this letter is a prayer that you can pray if you want to stand in repentance against vaccinations and the blood covenants that go along with it. This prayer was written as a petition to be handed into the Heavenly Courtroom of our righteous and just Judge who is also our King. We have come to see amazing power of bringing our petitions before the King over and over again. Many people don't know how to write a petition. Remember, never overcomplicate spiritual principles. It is as uncomplicated as asking the King about any matter on paper! Be repentant, add Scripture if the Spirit leads you but do not hesitate to come into His courts with your petitions especially in this time. There is power in a written, signed petition because our Beloved is not just our Savior, He is also our Judge. He sits on a throne of grace and we can approach Him with our petitions in our times of need. We have an Advocate, who is also our Messiah. His blood wants to speak on our behalf but until we make our petitions known, the enemy will keep on accusing us. Petition for your Country and the decisions made. Petition against the virus, the vaccinations. Petition that Abba will lift every veil over your eyes that you will not be deceived in this time but truly know Him. We have weapons greater than hand sanitizer. We need to use them!

Prayer For Blood Covenants Made Through Vaccinations

Thank you Abba that we can boldly come before your throne of grace in a time of need according to *Hebrews 4:14*:

Therefore let us [with privilege] approach the throne of grace [that is, the throne of God's gracious favor] with confidence and without fear, so that we may receive mercy [for our failures] and find [His amazing] grace to help in time of need [an appropriate blessing, coming just at the right moment].

You are a righteous and just Judge according to *Psalms 7*:

The Lord judges the peoples; Judge me, O Lord, and grant me justice according to my righteousness and according to the integrity within me. Oh, let the wickedness of the wicked come to an end, but establish the righteous [those in right standing with You]; For the righteous God tries the hearts and minds. My shield and my defense depend on God, Who saves the upright in heart. God is a righteous judge, And a God who is indignant every day. If a man does not repent, God will sharpen His sword; He has strung and bent His [mighty] bow and made it ready.

I want to come before You with a repentant heart. Thank You for Your light and truth that has come to me. Please continue to lift every veil over my eyes. Thank you Father for exposing the works of the enemy! I repent for the ignorance and the lack of knowledge we had all these years according to **Hosea 4:6**:

My people are destroyed for lack of knowledge [of My law, where I reveal My will]. Because you [the priestly nation] have rejected knowledge, I will also reject you from being My priest. Since you have forgotten the law of your God, I will also forget your children.

I do not want to reject knowledge that have come to me. I choose to embrace your Word and Your will and set it as a seal upon my heart.

Father, I ask You in the mighty name of Yeshua, to lift the veil that is caused by the spirit of Pharmacia over myself and my seed. I repent of partaking in the works of the enemy. I repent on behalf of myself and my forefathers for every blood covenant made because of vaccinations (inoculated/immunized)

I come and break the power of the foreign DNA that has been injected into my body. Animal DNA and Human DNA. I come and break the curse that it has on me and my seed in the name of Yeshua. I repent for the fear that involved the decisions made to get the vaccinations. I repent of fear of sickness and disease. I repent of fear of man. I repent of fear of infirmity visiting me and my house. I repent of agreeing with the kingdom of darkness when allowing my children to be vaccinated (inoculated/immunized). I come and trade every drop of blood that has flowed out of my body and I place it in the hands of Yeshua. Through the blood of the Lamb I come and silence my blood from the voices of death, darkness, every demonic voice, every code inside of the vaccination injected into me. I come and silence through the blood of the Lamb every cell line that was not originally part of me. I petition that Your blood, the blood of Yeshua my Messiah will speak on my behalf. I repent of allowing markers to be placed in my DNA through being vaccinated. I bring every dark, demonic marker before You and I petition that you will wash it by your blood so that I may stand before You a pure bride as it says in **Ephesians 5:27**:

So that [in turn] He might present the church to Himself in glorious splendor, without spot or wrinkle or any such thing; but that she would be holy [set apart for God] and blameless.

Through the blood of the Lamb I come and break every dark demonic blood covenant made with the kingdom of darkness in me and my seed. I rebuke the spirit of death, the spirit of fear, the spirit of abortion, the spirit of Pharmacia, the spirit of sorcery and witchcraft and every other spirit attached to these dark demonic blood covenant that is applicable but not specifically mentioned in the name of Christ the Messiah. Go under the feet of Yeshua. I crash, smash, shatter, loose and destroy for myself and my seed any and every dark pattern, system and code as a result of the vaccinations in all time, space and dimensions. I place my whole humanity under the blood of the Lamb and declare that it is by Your blood alone that I overcome as written in **Revelations 12:11**:

And they overcame and conquered him because of the blood of the Lamb and because of the word of their testimony, for they did not love their life and renounce their faith even when faced with death.

I place the book of my DNA in Your hands Lion of Judah, take the pen and write only in Your blood what is truth, life and light. Roar over my blood and let every vibration that is not in alignment with You come into order with the Word and the voice of YHWH.

In every area where I was in fear and unaware of it I come and repent for breaking covenant with You through my choices. I come and ask You to restore and strengthen our covenant through Your blood. I come and agree with You YHVH. I agree that You are my healer. I agree with Malachi 4:2 and receive it as my blood purchased portion.

Malachi 4:2- *But for you who fear My name [with awe-filled reverence] the sun of righteousness will rise with healing in its wings. And you will go forward and leap [joyfully] like calves [released] from the stall.*

I choose to fear You and only You. I choose to trust in You and place my faith in You for my and my house's wholeness, health and wellbeing. When I have wounds, I will trade it for Your wounds. When I have pain, I will become one with Your suffering. When I am weak, You will be strong in me. When I am sick, Your stripes will heal me and make me whole, even if it takes time. I will seek You for my health. I ask You to come and shine Your light on wrong decisions that I am making in my life that is not good for my health. Open my ears to hear You speak to me about my daily choices. I choose a covenant with You and come to You first even with medical matters. I repent of every time I have taken medication before praying first. I repent of bowing before Hippocrates and Pharmacia every time I have placed medicine, my body, my health above you and made an idol out of it because of a lack of order in my life. I repent of dealing with physical matters regarding my health and body without seeking Your face first if there is a deeper root, a deeper reason for the physical matters in my life. I repent of forgetting to seek You about things that I should've come to You about first. I repent of never asking You about every vaccination that I have received. (I repent of every vaccination that I gave my children without asking You).

Seal me with Your blood after breaking every demonic seal on my life. You have the keys to every part of my being. My whole humanity belongs to You because I choose to submit myself to you with all that I am and all that I have. I also repent of fear that I experienced when the truth about vaccinations came to me. Thank You that Your truth sets me free and that truth never have to bring fear even if Your word sometimes come to me as a hammer or a fire.

Jeremiah 23:29 – *“Is not My word like fire [that consumes all that cannot endure the test]?” says the Lord, “and like a hammer that breaks the [most stubborn] rock [in pieces]?”*

I ask you to seal this petition off with Your blood and place a wall of fire around me and my house. Cause us to become transparent because of Your blood covering us so that the enemy will not be able to find us. Thank You that there will be no backlash because of my choice to turn from ever dark, demonic blood covenant because the blood of Yeshua speaks on my behalf. I hide in You, You are my shelter. I take refuge in You. I run to You fearlessly because in You I have come to know Love.

Lastly I come and petition for every future assignment and vaccination that will still come. Abba, I know that there will come a time where they will do their best to force us to get these vaccinations. I invite You into this reality and I ask You to go out before Me and act on My behalf. Thank You that we can trust You to make a way for Your bride to be able to escape these things. I embrace Your judgements now so that when the time of Your grace ends, I have already been found repentant and therefore worthy to be part of the 5 wise virgins. Help me to buy oil in this time of lockdown. Help me to buy gold. Help me to fix my focus on You. Help me rule out all distractions. Cause every bit of lukewarmness within me to become transformed into radical obedience and fearless faith. Lead me to the way of life. Thank You that we can still experience abundant life although we are inside of the fire because we are not alone. You are with us. You are faithful. You are the highest Authority in heaven and on earth. I submit my petition to You my righteous Judge, Your court is the highest court. Your way is the only way. Your judgement are pure. My Advocate, my Intercessor, my Counselor, my Friend. Speak on my behalf and silence every enemy, every accusation. Let all evidence against me pre-repentance held in the hand of my enemy be burned in Your fire, destroyed in Your light. Remove all legal right against me regarding vaccinations and dark, demonic blood covenants made because I choose to turn from my wicked ways.

Psalm 91
